---

This action amends the Essential Health Benefits (EHB) coverage requirements of health care service plans based upon amendments to the base benchmark plan pursuant to SB 43. California originally selected the Kaiser Small Group 30 (2012) plan as the base benchmark plan, but SB 43 amended the Code to select the Kaiser Small Group 30 (2014) plan as the new base benchmark plan. (Health & Saf. Code, § 1367.005, subd. (a)(2)(A).) The amendments bring the regulations into alignment with the Kaiser Small Group 30 (2014) plan pursuant to SB 43.

OAL approves this emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code.

This emergency regulatory action is effective on 11/28/2016 and will expire on 5/31/2017. The Certificate of Compliance for this action is due no later than 5/30/2017.

**CALIFORNIA ESSENTIAL HEALTH BENEFITS FILING WORKSHEET**

For Individual Plan Subscriber Contracts and Evidence of Coverage (“EOC”), Small Group Plan EOCs, or Combined Individual or Small Group EOC/Disclosure Forms (“DF”)

This EHB Worksheet requires plans to record how their coverage, as disclosed in EOCs, Subscriber Contracts, and DFs, complies with EHB requirements set forth in Health and Safety Code section 1367.005. The alignment of certain provisions of the Act with federal EHB categories is not meant to be legally definitive, but is offered as a way to organize required benefits as plans frequently organize them within their EOCs. Note that some benefits may be listed under multiple federal EHB categories because benefits and categories overlap in many plan EOCs. The plans must utilize the boxes in the third column to identify where the required EHB is located in plan documents and supply the necessary information to describe the benefit. For the purposes of the EHB Worksheet, “Section” refers to a provision of the Health and Safety Code and “Rule” refers to a section of Title 28 of the California Code of Regulations.

Directions for Plan Completion of Prescription Drug EHB-Benchmark Plan Benefits Chart

To demonstrate compliance with the prescription drug essential health benefits required under the PPACA at section 1302(b) (42 U.S.C. § 18022) and at 45 CFR § 156.122, please complete the form below indicating the number of prescription drugs offered by the Plan in each class and category of prescription drugs listed below. Plans must make whatever modifications are necessary to their current formularies so that the number of prescription drugs they cover equal or exceed the number listed in the "EHB Submission Count" column. Please attach the Plan's prescription drug list and/or formulary to this worksheet.

The plan must demonstrate it provides at least the greater of one (1) drug per category and class or the same number of drugs provided by the base-benchmark plan as indicated in the EHB Submission Count column, pursuant to 45 Code of Federal Regulations part 156.122, subparagraph (a). (78 Fed. Reg. 12834, 12867, February 25, 2013.)
