Prop 39 2.0 AWARDS

The California Workforce Development Board (State Board) awarded seven (7) grants in the second round of Prop 39 funding to create apprenticeship and pre-apprenticeship programs in the construction and green energy trades serving at-risk youth, women, veterans, and disadvantaged or disconnected job seekers.

UPDATE: The State Board has awarded two additional Development Grants in the second round of Prop 39 funding, in addition to the original seven grants that were awarded earlier in the year.
