The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER (USPS 002-931), (ISSN 1041-2654) is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). **TITLE 2. STATE ALLOCATION BOARD**

NOTICE OF PROPOSED REGULATORY ACTION

THE STATE ALLOCATION BOARD PROPOSES TO AMEND REGULATION SECTION 1859.2, ALONG WITH AN ASSOCIATED FORM, TITLE 2. CALIFORNIA CODE OF REGULATIONS, RELATING TO LEROY F. GREENE SCHOOL FACILITIES ACT OF 1998

FORM PROPOSED FOR AMENDMENT

*Application for Funding*, Form SAB 50-04, (Revised 10/11), referenced in Regulation Section 1859.2

NOTICE IS HEREBY GIVEN that the State Allocation Board (SAB) proposes to amend Regulation Section 1859.2, along with an associated form, contained in Title 2, California Code of Regulations (CCR). A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Office of Public School Construction (OPSC) no later than 15 days prior to the close of the written comment period. Following the public hearing, if one is requested, or following the written comment period if no public hearing is requested, the OPSC, at its own motion or at the instance of any interested person, may adopt the proposal substantially as set forth above without further notice.

AUTHORITY AND REFERENCE CITATIONS

The SAB is proposing to amend the above-referenced regulation section under the authority provided by Sections 17070.35 and 17078.64 of the Education Code. The proposal interprets and makes specific reference Sections 17078.52, 17078.56 and 101012(a)(8) of the Education Code.

The Leroy F. Greene School Facilities Act of 1998 established, through Senate Bill 50, Chapter 407, Statutes of 1998, the School Facility Program (SFP). The SFP provides a per-pupil grant amount to qualifying school districts for purposes of constructing school facilities and modernizing existing school facilities. The SAB adopted regulations to implement the Leroy F. Greene School Facilities Act of 1998, which were approved by the Office of Administrative Law (OAL) and filed with the Secretary of State on October 8, 1999.

The SAB, at its October 26, 2011 meeting, adopted amendments to the SFP to clarify Section 6 on the Form SAB 50-04, *Application for Funding*, where a Charter School Facilities Program (CSFP) rehabilitation project enters its High Performance Incentive (HPI) Grant Program points to request HPI additional grant funding.

In May 2007, the OAL approved SFP Regulation changes that introduced CSFP rehabilitation projects and incorporated this project type into the Form SAB 50-04. When the rehabilitation component of the CSFP was implemented, it was modeled so that the type of work allowable in a CSFP rehabilitation project was substantially identical to SFP modernization work. In October 2007, the OAL approved SFP Regulation changes that introduced the HPI grant and incorporated the grant option into the Form SAB 50-04. It was an inadvertent oversight at that time for the Form SAB 50-04 to omit instructions and data fields for the HPI grant for CSFP rehabilitation projects. The proposed amendments to Form SAB 50-04 remedy that oversight by clarifying the instructions and data fields for the benefit of future CSFP rehabilitation project applicants.

Facilitating charter school rehabilitation projects in applying for SFP funding to incorporate high performance components into California schools will encourage benefits to the health and welfare of California residents and to the State's environment. This will help carry out the intent of AB 127 and Proposition 1D which authorized up to \$100 million for school projects utilizing high performance components [Education Code Section 101012(a)(8)].

CSFP rehabilitation projects were authorized by Assembly Bill (AB) 127, Chapter 35, Statutes of 2006 (Perata/Nunez), and funded in the Proposition 1D school bond measure which was approved by voters at the November 7, 2006 general election. Regulation Section 1859.2 defines "CSFP Rehabilitation" as "work that includes, but will not be limited to, structural changes or other types of work on an existing district facility that extends the useful life of or enhances the physical environment of the school."

AB 127 and Proposition 1D also authorized up to \$100 million for school projects utilizing “high performance” components improving energy, water use, natural lighting, air quality, use of recycled and low-toxin materials, and learning-enhancing acoustics for construction projects.

Education Code Section 101012(a)(8) states, “The amount of one hundred million dollars (\$100,000,000) for incentive grants to promote the use of designs and materials in new construction and modernization projects that include the attributes of high-performance schools, including, but not limited to, the elements set forth in Section 17070.96, pursuant to regulations adopted by the State Allocation Board.”

The proposed regulatory amendments are therefore consistent and compatible with State laws and regulations.

Of the initial \$100 million of bond authority to fund HPI components in SFP school projects, approximately \$66.4 million remained after the Board’s approval of the Oakland Military Institute project on October 26, 2011.

The proposed amendments are as follows:

Existing Regulation Section 1859.2 represents a set of defined words and terms used exclusively for these regulations. The proposed amendments change the revision date of Form SAB 50–04, *Application for Funding*, to reflect a revision date of “10/11.”

Existing Form SAB 50–04, *Application for Funding*, is submitted by school districts to apply for State funding for new construction or modernization projects. The proposed amendments clarify Section 6 of the Specific Instructions and Section 6 of the Form where a CSFP rehabilitation project enters the number of points for its request for HPI Grant funding. It is further clarified that subsections 6.a., 6.c. and 6.e. do not apply to CSFP rehabilitation projects.

**IMPACT ON LOCAL AGENCIES  
OR SCHOOL DISTRICTS**

The Executive Officer of the SAB has determined that the proposed regulation does not impose a mandate or a mandate requiring reimbursement by the State pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code. It will not require local agencies, school districts, or charter schools to incur additional costs in order to comply with the proposed regulation.

**ECONOMIC IMPACT**

The Executive Officer of the SAB has assessed the potential for significant adverse economic impact on businesses or private persons that might result from the

proposed regulatory action and the following determinations have been made relative to the required statutory categories:

- The SAB has made an initial determination that there will be no significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.
- The SAB is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
- There is no requirement that a report be made.
- There will be no non-discretionary costs or savings to local agencies.
- There will be no costs to school districts except for the required district contribution toward each project as stipulated in statute.
- There will be no costs or savings in federal funding to the State.
- There are no costs or savings to any State agency.
- The SAB has made an initial determination that there will be no impact on housing costs.

**RESULTS OF THE ECONOMIC  
IMPACT ASSESSMENT**

The results of the SAB’s Economic Impact Assessment as required by Government Code Section 11346.3(b) are as follows:

- There will be no impact in the creation or elimination of jobs within the State, the creation of new businesses or the elimination of existing businesses or the expansion of businesses in California.
- There are benefits to the health and welfare of California residents and to the State’s environment from correcting the Form SAB 50–04 to facilitate charter school rehabilitation projects in applying for SFP funding to incorporate high performance components into California school buildings. These benefits are improved energy efficiency and water use, natural lighting and air quality, use of recycled and low-toxin materials, and learning enhancing acoustics.
- There are no benefits to worker safety from the proposed regulatory amendments.

The proposed regulatory amendments are therefore consistent and compatible with State laws and regulations.

There is no fiscal impact to the State, to school districts or charter schools from the proposed regulatory amendments. The proposed amendments do not change

the apportionment process, but clarify the section on Form SAB 50-04 where a CSFP rehabilitation project applicant enters the number of points for its HPI funding request.

EFFECT ON SMALL BUSINESSES

It has been determined that the adoption of the regulation section will not affect small businesses in the ways identified in subsections (a)(1)-(4) of Section 4, Title 1, CCR. This regulation only applies to school districts and charter schools for purposes of funding school facility projects.

SUBMISSION OF COMMENTS, DOCUMENTS AND ADDITIONAL INFORMATION

Any interested person may present statements, arguments or contentions, in writing, submitted via U.S. mail, e-mail or fax, relevant to the proposed regulatory action. Written comments submitted via U.S. mail, e-mail or fax must be received at the OPSC no later than March 19, 2012, at 5:00 p.m. The express terms of the proposed regulation as well as the Initial Statement of Reasons are available to the public.

Written comments, submitted via U.S. mail, e-mail or fax, regarding the proposed regulatory action, requests for a copy of the proposed regulatory action or the Initial Statement of Reasons, and questions concerning the substance of the proposed regulatory action should be addressed to:

AGENCY CONTACT PERSONS

General or substantive questions regarding this Notice of Proposed Regulatory Action may be directed to Robert Young at (916) 375-5939. If Mr. Young is unavailable, these questions may be directed to the backup contact person, Lisa Jones, Supervisor, Regulations Team, at (916) 376-1753.

ADOPTION OF REGULATIONS

Please note that, following the public comment period, the SAB may adopt the regulation substantially as proposed in this notice or with modifications, which are sufficiently related to the originally proposed text and notice of proposed regulatory activity. If modifications are made, the modified text with the changes clearly indicated will be made available to the public for at least 15 days prior to the date on which the SAB adopts/repeals/amends the regulation.

The modified regulation(s) will be made available and provided to: all persons who testified at and who submitted written comments at the public hearing, all persons who submitted written comments during the public comment period, and all persons who requested notification from the agency of the availability of such changes. Requests for copies of any modified regulation should be addressed to the agency's regulation coordinator identified above. The SAB will accept written comments on the modified regulation during the 15-day period.

SUBSTANTIAL CHANGES WILL REQUIRE A NEW NOTICE

If, after receiving comments, the SAB intends to adopt the regulation with modifications not sufficiently related to the original text, the modified text will not be adopted without complying anew with the notice requirements of the Administrative Procedure Act.

RULEMAKING FILE

Pursuant to Government Code Section 11347.3, the SAB is maintaining a rulemaking file for the proposed regulatory action. The file currently contains:

1. A copy of the text of the regulation for which the adoption is proposed in ~~strikeout~~/underline.
2. A copy of this Notice.
3. A copy of the Initial Statement of Reasons for the proposed adoption.
4. The factual information upon which the SAB is relying in proposing the adoption.

As data and other factual information, studies, reports or written comments are received, they will be added to the rulemaking file. The file is available for public inspection at the OPSC during normal working hours. Items 1 through 3 are also available on the OPSC Internet Web site at: <http://www.dgs.ca.gov/opsc> under "Resources," then click on "Laws and Regulations," then click on "SFP Pending Regulatory Changes."

**ALTERNATIVES**

In accordance with Government Code Section 11346.5(a)(13), a rulemaking agency must determine that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

**AVAILABILITY OF THE FINAL STATEMENT OF REASONS**

Upon its completion, the Final Statement of Reasons will be available and copies may be requested from the agency's regulation coordinator named in this notice or may be accessed on the Web site listed above.

**TITLE 2. FAIR POLITICAL PRACTICES COMMISSION**

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict-of-interest codes, will review the proposed/amended conflict-of-interest codes of the following:

**CONFLICT-OF-INTEREST CODES**

**AMENDMENT**

STATE: California Earthquake Authority  
MULTI-COUNTY: Association of California Water Agencies Joint Powers Insurance Authority

A written comment period has been established commencing on February 3, 2012, and closing on March 19, 2012. Written comments should be directed to the Fair Political Practices Commission, Attention Cynthia Fisher, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict-of-interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public

hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above-referenced conflict-of-interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director of the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict-of-interest code(s). Any written comments must be received no later than March 19, 2012. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

**COST TO LOCAL AGENCIES**

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

**EFFECT ON HOUSING COSTS AND BUSINESSES**

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

**AUTHORITY**

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict-of-interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

**REFERENCE**

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict-of-interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

**TITLE 5. EDUCATION AUDIT  
APPEALS PANEL**

Notice of Proposed Rulemaking

*Supplement to Audits of K-12  
Local Education Agencies  
Fiscal Year 2011-12*

The Education Audit Appeals Panel (EAAP) proposes to adopt the regulations described below after considering all comments, objections, and recommendations regarding the proposed action.

PUBLIC HEARING

A public hearing regarding this proposal is not currently scheduled. Not later than 15 days prior to the close of the written comment period, any interested person, or his or her authorized representative, may make a written request for a public hearing pursuant to Government Code section 11346.8, and a public hearing will be held. Requests for a public hearing should be addressed to Carolyn Pirillo.

WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action. The written comment period closes at **5:00 p.m. on Monday, March 19, 2012**. EAAP will consider only written comments received by that time. Written comments for EAAP's consideration should be directed to:

AUTHORITY AND REFERENCE

Authority cited: Section 14502.1, Education Code.  
Reference: Sections 14501, 14502.1, 14503, 41020, and 47634.2 of the Education Code.

INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW

The regulations in Title 5 of the California Code of Regulations, Division 1.5, Chapter 3, constitute the audit guide required by Education Code sections 14503 and 41020.

The broad objective of the audit guide is to provide guidance, through definitions of terms and specification of procedures, to auditors in the conduct of statutorily required financial and compliance audits of local education agencies. The Controller has proposed supplemental amendments to the audit guide for fiscal year 2011-12 related to further authorized reductions in the required number of instructional days and minutes, and related to expanded pertussis immunization requirements. Conforming changes are also proposed.

The specific benefit anticipated from the proposed regulations related to instructional time (amendments to sections 19824, 19851, and 19854; new sections 19824.1, 19851.1, and 19854.1) is to ensure the appropriate application of current statutes which further reduce required instructional days and minutes for the 2011-12 fiscal year, thus avoiding the possibility of unwarranted audit findings that could result from incongruity of the audit guide with current law.

The specific benefits anticipated from the proposed regulations related to pertussis immunization (new Section 19841 and amended Section 19850) are to ensure compliance by schools with the requirements that were enacted to encourage maximum immunization compliance and decrease reliance on personal beliefs exemptions, and to ensure that schools properly excluded pupils after the authorized conditional attendance period, thus protecting public health as intended by law.

The proposed pertussis regulations, to ensure consistency with existing state regulations, include procedures for consideration of the potentially longer period of conditional attendance that may be afforded by an existing regulation that provides up to 30 *school* days for transfer pupils whose immunization record is not provided on entry to the new school. (Title 17, § 6070(d).)

These proposed regulations are not inconsistent or incompatible with existing state regulations.

**Title 5, Division 1.5  
Chapter 3. Audits of California K–12 Local  
Education Agencies**

**Article 2. Audit Reports**

Article 2 prescribes report components (Section 19815), provides definitions of terms (Section 19816), and specifies which sections of the audit guide are applicable to each audit year (Section 19816.1). Conforming amendments, to reflect the amendments and additions to the audit guide described below, are proposed in Section 19816(h) to revise the numbers of audit procedures specified for fiscal year 2011–12, and in subparagraphs (a)(9) and (c)(7) of Section 19816.1 to modify the list of sections applicable to audits of fiscal year 2011–12.

**Article 3. State Compliance Requirements:  
Local Education Agencies Other Than  
Charter Schools.**

**§ 19824. Instructional Time**

This section directs the auditor to verify compliance by school districts with the minimum number of instructional days as specified in Education Code Section 41420, and compliance by participating school districts and county offices of education with the requirements of the Longer Instructional Day (instructional minutes) and Longer Year (instructional days) Incentive programs that are provided in Education Code sections 46200 and following, and to calculate and report applicable penalties. The section was previously amended to reflect the reductions in instructional minutes and days authorized for certain fiscal years by the provisions of Education Code Section 46201.2.

This rulemaking modifies audit procedures in compliance with funding reductions and concomitant instructional time reductions authorized in three bills related to the 2011–12 state budget. The Budget Act of 2011 (Stats. 2011, c. 33 (S.B.87), eff. June 30, 2011) was amended by the education trailer bill (Stats. 2011, c. 43 (A.B.114), eff. June 30, 2011) to provide for further reductions in fiscal year 2011–12 funding for K–12 education if revenues fell short of projections by certain amounts (“trigger cuts”). The trailer bill included Education Code Section 46201.3 which authorized school districts, county offices of education, and charter schools to make additional reductions in instructional time in response to those trigger cuts, operative February 1, 2012, and only for the 2011–12 fiscal year. Another bill (Stats. 2011, c. 41 (A.B.121), eff. June 30, 2011) provided the necessary statutory changes to make those mid-year revisions to the budget act.

Section 19824 is modified to conform with an amendment to Education Code Section 46201.2 (Stats. 2011, c. 7 (S.B.70), § 30, eff. March 24, 2011), and for consistency with the changes made based on Education Code Section 46201.3.

**§ 19824.1. Instructional Time.**

This new section is applicable to fiscal year 2011–12 only. Subparagraph (a) sets forth the procedures for auditing school districts, and subparagraph (b) addresses the audit procedures for county offices of education. The new regulation consists of the same audit procedures as subparagraphs (b) and (d) of Section 19824, but reflects the reductions of up to twelve days in instructional minutes and days authorized by the provisions of Education Code sections 46201.2 and 46201.3, thus providing clear guidance to auditors.

**§ 19841. Exclusion of Pupils — Pertussis Immunization.**

Prompted by the pertussis epidemic of 2010,<sup>1</sup> the Legislature enacted subdivision (d) of Health and Safety Code Section 120335 to prohibit the unconditional admission of pupils to grades 7 through 12 in any school unless the pupil has been fully immunized against pertussis.<sup>2</sup> Health and Safety Code Section 120335.1 authorizes the “conditional admission”<sup>3</sup> of pupils to county offices of education or school districts without the required pertussis immunization if specified conditions are met (including prior year attendance in the same county office of education or school district), but for only 30 *calendar* days and only in the 2011–12 school year.<sup>4</sup>

Title 17 of the California Code of Regulations, Section 6070(d), provides for conditional admission for up to 30 *school* days for pupils who transfer from one school campus to another within California or from out of state if the pupil’s immunization record does not arrive by the time of the pupil’s entry to the new school. The conditional attendance period for transfer pupils under this provision can be approximately two weeks more than the new 30 *calendar* day period authorized by Health and Safety Code Section 120335.1(a).

<sup>1</sup> Initial Statement of Reasons, School Immunization Requirements: Grades 7 through 12: FY 2011–12, May 19, 2011, Department of Public Health (Office of Administrative Law File No. 2011–0621–03 E) (“DPH ISOR 5–19–11”).

<sup>2</sup> Commencing July 1, 2011, and inoperative June 30, 2012 (subd. (f) of Health & Safety Code § 120335).

<sup>3</sup> Defined in Title 17, Cal.CodeRegs., § 6000.

<sup>4</sup> Added by § 1 of Chapter 123 of the Statutes of 2011 (S.B.614, eff. July 25, 2011). Health & Safety Code § 120335.1(a) specifically includes charter schools in the authorized conditional attendance provision, but does not specify that a pupil enrolled in a charter school is required to have been enrolled in that charter school in the prior year, or to have attended on or before the sixth Friday following the first day of classes offered at the charter school.

County offices of education and school districts are required to maintain “Verification of or exemption from required immunizations.” (Title 5, § 432(b)(1)(J); also see Health & Safety Code §§ 120335, 120375; Title 17, § 6070.)

If the pupil does not have evidence of the required immunization or an appropriate exemption statement<sup>5</sup> on file by the end of the applicable conditional attendance period, the law requires that the pupil be excluded from attendance. (Health & Safety Code §§ 120335, 120335.1, 120375; Title 17, §§ 6000, 6070; Educ. Code § 48216.)

This new regulation is proposed for fiscal year 2011–12 to verify public school compliance with those Health and Safety Code provisions and the implementing regulations (Title 17, §§ 6000 et seq.).

**Article 4. State Compliance Procedures:  
Charter Schools**

**§ 19850. Contemporaneous Records of Attendance.**

This regulation directs auditors to trace the Average Daily Attendance reported to the California Department of Education by the charter school to the supporting contemporaneous records.<sup>6</sup>

As explained above with regard to proposed new regulation Section 19841 in Article 3 of the audit guide, the pertussis epidemic of 2010<sup>7</sup> prompted the Legislature to enact subdivision (d) of Health and Safety Code Section 120335 to prohibit the unconditional admission of pupils to grades 7 through 12 in any school unless the pupil has been fully immunized against pertussis.<sup>8</sup> Health and Safety Code Section 120335.1 authorizes the “conditional admission”<sup>9</sup> of pupils to charter schools without the required pertussis immunization,

<sup>5</sup> Title 17, § 6051(b); DPH ISOR 5–19–11, page 1, second bullet.

<sup>6</sup> Education Code § 47612.5 provides, in part, “(a) Notwithstanding any other provision of law and as a condition of apportionment, a charter school shall do all of the following. . . . (2) Maintain written contemporaneous records that document all pupil attendance and make these records available for audit and inspection.” § 47612.5 (c) provides, in part, “A reduction in apportionment made pursuant to subdivision (a) shall be proportional to the magnitude of the exception that causes the reduction.” § 47634.2(d) provides, “(d) Notwithstanding any other provision of law, charter schools shall be subject, with regard to subdivisions (c) and (d) of Section 47612.5 and this section, to audits conducted pursuant to Section 41020.”

<sup>7</sup> Initial Statement of Reasons, School Immunization Requirements: Grades 7 through 12: FY 2011–12, May 19, 2011, Department of Public Health (Office of Administrative Law File No. 2011–0621–03 E) (“DPH ISOR 5–19–11”).

<sup>8</sup> Commencing July 1, 2011, and inoperative June 30, 2012 (subd. (f) of Health & Safety Code § 120335).

<sup>9</sup> Defined in Title 17, Cal.CodeRegs., § 6000.

but for only 30 *calendar* days and only in the 2011–12 school year.<sup>10</sup>

Title 17 of the California Code of Regulations, Section 6070(d), provides for conditional admission for up to 30 *school* days for pupils who transfer from one school campus to another within California or from out of state if the pupil’s immunization record does not arrive by the time of the pupil’s entry to the new school. The conditional attendance period for transfer pupils under this provision can be approximately two weeks more than the new 30 *calendar* day period authorized by Health and Safety Code Section 120335.1(a).

A charter school is required to describe in its charter petition the maintenance of pupil records and is required to transfer pupil records including health records. (Educ. Code § 47605(b)(5)(P), (d)(3).) All schools are required to have documentation of required immunizations on file. (Health & Safety Code §§ 120335, 120375; Title 17, § 6070.)

If the pupil does not have evidence of the required immunization or an appropriate exemption statement<sup>11</sup> on file by the end of the applicable conditional attendance period, the law requires that the pupil be excluded from attendance. (Health & Safety Code §§ 120335, 120335.1, 120375; Title 17, §§ 6000, 6070.)

Amendments to Section 19850 are proposed for fiscal year 2011–12 to verify charter school compliance with those Health and Safety Code provisions and the implementing regulations (Title 17, § 6000 et seq.).

**§ 19851. Mode of Instruction.**

“Nonclassroom–based instruction” offered by charter schools is defined as instruction that does not meet the requirements specified as a condition of apportionment for “classroom–based instruction.” (Educ. Code § 47612.5(e)(1), (2).) This regulation directs the auditor to determine whether the Average Daily Attendance (ADA) reported as having been generated through classroom–based instruction met the statutory requirements for that classification, and if not, to proceed to evaluate the ADA for compliance with requirements for nonclassroom–based instruction (Section 19852). If inappropriate ADA was claimed, the auditor is to calculate and report applicable penalties.

Section 19851 was previously amended to add procedures applicable to certain fiscal years in accordance with Education Code Section 46201.2, and to display the reduced minimum pupil attendance requirements for classroom based instruction in conformance with the reduction of the minimum instructional time required to be offered pursuant to subdivision (a)(1) of

<sup>10</sup> Added by § 1 of Chapter 123 of the Statutes of 2011 (S.B.614, eff. July 25, 2011).

<sup>11</sup> Title 17, § 6051(b); DPH ISOR 5–19–11, page 1, second bullet.

Education Code Section 47612.5. (Educ. Code § 47612.5(e)(1).)

As explained under Section 19824, above, this rulemaking modifies audit procedures in compliance with funding reductions and concomitant instructional time reductions authorized in three bills related to the 2011–12 state budget.

Section 19851 is modified to conform with an amendment to Education Code Section 46201.2 (Stats. 2011, c. 7 (S.B.70), § 30, eff. March 24, 2011), and for consistency with the changes made based on Education Code Section 46201.3.

**§ 19851.1. Mode of Instruction.**

This new section is applicable to fiscal year 2011–12 only. The new regulation consists of the same audit procedures as subparagraphs (a) and (b) of Section 19851, except that subparagraph (a)(4) reflects the reductions authorized by the provisions of Education Code sections 46201.2 and 46201.3, thus providing clear guidance to auditors.

**§ 19854. Annual Instructional Minutes — Classroom Based.**

This section directs the auditor to determine whether the charter school offered the required numbers of instructional minutes as required by Education Code Section 47612.5(a)(1).<sup>12</sup> If inappropriate ADA was claimed, the auditor is to calculate and report applicable penalties. This regulation was previously amended to bring it into conformance with the reduced instructional time authorized by Education Code Section 46201.2 for certain fiscal years.

This rulemaking modifies audit procedures in compliance with funding reductions and concomitant instructional time reductions provided in three bills re-

lated to the 2011–12 state budget as explained above under § 19824.

Section 19854 is modified to conform with an amendment to Education Code Section 46201.2 (Stats. 2011, c. 7 (S.B.70), § 30, eff. March 24, 2011), and for consistency with the changes made based on Education Code Section 46201.3.

**§ 19854.1 Annual Instructional Minutes — Classroom Based.**

This new section is applicable to fiscal year 2011–12 only. The new regulation consists of the same audit procedures as subparagraphs (a) through (e) of Section 19854, except that subparagraph (b) reflects the reductions authorized by the provisions of Education Code sections 46201.2 and 46201.3, and subparagraph (d) references those further reductions, thus providing clear guidance to auditors.

**DISCLOSURES REGARDING THE PROPOSED ACTION**

1. Mandate on local agencies and school districts pursuant to Government Code Section 17500 et seq.: None.
2. Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500–17630: None.
3. Cost or savings to any state agency: None.
4. Other non–discretionary cost or savings imposed upon local educational agencies: None.
5. Cost or savings in federal funding to the state: None.
6. Significant effect on housing costs: EAAP has made an initial determination that the proposed regulatory action would not affect housing costs.
7. Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.
8. Results of the Economic Impact Assessment: Adoption of these regulations will not:
  - create or eliminate jobs within California;
  - create new businesses or eliminate existing businesses within California; or
  - affect the expansion of businesses currently doing business within California.
9. Benefits of the proposed regulations: The pertussis regulations will benefit the health and welfare of California residents. None of the proposed regulations will affect worker safety or the state’s environment.
10. Cost impact on a representative private person or business: The agency is not aware of any cost

<sup>12</sup> Education Code § 47612.5 provides, in part, “(a) Notwithstanding any other provision of law and as a condition of apportionment, a charter school shall do all of the following. . . . (1) For each fiscal year, offer, at a minimum, the following number of minutes of instruction: (A) To pupils in kindergarten, 36,000 minutes. (B) To pupils in grades 1 to 3, inclusive, 50,400 minutes. (C) To pupils in grades 4 to 8, inclusive, 54,000 minutes. (D) To pupils in grades 9 to 12, inclusive, 64,800 minutes.” § 47612.5(c) provides, “(c) A reduction in apportionment made pursuant to subdivision (a) shall be proportional to the magnitude of the exception that causes the reduction. For purposes of paragraph (1) of subdivision (a), for each charter school that fails to offer pupils the minimum number of minutes of instruction specified in that paragraph, the Superintendent shall withhold from the charter school’s apportionment for average daily attendance of the affected pupils, by grade level, the sum of that apportionment multiplied by the percentage of the minimum number of minutes of instruction at each grade level that the charter school failed to offer.” § 47634.2(d) provides, “(d) Notwithstanding any other provision of law, charter schools shall be subject, with regard to subdivisions (c) and (d) of Section 47612.5 and this section, to audits conducted pursuant to Section 41020.”

impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

11. Business report (Gov. Code §§ 11346(a)(11), 11346.3(d)): None.
12. Effect on small businesses: The proposed regulations will have no effect on small businesses because they do not materially alter the requirements for LEA audits.

#### CONSIDERATION OF ALTERNATIVES

In accordance with Government Code Section 11346.5(a)(13), a rulemaking agency must determine in the Final Statement of Reasons that no reasonable alternative considered by the agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

EAAP invites interested persons to present statements or arguments regarding alternatives to the proposed regulations during the written comment period.

#### CONTACT PERSONS

Inquiries concerning the substance of the proposed action, requests for a copy of the proposed text of the regulations, the Initial Statement of Reasons, the modified text of the regulations, if any, and other technical information upon which the rulemaking is based, and questions on the proposed administrative action may be directed to Carolyn Pirillo, Staff Counsel, at (916) 445-7745 or by email: [cpirillo@eaap.ca.gov](mailto:cpirillo@eaap.ca.gov). The back-up contact person for general inquiries is Mary C. Kelly, Executive Officer, at (916) 445-7745.

#### AVAILABILITY OF RULEMAKING FILE

The entire rulemaking file will be available for inspection and copying throughout the rulemaking process at EAAP's office at the above address. As of the date this notice is published in the Notice Register, the rulemaking file consists of this notice, the proposed text of the regulations, the initial statement of reasons, and the Economic Impact Assessment, as well as the bill analyses cited in the Informative Digest. A copy may be obtained by contacting Carolyn Pirillo at the above ad-

dress. The bill analyses are also available online at [www.leginfo.ca.gov/bilinfo.html](http://www.leginfo.ca.gov/bilinfo.html).

#### AVAILABILITY OF CHANGED OR MODIFIED TEXT

Following the comment period, and a hearing, if requested, and consideration of all timely and relevant comments received, EAAP may adopt the proposed regulations substantially as described in this notice. If EAAP makes modifications that are sufficiently related to the originally proposed text, the modified text (with changes clearly indicated) will be available to the public for at least 15 days before EAAP adopts the regulations as revised. Requests for copies of any modified regulations should be sent to the attention of Carolyn Pirillo at the address stated above. EAAP will accept written comments on the modified regulations for 15 days after the date on which they are made available.

#### AVAILABILITY OF THE FINAL STATEMENT OF REASONS

Upon completion of the Final Statement of Reasons, a copy may be obtained by contacting Carolyn Pirillo at the above address, or from EAAP's website.

#### AVAILABILITY OF DOCUMENTS ON THE INTERNET

Copies of the Notice of Proposed Rulemaking, Initial Statement of Reasons, text of the regulations in underline and strikeout, any changed or modified text, and the Final Statement of Reasons will be accessible through the EAAP website: [www.eaap.ca.gov](http://www.eaap.ca.gov).

### GENERAL PUBLIC INTEREST

#### TITLE 2. DEPARTMENT OF FAIR EMPLOYMENT AND HOUSING

NOTICE IS HEREBY GIVEN that the prospective contractors listed below have been required to submit a Nondiscrimination Program (NDP) or a California Employer Identification Report (CEIR) to the Department of Fair Employment and Housing, in accordance with the provisions of Government Code Section 12990. No such program or CEIR has been submitted and the prospective contractors are ineligible to enter into State contracts. The prospective contractor's signature on Standard Form 17A, 17B, or 19, therefore, does not constitute a valid self-certification. Until further notice, each of these prospective contractors in order to

submit a responsive bid must present evidence that its Nondiscrimination Program has been certified by the Department.

CESA CONSISTENCY DETERMINATION  
REQUEST FOR  
Brewer Road Bridge at King Slough  
Replacement Project  
(2080–2012–002–02)  
Placer County

The Department of Fish and Game (Department) received a notice on January 19, 2012, that Sycamore Environmental Consultants, Inc., proposes to rely on a consultation between federal and state agencies to carry out a project that may adversely affect a species protected by the California Endangered Species Act (CESA). The Placer County Department of Public Works intends to replace the existing Brewer Road Bridge at King Slough (19C–0112) with a wider, reinforced concrete bridge to improve roadway safety, northwest of the City of Roseville, in Placer County.

The U.S. Fish and Wildlife Service (Service) issued a “no jeopardy” federal biological opinion (File No. 81420–2009–F–1137–2)(BO) and incidental take statement (ITS) to the California Department of Transportation on June 4, 2010 which considered the effects of the project on the State and Federally threatened giant garter snake (*Thamnophis gigas*).

Pursuant to California Fish and Game Code Section 2080.1, Sycamore Environmental Consultants, Inc., is requesting a determination that the BO and ITS are consistent with CESA for purposes of the proposed Project. If the Department determines the BO and ITS are consistent with CESA for the proposed Project, Sycamore Environmental Consultants, Inc., will not be required to obtain an incidental take permit under Fish and Game Code section 2081 for the Project.

The Department of Fish and Game (Department) received a notice on January 19, 2012, that Sycamore En-

vironmental Consultants, Inc., proposes to rely on a consultation between federal and state agencies to carry out a project that may adversely affect a species protected by the California Endangered Species Act (CESA). The Placer County Department of Public Works intends to replace the existing Brewer Road Bridge at Markham Ravine (19C-0138) with a wider, reinforced concrete bridge to improve roadway safety, northwest of the City of Roseville, in Placer County.

The U.S. Fish and Wildlife Service (Service) issued a “no jeopardy” federal biological opinion (File No. 81420-2009-F-1139-2)(BO) and incidental take statement (ITS) to the California Department of Transportation on June 11, 2010 which considered the effects of the project on the State and Federally threatened giant garter snake (*Thamnophis gigas*).

PROPOSED RESEARCH ON FULLY  
PROTECTED SPECIES  
Population Monitoring of California Rails

The Department of Fish and Game (Department) received a proposal on April 26, 2011, revised on January 18, 2012, from Ian E.D. Maunsell, Chambers Group, Inc., San Diego, CA, requesting authorization to survey and monitor light-footed clapper rail (*Rallus longirostris obsoletus*) and Yuma clapper rail (*R. l. yumanesis*) (clapper rails), and California black rail (*Laterallus jamaicensis conturniculus*) (hereinafter referred to as rails), which are Fully Protected birds. Proposed activities are consistent with the conservation and recovery of the rails by identifying population trends and newly populated habitat. The applicant is required to have a Scientific Collecting Permit (SCP) for research on Fully Protected birds. Permit conditions require that the holder of an SCP obtain special authorization from the Department for research on Fully Protected species.

The applicant proposes to conduct presence/absence surveys throughout the range of each species in accor-

dance with standard protocols. No adverse effects on individual rails, nests, or rail populations are anticipated. The Department may issue, under specified conditions, Memoranda of Understanding (MOU) that would authorize the applicant to carry out the proposed activities. Because clapper rails are also federally endangered species, applicants are required to possess a valid federal threatened and endangered species recovery permit. The applicant has obtained this federal permit.

Pursuant to California Fish and Game Code (FGC) Section 3511(a)(1), the Department may authorize take of Fully Protected bird species after 30 days notice has been provided to affected and interested parties through publication of this notice. If the Department determines that the proposed research is consistent with the requirements of FGC Section 3511 for Fully Protected birds, it would issue the authorization on or after March 3, 2012, for an initial and renewable term of two years. The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals which are shown with a strikethrough were placed on the list with the date noted, and have subsequently been removed.

**A CHEMICAL LISTED EFFECTIVE February 3,  
2012 AS KNOWN TO THE STATE OF  
CALIFORNIA TO CAUSE CANCER**

Effective **February 3, 2012**, the Office of Environmental Health Hazard Assessment (OEHHA) is adding *kresoxim-methyl* (CAS No. 143390-89-0) to the list of

chemicals known to the State to cause cancer for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65<sup>1</sup>).

The listing of *kresoxim-methyl* is based on formal identification by an authoritative body<sup>2</sup>, the U. S. Environmental Protection Agency (U.S. EPA), that the chemical causes cancer. The criteria used by OEHHA for the listing of chemicals under the “authoritative bodies” mechanism can be found in Title 27, Cal. Code of Regs., section 25306.

The documentation supporting OEHHA’s determination that the criteria for administrative listing have been satisfied for the chemical *kresoxim-methyl* is included in the Notice of Intent to List *Kresoxim-Methyl* and *Tetraconazole* published in the December 2, 2011 issue of the California Regulatory Notice Register (Register 2011, No. 48-Z).

A complete, updated chemical list is published in this issue of the *California Regulatory Notice Register* and is available on the OEHHA website at [www.oehha.ca.gov](http://www.oehha.ca.gov).

In summary, the following chemical is being listed under Proposition 65 as known to the State to cause cancer:

<b>Chemical</b>	<b>CAS No.</b>	<b>Toxicological Endpoints</b>	<b>Listing Mechanism<sup>3</sup></b>
Kresoxim-methyl	143390-89-0	cancer	AB

<sup>1</sup> Health and Safety Code section 25249.5 et seq.

<sup>2</sup> See Health and Safety Code, section 25249.8(b) and Title 27, Cal. Code of Regs., section 25306.

<sup>3</sup> Listing mechanism: AB — “authoritative bodies” mechanism (Title 27, Cal. Code of Regs. section 25306).

**BOARD OF FORESTRY AND FIRE PROTECTION**  
 State Responsibility Area Fees, 2012

This emergency rulemaking action implements Assembly Bill X1 29 (Chapter 8 of 2011) by adding sections 1665.1 through 1665.8 to Title 14 of the California Code of Regulations. The regulations define necessary terms for the assessment of fire prevention activity fees on structures located in State Responsibility Areas. The new regulations also specify, among other things, an appeal process which property owners may use to challenge assessed fees, a fee reduction for structures located in both a State Responsibility Area and a local fire protection district, and a list of fire prevention activities for which the revenues generated by the fees may be used pursuant to grants administered by the Board of Forestry and Fire Protection.

 Recall of Commitment

This is the certification of an emergency by operational necessity that concerns the recall of commitment (compassionate release) of inmates. This action adopts and amends provisions governing the recall of commitment for eligible inmates who have been determined to be permanently medically incapacitated. Previously, only those inmates who were terminally ill with a six month prognosis were eligible. Penal Code section 1170 now provides for eligibility for both. These regulatory amendments revise the terminally ill provisions

(section 3076.1) which relate to Penal Code section 1170(d) and adopt provisions with respect to the permanently medically incapacitated inmates as provided in Penal Code section 1170(e).

 Anastrepha Striata Eradication Area

The Department of Food and Agriculture submitted this timely Certificate of Compliance action to make permanent the emergency adoption of title 3, California Code of Regulations, section 3591.25 in OAL File No. 2011-1007-01E. The emergency action established San Diego County as an eradication area for the New World guava fruit fly, *Anastrepha striata*, listed 48 host plants and included as hosts any soil or planting media within the drip area of plants that produce host fruit, and established the means and methods that may be used for eradication of the insect. The adoption of section 3591.25 provides authority for the state to perform specific detection, delimitation, control, and eradication activities against the New World guava fruit fly in San Diego County.

STANDARDS BOARD  
Federal Final Rule, Standards Completion Project—  
Phase III

The Occupational Safety and Health Standards Board submitted this file and print action, pursuant to Labor Code section 142.3(a)(3), to amend 12 sections and to adopt one section under title 8 of the California Code of Regulations. The board adopted regulations substantially the same as recent amendments to federal standards adopted by the U.S. Department of Labor, Occupational Safety and Health Administration addressing the Standards Improvement Project, Phase III. The federal regulatory amendments were published on June 8, 2011 in Federal Register, Vol. 76, No. 110, pages 33590-33612 and became effective on July 8, 2011. This action addresses updated requirements in areas such as respiratory protection pertaining to the use and maintenance of breathing gas containers; safe operating practices for chain and wire rope slings including the labeling of chains, slings and shackles; employee lead exposure monitoring; medical removal protection; and construction industry material handling (rigging) equipment.
