READY FOR COLLEGE

A young man with brown, wavy hair and a slight smile is the central focus. He is wearing a red, white, and blue plaid button-down shirt over a tan collared shirt. He has a green backpack on his shoulders and is holding the straps with both hands. The background is a bright, outdoor school setting with green trees, a white lamppost, and a building in the distance. The scene is overlaid with several semi-transparent colored circles: a large teal one in the top right, a smaller orange one in the top left, a yellow one in the bottom right, and a large olive green one in the bottom left. A horizontal orange bar is positioned across the middle of the image, containing the text 'READY FOR CAREER' in white, uppercase, sans-serif font.

Have you ever wanted to camp in the Snowy Mountains, or study Portuguese in Lisbon? You could! Help prepare a plan based on Costa Rica, perfect your Spanish with a family in Toluca, or learn traditional dancing in Mexico. The High School Student's Guide to Study, Travel, and Adventure Abroad is the only guide to more than 200 international programs for students between the ages of 12 and 18, including:

- study abroad • exchange • language courses • cultural arts • organized sports • work/volunteer opportunities • internships • internships • internships

Each entry provides details on • orientation • expenses • requirements • registration deadlines • housing • services for the disabled • cost • travel programs and so more than summer camps in the United States. You'll also find expert advice on choosing the program that's right for you, raising funds and preparing for your trip, and anticipating adjustment to a new environment in another country.
