---

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER (USPS 002-931), (ISSN 1041-2654) is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Barclays, a subsidiary of West, a Thomson Reuters Business, and is offered by subscription for \$205.00 (annual price). To order or make changes to current subscriptions, please call (800) 888-3600. "Periodicals Postage Paid in Saint Paul, MN." **POSTMASTER:** Send address changes to the: CALIFORNIA REGULATORY NOTICE REGISTER, Barclays, a subsidiary of West, a Thomson Reuters Business, P.O. Box 2006, San Francisco, CA 94126. The Register can also be accessed at <http://www.oal.ca.gov>.

## PROPOSED ACTION ON REGULATIONS

*Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.*

### TITLE 3. DEPARTMENT OF FOOD AND AGRICULTURE

The Department of Food and Agriculture amended Section 3437(b) of the regulations in Title 3 of the California Code of Regulations pertaining to European Grapevine Moth (EGVM) Interior Quarantine as an emergency action that was effective on March 8, 2012. The Department proposes to continue the regulation as amended and to complete the amendment process by submission of a Certificate of Compliance no later than September 4, 2012.

This notice is being provided to be in compliance with Government Code Section 11346.4.

#### PUBLIC HEARING

A public hearing is not scheduled. A public hearing will be held if any interested person, or his or her duly authorized representative, submits a written request for a public hearing to the Department no later than 15 days prior to the close of the written comment period.

#### WRITTEN COMMENT PERIOD

Any interested person or his or her authorized representative may submit written comments relevant to the proposed amendment to the Department. Comments may be submitted by mail, facsimile (FAX) at 916.654.1018 or by email to [sbrown@cdfa.ca.gov](mailto:sbrown@cdfa.ca.gov). The written comment period closes at 5:00 p.m. on August 6, 2012. The Department will consider only comments received at the Department offices by that time. Submit comments to:

Stephen Brown  
Department of Food and Agriculture  
Plant Health and Pest Prevention Services  
1220 N Street Sacramento, CA 95814  
[sbrown@cdfa.ca.gov](mailto:sbrown@cdfa.ca.gov)  
916.654.1017  
916.654.1018 (FAX)

Following the public hearing if one is requested, or following the written comment period if no public hear-

ing is requested, the Department of Food and Agriculture, at its own motion, or at the instance of any interested person, may adopt the proposal substantially as set forth without further notice.

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law provides that the Secretary is obligated to investigate the existence of any pest that is not generally distributed within this State and determine the probability of its spread, and the feasibility of its control or eradication (Food and Agricultural Code (FAC) Section 5321).

Existing law also provides that the Secretary may establish, maintain and enforce quarantine, eradication and other such regulations as he deems necessary to protect the agricultural industry from the introduction and spread of pests (FAC Sections 401, 403, 407 and 5322). Existing law also provides that eradication regulations may proclaim any portion of the State as an eradication area and set forth the boundaries, the pest, its hosts and the methods to be used to eradicate the pest (FAC Section 5761).

This regulatory action removes *Rubus* as a host and quarantine restrictions by deregulating the entire counties of Fresno (approximately 96 square miles), Mendocino (approximately 179 square miles), Merced (approximately 108 square miles) and San Joaquin (approximately 96 square miles). This emergency regulatory action also resulted in the reduction of the quarantine area in Napa County by approximately 22 square miles, in Nevada County by approximately 142 square miles, in Santa Clara County by approximately 56 square miles, in Santa Cruz County by approximately 53 square miles, in Sonoma County by approximately 436 square miles and in Solano County approximately 113 square miles for a total of approximately 822 square miles. The grand total reduction was 50 percent or approximately 1,301 square miles.

The total remaining quarantine area will be approximately 1,303 square miles. The contiguous quarantine area in the counties of Napa (approximately 575 square miles), Sonoma [approximately 228 square miles (It should be noted that due to a previously unaccounted find, approximately three square miles were also added to Sonoma County.)] and Solano (approximately 124 square miles) will be approximately 927 square miles; Santa Clara will be approximately 38 square miles; Santa Cruz will be approximately 34 square miles; and, Nevada County will be approximately 74 square miles (Grass Valley area approximately 34 square miles and Nevada City area approximately 40 square miles).

The specific anticipated benefits of the amendment of this regulation are to:

- Enable the Department and affected county agricultural commissioners to save the time and resources which would continue to be used for quarantine enforcement activities in areas where there is no longer a need to do so.
- All eradication activities cease in the deregulated areas and the general public is no longer impacted; applications of organic pesticides, fruit or blossom stripping of grapes and olives will no longer be conducted on homeowners' properties.
- California is faced with constant pressure from other exotic invasive species and has numerous other quarantine projects in place. The reduction of this quarantine area by approximately 50 percent enables the Department's Emergency Quarantine Response Program to focus on these other quarantine projects.
- Previously, the Department estimated that a representative private person or business within the quarantine areas could incur average costs of approximately \$881 annually. There are over 3,193 businesses which will no longer be regulated. This results in an annual savings of over \$2,813,033 for these previously affected businesses.
- A total of 132,838 acres (126,904 acres of grapes, 183 acres of olives, 5,751 acres of fruit other than grapes and olives) will no longer be regulated in Fresno, Mendocino, Merced and San Joaquin counties. An additional 27,841 acres of wine grapes were deregulated in Sonoma county.
- The United States Department of Agriculture (USDA) maintains a parallel federal domestic quarantine regulating the interstate movement of host material which implements the proposed quarantine boundary which was jointly developed. The implementation of this State regulation removed areas from quarantine; those affected businesses which were previously under quarantine may resume shipping both intrastate and interstate without State or federal restrictions.
- If a business within the previously regulated area had to perform quarantine treatments in order to move host commodities out of the area for either intrastate or interstate movement, these treatments would no longer be required. Although there is no known harm caused to the environment by the performance of these treatments, this action eliminates any potential environmental impacts resulting from this activity which is no longer needed.
- There are hundreds of businesses located throughout California which do business authorized under the terms of a compliance agreement with businesses located within the area proposed for deregulation. The terms of a compliance agreement are authorized by a State permit and the regulated host commodity requires special handling by the receiver at destination. An example is a business located outside the regulated area which receives bulk grapes for crush from within the regulated area. These shipments of bulk grapes currently require special handling. If the business shipping the bulk grapes becomes deregulated, then these special handling requirements are no longer required by the receiver and the receiver benefits too.
- Canada and Mexico have trade restrictions on host commodities produced or shipped from EGVM regulated areas. The growers and shippers of host commodities located in the deregulated and reduced quarantine areas should benefit by having these trade restrictions lifted. All EGVM quarantine restrictions were lifted from the San Joaquin Valley where most of California's table grapes and stone fruits are exported from. This new area-wide freedom from EGVM instills confidence with our trading partners that we have a successful quarantine program in place.
- The majority of affected growers have been voluntarily performing integrated pest management activities targeting EGVM to reduce its populations which can be a significant cost to the grower. This reduction in the area under quarantine should encourage the remaining affected growers to continue to perform these integrated pest management activities which also benefits the Department's goals of having successful quarantine and eradication programs.
- By the same token, those growers who were removed from the regulated area will no longer be performing integrated pest management activities specifically targeting EGVM and will not incur these added voluntary costs and there will be less pesticide use targeting this exotic pest.
- Nonmonetary benefits include that it demonstrates to those still within the regulated area that the Department is conducting a successful eradication program against the EGVM. This should help encourage those affected businesses and representative private persons who will remain within the quarantine area to continue to comply with the quarantine restrictions.

- The “wine country” is a prominent area for tourism and the uncontrolled spread of an exotic pest such as EGVM may have long-term negative impacts on tourism.
- Existing law, FAC section 407, provides that the Secretary may adopt such regulations as are reasonably necessary to carry out the provisions of this code which she is directed or authorized to administer or enforce. Existing law, FAC section 5322, provides that the Secretary may establish, maintain, and enforce quarantine, eradication, and such other regulations as are in her opinion necessary to circumscribe and exterminate or prevent the spread of any pest which is described in Section 5321. The goal of quarantine regulations is to prevent the artificial spread of exotic pests by human-assisted movement. The goal of eradication regulations is to eradicate, control or suppress a pest population within a given area. In this case, all of the primary goals of the enabling statutes have been achieved.
- FAC section 401.5 states, “the department shall seek to protect the general welfare and economy of the state and seek to maintain the economic well-being of agriculturally dependent rural communities in this state.” All of the affected counties had agriculturally dependent communities impacted by incipient infestations of EGVM. Conducting successful quarantine and eradication programs enabling four entire counties to be removed from the regulation and reducing the quarantine area in the remaining affected counties is achieving this statutory goal.

The Department has evaluated and determined that the amendment of this regulation is not inconsistent with existing State regulations. There are no other comparable existing State regulations [Gov. Code sec. 11346.5(a)(3)(D)].

There is no existing, comparable federal regulation or statute.

#### DISCLOSURES REGARDING THE PROPOSED ACTION

*The Department has made the following initial determinations:*

Mandate on local agencies and school districts: None.  
 Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500 through 17630: None and no other non-discretionary costs or savings to local agencies or school districts.

Cost or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or business: The estimated cost impact of the adopted regulation on a representative private person or business is not expected to be significantly adverse. A representative business would no longer incur costs of approximately \$881 annually.

Significant effect on housing costs: None.

#### *Small Business Determination*

The Department has determined that the proposed regulations may affect small business.

#### RESULTS OF THE ECONOMIC IMPACT ANALYSIS

Amendment of these regulations will not:

- (1) Create or eliminate jobs within California;
- (2) Create new businesses or eliminate existing businesses within California; or
- (3) Affect the expansion of businesses currently doing business within California.

The Department is not aware of any specific benefits of the amendment of this regulation to the general health and welfare of California residents or worker safety. The removal and reduction of these quarantine areas benefits the welfare of those California residents who no longer have to comply with unnecessary State restrictions, and it promotes the economic well-being of agriculturally dependent rural communities. Quarantine treatment and enforcement activities have ceased in this area and these benefit the environment by eliminating any potential environmental impacts by these activities [Gov. Code sec. 11346.3(b)].

#### ALTERNATIVES CONSIDERED

The Department must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law than the proposal described in this Notice.

#### AUTHORITY

The Department adopted Section 3437 pursuant to the authority vested by Sections 407, 5301, 5302 and 5322 of the Food and Agricultural Code of California.

REFERENCE

The Department adopted Section 3437 to implement, interpret and make specific Sections 5301, 5302 and 5322, Food and Agricultural Code.

CONTACT

The agency officer to whom written comments and inquiries about the initial statement of reasons, proposed actions, location of the rulemaking files, and request for a public hearing may be directed is: Stephen S. Brown, Department of Food and Agriculture, Plant Health and Pest Prevention Services, 1220 N Street, Room A-316, Sacramento, California 95814, (916) 654-1017, FAX (916) 654-1018, E-mail: sbrown@cdfa.ca.gov. In his absence, you may contact Lindsay Rains at (916) 654-1017. Questions regarding the substance of the proposed regulation should be directed to Stephen S. Brown.

INTERNET ACCESS

The Department has posted the information regarding this proposed regulatory action on its Internet Web site ([www.cdfa.ca.gov/cdfa.pendingregs](http://www.cdfa.ca.gov/cdfa.pendingregs)).

AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

The Department of Food and Agriculture has prepared an initial statement of reasons for the proposed actions, has available all the information upon which its proposal is based, and has available the express terms of the proposed action. A copy of the initial statement of reasons and the proposed regulations in underline and strikeout form may be obtained upon request. The location of the information on which the proposal is based may also be obtained upon request. In addition, when completed, the final statement of reasons will be available upon request. Requests should be directed to the contact named herein.

If the regulations adopted by the Department differ from, but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency officer (contact) named herein.

TITLE 10. DEPARTMENT OF INSURANCE

STANDARDS FOR REPAIR AND USE OF AFTERMARKET PARTS

DATE: June 12, 2012 CDI REGULATION FILE: REG-2011-00024

SUBJECT OF PROPOSED RULEMAKING

Notice is hereby given that a public hearing will be held regarding the amendment of Article 1 to be set forth in Title 10, Chapter 5, Subchapter 7.5 of the California Code of Regulations ("CCR"). (All references to CCR sections in this Notice are references to sections in CCR Title 10.) The proposed changes consist of amendments to Sections 2695.8.

The proposed regulations implement, interpret, and make specific the provisions of Insurance Code Section 790.03, defining prohibited acts under Article 6.5, Unfair Practices, of the Insurance Code.

AUTHORITY AND REFERENCE

The Department of Insurance proposes the amendment of California Code of Regulations Title 10, Chapter 5, Subchapter 7.5, Article 1, Section 2695.8 pursuant to the authority vested in it by Insurance Code Sections 790.10, 12921 and 12926. The proposed regulations will implement, interpret and make specific the provisions of Insurance Code Section 790.03.

HEARING DATE AND LOCATION

The Department of Insurance will hold a public hearing to provide all interested persons an opportunity to present statements or arguments, either orally or in writing, with respect to the proposed regulations, as follows:

**Date and time:** Thursday, August 9, 2012, at 10:00 a.m.  
**Location:** Employment Development Department Auditorium 722 Capitol Mall Sacramento, CA 95814

The hearing will continue on the date noted above until all testimony has been submitted or 4:00 p.m., whichever is earlier.

PRESENTATION OF WRITTEN AND/OR ORAL COMMENTS; CONTACT PERSONS

All persons are invited to submit written comments on the proposed regulations during the public comment period. **The public comment period will end at 5:00 p.m. on August 9, 2012.** Please direct all written comments to the following contact person:

Teresa R. Campbell, Assistant Chief Counsel  
California Department of Insurance  
45 Fremont Street, 21st Floor  
San Francisco, CA 94105  
Telephone: (415) 538-4192

Questions regarding procedure, comments, or the substance of the proposed action should be addressed to the above contact person. In the event the contact person is unavailable, inquiries regarding the proposed action may be directed to the following backup contact person:

Lisa Marshall, Staff Counsel  
California Department of Insurance  
45 Fremont Street, 21st Floor  
San Francisco, CA 94105  
Telephone: (415) 538-4192

DEADLINE FOR WRITTEN COMMENTS

All written materials must be received by the Department of Insurance, addressed to the contact person at her address listed above, **no later than 5:00 p.m. on August 9, 2012.** Any written materials received after that time may not be considered.

COMMENTS TRANSMITTED BY E-MAIL OR FACSIMILE

The Department of Insurance will accept written comments transmitted by e-mail provided they are sent to the following e-mail address: [campbellt@insurance.ca.gov](mailto:campbellt@insurance.ca.gov). The Department of Insurance will also accept written comments transmitted by facsimile provided they are directed to the attention of Teresa R. Campbell and sent to the following facsimile number: (415) 904-5490. **Comments sent to other e-mail addresses or other facsimile numbers will not be accepted. Comments sent by e-mail or facsimile are subject to the deadline set forth above for written comments.**

ACCESS TO HEARING ROOMS

The facilities to be used for the public hearing are accessible to persons with mobility impairments. Persons

with sight or hearing impairments are requested to notify the contact person(s) for the hearing in order to make special arrangements, if necessary.

ADVOCACY OR WITNESS FEES

Persons or groups representing the interests of consumers may be entitled to reasonable advocacy fees, witness fees, and other reasonable expenses, in accordance with the provisions of Title 10 of the California Code of Regulations, in connection with their participation in this matter. Interested persons should contact the Office of the Public Advisor at the following address to inquire about the appropriate procedures:

California Department of Insurance  
Office of the Public Advisor  
45 Fremont Street, 24th Floor  
San Francisco, CA 94105  
(415) 538-4129

A copy of any written materials submitted to the Public Advisor regarding this rulemaking must also be submitted to the contact person for this hearing. Please contact the Office of the Public Advisor for further information.

INFORMATIVE DIGEST

**Policy Statement Overview**

The current law with regard to an insurer's standards for adjusting and settling automobile insurance claims and use of aftermarket parts has been in existence since 1993 in substantially the same scope as currently in the California Code of Regulations, CCR, Title 10, Section 2695.8.

Subdivision (f) of section 2695.8 governs how insurers are to handle partial losses for automobile insurance claims settled on the basis of a written estimate prepared by or for the insurer. Currently, the insurer must provide a copy of the estimate to the claimant and the estimate must be in an amount which will allow for the repairs to be made in a workmanlike manner. Additionally, when the claimant contends the cost of repair to a vehicle exceeds the insurer's written estimate, the insurer shall (1) pay the difference between the two written estimates or (2) if requested by claimant, provide the name of at least one shop that will repair the vehicle for the amount of the insurer's estimate, or (3) reasonably adjust the written estimate prepared for the claimant by the body shop of his/her choice and provide a copy of adjusted estimate to the claimant.

Subdivision (g) of section 2695.8 prohibits an insurer from requiring the use of non-original equipment manufacturer (aftermarket) replacement crash parts in the repair of an automobile unless certain conditions are

met. Those conditions include: (1) the part must be at least equal to the original equipment manufacturer (OEM) part in terms of kind, quality, safety, fit, and performance; (2) insurers requiring the use of the part shall pay the cost of any modifications to the parts which may become necessary to effect the repair; (3) insurers requiring the use of the part must warrant that such parts are of like kind, quality, safety, fit, and performance as original equipment manufacturer replacement crash parts; (4) the part must carry sufficient permanent, non-removable identification so as to identify the manufacturer; and (5) the use of non-original equipment manufacturer replacement crash parts is disclosed in accordance with section 9875 of the California Business and Professions Code.

The purpose of these long-standing laws is to protect the public from financial and physical harms caused by inferior repairs or defective aftermarket parts and to maintain insurer accountability in the process. Performing repairs in a manner that is not compliant with current repair standards or placing an inferior aftermarket part in a vehicle may cause the vehicle's value to depreciate. Also, a part that is not of like kind, quality, safety, fit, and performance may cause injury or even death if it malfunctions.

After several years of evaluating this law and investigating complaints from the consumers and auto repair shops, the Department of Insurance has concluded that disputes regarding the true cost of repairs of damaged vehicles and the applicable repair standard required to comply with the current regulation continue to negatively affect the claims-handling process. Additionally, aftermarket parts that are not compliant with the current regulations continue to infiltrate the repair process threatening public safety. The Department is also aware of substantial costs borne by auto repair shops and their customers associated with installing defective or poorly fitting parts required by insurers.

The proposed amendments are intended to address these and related issues. The Department of Insurance proposes to amend these regulations in order to achieve the goal of clarifying and making more specific an insurer's obligation to provide prompt, fair and equitable settlements that allow for the vehicle repair be made in a workmanlike manner, particularly when the repair includes using an aftermarket part. The proposed amendments are intended to address the problems that policyholders and third party claimants have when insurers require them to install defective or poorly fitting replacement or crash parts. The proposed amendments will improve public health and safety by mandating improved repair standards and better fitting parts to be used in vehicle repairs, which will result in safer cars and possibly produce a savings in liability insurance premiums. Ad-

ditionally, the added disclosures and reporting safeguards provided by the proposed amendments increase the overall transparency in the insurance claims transaction and maintain insurers' accountability in the process.

**Summary of Existing Law; Effect of Proposed Action**

**Section 2695.8(f)**

Section 2659.8(f) governs how insurers are to handle partial losses for automobile insurance claims settled on the basis of a written estimate prepared by or for the insurer. Currently, the insurer must provide a copy of the estimate to the claimant and the estimate must be in an amount which will allow for the repairs to be made in a workmanlike manner. Additionally, when the claimant contends the cost of repair to a vehicle exceeds the insurer's written estimate, the insurer shall (1) pay the difference between the two written estimates or (2) if requested by claimant, provide the name of at least one shop that will repair the vehicle for the amount of the insurer's estimate, or (3) reasonably adjust the written estimate prepared for the claimant by the body shop of his/her choice and provide a copy of adjusted estimate to the claimant.

The proposed amendments to Section 2695.8(f) will have the effect of clarifying the standard for completing a repair in a workmanlike manner and what is required of the insurer if it chooses to reasonably adjust the estimate obtained by the claimant. Under the proposed amendment, the insurer has provided an estimate in an amount to provide a workmanlike repair when the amount allowed for repairs is sufficient for the repairs to be completed in accordance with accepted trade standards as defined in Section 9889.51 of the Business and Professions Code and associated regulations and do not willfully deviate from those standards or the guidelines provided by the estimating software.

**Section 2695.8(g)**

Section 2695.8(g) prohibits an insurer from requiring the use of non-original manufacturer replacement crash (aftermarket) parts unless certain criteria are met. The effect of the proposed amendments is to clarify the current criteria and provide additional requirements to ensure noncompliant parts are removed from circulation and that claimants are paid for any additional costs associated with installing an aftermarket part.

**Notes: Authority and Reference**

The Note section currently cites Section 790.03(c) and 790.03(h)(3) as references for the current regulations. The proposed amendment has the effect of consolidating those two sections to a single reference to Section 790.03.

COMPARABLE FEDERAL LAW

There are no existing federal regulations or statutes comparable to the proposed regulations.

CONSISTENCY OR COMPATIBILITY WITH EXISTING STATE REGULATIONS

The proposed regulations implement, interpret, and make specific the provisions of Insurance Code Section 790.03. The amendments further clarify the terms used in the statute and existing regulations and make specific how insurers are to comply with the statute. The proposed regulations are not inconsistent or incompatible with any existing state regulations.

MANDATES ON LOCAL AGENCIES OR SCHOOL DISTRICTS

The proposed regulations do not impose any mandate on local agencies or school districts. There are no costs to local agencies or school districts for which Part 7 (commencing with Section 17500) of Division 4 of the Government Code would require reimbursement.

COST OR SAVINGS TO ANY STATE AGENCY, LOCAL AGENCY OR SCHOOL DISTRICT OR IN FEDERAL FUNDING

The Department of Insurance has determined that the proposed regulations will result in no cost or savings to any state agency, no cost to any local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code, no other nondiscretionary cost or savings imposed on local agencies, and no cost or savings in federal funding to the State.

SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESSES, INCLUDING THE ABILITY OF CALIFORNIA BUSINESSES TO COMPETE

The Department of Insurance has made an initial determination that the proposed amendment of the regulations will not have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The types of businesses that may be affected are insurance companies and auto body repair shops.

The Department of Insurance expects that the proposed regulations will create only insignificant cost impacts on insurers. The proposed amendments require

insurers make some minor changes to their written estimate forms to include the required warranty disclosure. Additionally, there may be some additional cost to insurers to implement procedures to notify the body shops, parts manufacturers and distributors of particular parts that are not of like kind, quality, safety, fit, and performance, but those should not impose any significant cost.

The Department of Insurance has considered proposed alternatives that would lessen any adverse economic impact on business, and it invites you to submit proposals. Submissions may include the following considerations:

- (i) The establishment of differing compliance or reporting requirements or timetables that take into account the resources available to businesses.
- (ii) Consolidation or simplification of compliance and reporting requirements for businesses.
- (iii) The use of performance standards rather than prescriptive standards.
- (iv) Exemption or partial exemption from the regulatory requirements for businesses.

POTENTIAL COST IMPACT ON REPRESENTATIVE PRIVATE PERSONS OR ENTITIES/BUSINESSES

The Department of Insurance is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

STATEMENT OF THE RESULTS OF THE ECONOMIC IMPACT ASSESSMENT

The Department of Insurance is required to assess any impact the proposed regulations may have on the creation or elimination of jobs within the State of California, the creation of new businesses or the elimination of existing businesses within the State of California, the expansion of businesses currently doing business within the State of California, and the benefits of the proposed regulations to the health and welfare of California residents, worker safety, and the state's environment.

Neither the proposed amendments, nor the alternatives set forth in the Initial Statement of Reasons will have a discernable effect on possible changes in employment, including the creation or elimination of jobs within the State of California, the creation of new businesses or the elimination of existing businesses within the State of California, or the expansion of businesses currently doing business within the State of California. These determinations were made by evaluating the

changes in personal income, or Gross State Product (GSP) that could result from this action. Employment, business formation and changes in both components are captured in GSP and similar national measures of output.

Also, CDI has evaluated whether the proposed amendments impair the ability of California businesses to compete with businesses in other states, whether the regulations impact insurers or other businesses or industries and whether they affect the ability of California insurers to compete with insurers in other states. CDI concluded that the proposed amendments will have an insignificant economic impact.

CDI has also determined that the proposed regulations will be beneficial to the welfare of California residents. The proposed regulation is expected to improve the health of California residents who are involved in crashes. When motorists repair their vehicles with safer parts, drivers of the repaired car, other drivers and the highways should be safer.

The full text of the Department of Insurance's assessment is set forth in the Economic Impact Assessment, a copy of which is included in the rulemaking record.

#### FINDING OF NECESSITY FOR APPLICATION TO BUSINESS

The Department of Insurance finds that it is necessary for the welfare of the people of the state that the regulations apply to businesses.

#### IMPACT ON HOUSING COSTS

The proposed regulations will have no significant effect on housing costs.

#### ALTERNATIVES

The Department of Insurance must determine that no reasonable alternative considered by the Department of Insurance or that has otherwise been identified and brought to the attention of the Department of Insurance would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

#### IMPACT ON SMALL BUSINESS

The Department of Insurance has not identified a reasonable alternative to the presently proposed regula-

tions, nor have any such alternatives otherwise been identified and brought to the attention of the Department, that would lessen any adverse impact on small businesses.

The Department of Insurance has determined that the proposed regulations will affect insurance companies. Insurance companies are not small businesses pursuant to California Government Code Section 11342.610(b)(2).

#### TEXT OF REGULATIONS AND STATEMENTS OF REASONS

The Department of Insurance has prepared an Initial Statement of Reasons that sets forth the reasons for the proposed action. Upon request, the Initial Statement of Reasons will be made available for inspection and copying. Requests for the Initial Statement of Reasons or questions regarding this proceeding should be directed to the contact person listed above. Upon request, the Final Statement of Reasons will be made available for inspection and copying once it has been prepared. Requests for the Final Statement of Reasons should be directed to the contact person listed above.

The file for this proceeding, which includes a copy of the express terms of the proposed regulations, the Statement of Reasons, the information upon which the proposed action is based, and any supplemental information, including any reports, documentation and other materials related to the proposed action that is contained in the rulemaking file, is available by appointment for inspection and copying at 45 Fremont Street, 21st Floor, San Francisco, California 94105, between the hours of 9:00 a.m. and 4:30 p.m., Monday through Friday.

#### AUTOMATIC MAILING

A copy of this Notice, including the informative digest, which contains the general substance of the proposed regulations, as well as a copy of the proposed regulations, will automatically be sent to all persons on the Commissioner's mailing list.

#### WEBSITE POSTINGS

Documents concerning this proceeding are available on the Department of Insurance's website. To access them, go to <http://www.insurance.ca.gov>. Find at the right side of the page the heading "QUICK LINKS." The first item in this column under this heading is "Online Services"; on the drop-down menu for this item, select "Search for Proposed Regulations." When the "Search for Proposed Regulations" screen appears, you can choose to either search currently proposed regulations or search by keyword.

To browse “Currently Proposed Regulations”, click on the “Currently Proposed Regulations” button near the top of the screen. A list of the names of regulations for which documents are posted will appear. Find in the list the “Repair Standards” link, and click it. Links to the documents associated with these regulations will then be displayed.

To search by key word, enter “REG–2011–00024” (the Department of Insurance’s regulation file number for these regulations) in the search field. Alternatively, search by using a keyword (“repair standards,” for example, or “aftermarket parts”). Then, click on the “Submit” button to display links to the various filing documents.

MODIFIED LANGUAGE

If the regulations adopted by the Department of Insurance differ from those that have originally been made available but are sufficiently related to the action proposed, the full text of the regulations will be available to the public for at least 15 days prior to the date of adoption. Interested persons should request a copy of these regulations prior to adoption from the contact person listed above.

**TITLE 16. CALIFORNIA ARCHITECTS BOARD LANDSCAPE ARCHITECTS TECHNICAL COMMITTEE**

NOTICE IS HEREBY GIVEN that the California Architects Board (Board) is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the office of the **California Architects Board, 2420 Del Paso Road, Sequoia Room, Sacramento, California, 95834, on August 6, 2012 at 10:30 a.m.** Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office no later than 5:00 p.m. on **August 6, 2012** or must be received by the Board at the hearing.

The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who

have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by section 5630 of the Business and Professions Code (BPC), and to implement, interpret or make specific BPC section 5630, the Board is considering changes to Division 26 of Title 16 of the California Code of Regulations (CCR) as follows:

INFORMATIVE DIGEST

A. Informative Digest

BPC section 5630 authorizes the Board to adopt, amend, or repeal rules and regulations, in accordance with the provisions of the Administrative Procedure Act that are reasonably necessary in order to carry out the provisions of law relating to the practice of landscape architecture. BPC section 5630 also authorizes the Board to establish criteria for approving schools of landscape architecture.

B. Policy Statement Overview/Anticipated Benefits of Proposal

**Amend Section 2620.5 — Requirements for an Approved Extension Certificate Program**

This proposal would retain the Board’s existing extension certificate program requirements and do the following: 1) amend subsection 2620.5(a) to remove the outdated reference to section 94900 of the Education Code; 2) amend subsections 2620.5(g) and (h) to clearly specify the responsibilities of the program director and his/her qualifications; 3) update and modify the names of the areas of study and clearly identify where public health, safety, and welfare issues are addressed in the course syllabus in subsections 2620.5(i) and (k); 4) amend subsection 2620.5(m) to allow instructional personnel to hold a certificate from an approved extension certificate program; 5) add a new subsection 2620.5(n) that requires extension certificate programs to submit an annual report in writing with specified information based on the date of the most recent Board approval; 6) allows the Board to evaluate changes to any of the items specified in the report or changes to the program; 7) requires the program to undergo a Board review every seven years in order to gain Board approval; and 8) allows the Board to conduct a review prior to the seven-year deadline based on information received in the program’s annual report.

Anticipated benefits of this regulatory action:

This regulatory proposal will bring the extension certificate program requirements up-to-date with

current standards of the practice of landscape architecture.

C. Consistency and Compatibility with Existing State Regulations

This Board has evaluated this regulatory proposal and it is not inconsistent nor incompatible with existing state regulations.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: none.

Nondiscretionary Costs/Savings to Local Agencies: none.

Local Mandate: none.

Cost to Any Local Agency or School District for Which Government Code Sections 17500–17630 Require Reimbursement: none.

Business Impact: The Board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The following studies/relevant data were relied upon in making the above determination: N/A.

Cost Impact on Representative Private Person or Business: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: none.

Effect on Small Business: The Board has determined that the proposed regulation would not affect small businesses. The proposed regulation sets forth, by regulation, the Board's amended approval standards for university extension programs in landscape architecture.

RESULTS OF THE ECONOMIC IMPACT ANALYSIS

Impact on Jobs/New Businesses: The Board has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Benefits of Regulation: The Board has determined that this regulatory proposal will have the following benefits to health and welfare of California residents, worker safety, and state's

environment: This regulatory proposal benefits the health and welfare of California residents because it updates the extension program certificate requirements to include curriculum that addresses the principles of health, safety, and welfare.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative which it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposal described in this Notice or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing or during the written comment period.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Board has prepared an initial statement of reasons for the proposed action and has made available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained at the hearing or prior to the hearing upon request from the California Architects Board, Landscape Architects Technical Committee at 2420 Del Paso Road, Suite 105, Sacramento, California 95834, or by telephoning the contact person listed below.

AVAILABILITY AND LOCATION OF THE FINAL STATEMENT OF REASONS AND RULEMAKING FILE

All the information upon which the proposed regulations are based is contained in the rulemaking file, which is available for public inspection by contacting the person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below (or by accessing the Website listed below).

CONTACT PERSON

Inquiries or comments concerning the proposed rulemaking action may be addressed to:

Name: John Keidel  
 Address: California Architects Board  
 2420 Del Paso Road, Suite 105  
 Sacramento, CA 95834  
 Telephone No.: (916) 575-7220  
 Fax No.: (916) 575-7233  
 E-mail Address: John.Keidel@dca.ca.gov

The backup contact person is:

Name: Trish Rodriguez  
 Address: California Architects Board  
 Landscape Architects  
 Technical Committee  
 2420 Del Paso Road, Suite 105  
 Sacramento, CA 95834  
 Telephone No.: (916) 575-7230  
 Fax No.: (916) 575-7285  
 E-mail Address: Trish.Rodriguez@dca.ca.gov

Website Access: Materials regarding this proposal can be found at [www.latc.ca.gov](http://www.latc.ca.gov).

**TITLE 16. CALIFORNIA  
 ARCHITECTS BOARD  
 LANDSCAPE ARCHITECTS  
 TECHNICAL COMMITTEE**

NOTICE IS HEREBY GIVEN that the California Architects Board (Board), is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the office of the **California Architects Board, 2420 Del Paso Road, Sequoia Room, Sacramento, California 95834, on August 6, 2012 at 9:30 a.m.** Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office no later than 5:00 p.m. on August 6, 2012, or must be received by the Board at the hearing.

The Board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposal substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as the contact person and will be mailed to those persons who submit written or oral testimony to this proposal or who have requested notification of any changes to the proposal.

**Authority and Reference:** Pursuant to the authority vested by section 5630 of the Business and Professions Code (BPC) and to implement, interpret or make specif-

ic sections 5650 and 5651 of the BPC, the Board is considering changes to Division 26 of Title 16 of the California Code of Regulations (CCR) as follows:

**INFORMATIVE DIGEST / POLICY STATEMENT  
 OVERVIEW**

**Amend Section 2614 — Examination Transition Plan**

BPC section 5630 authorizes the Board to adopt, amend, modify, or repeal rules and regulations that govern the examination of applicants for licenses to practice landscape architecture in California. BPC sections 5650 and 5651 entitle any person who meets the qualifications set forth in the article to an examination for a license to practice architecture subject to the rules and regulations governing examinations.

Existing regulations specify the transition plan for previous sections of the licensing examination to the current sections of the Landscape Architect Registration Examination (LARE). The proposed amendment of section 2614 permits current candidates to continue to take the current version of the LARE through June 2012. The proposed language outlines the transition plan effective with the first administration of the LARE, September 2012. In addition, the proposed language outlines the transition plan effective September 2012 for candidates who are not successful in passing all sections under the current LARE and who will be required to transition to the new LARE.

The Council of Landscape Architectural Registration Boards (CLARB) is the national test vendor that supplies the LARE, the licensing examination, to the Landscape Architects Technical Committee. In September 2012, CLARB will implement modest structural changes to the LARE to better align the content of the LARE with current practice. The new exam will consist of four (1-4) rather than five (A-E) sections and will move to a fully computerized model. Candidates in the exam process who have previously passed Sections C and D will receive transitional credit for Section 3. Candidates who have previously passed Sections D and E will receive transitional credit for Section 4. If a candidate passes either C or D but not both, the candidates must take and pass Section 3. If a candidate passes either D or E but not both, the candidate must take and pass Section 4.

**BENEFITS ANTICIPATED FROM THE  
 PROPOSED REGULATION**

Please see 'Benefits of Regulation' under RESULTS OF ECONOMIC IMPACT ASSESSMENT/ANALYSIS.

CONSISTENCY AND COMPATIBILITY WITH  
EXISTING STATE REGULATIONS

This Board has evaluated this regulatory proposal and it is neither inconsistent nor incompatible with existing state regulations.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Sections 17500–17630 Require Reimbursement: None.

Business Impact: The Board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The following studies/relevant data were relied upon in making the above determination: N/A.

Cost Impact on Representative Private Person or Business: The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

The Board has determined that the proposed regulation would not affect small businesses because it only affects candidates for examination and licensure.

RESULTS OF ECONOMIC IMPACT  
ASSESSMENT/ANALYSIS

**Impact on Jobs/New Businesses**

The Board has determined that this regulatory proposal will not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

**Benefits of Regulation**

The Board has determined that this regulatory proposal will have the following benefits to the health and welfare of California residents, worker safety, and state's environment:

This regulatory proposal establishes a legal provision for the transfer of previous LARE credit to the new LARE. The new LARE will add uniformity to test practices, increase the reliability of test results, increase

relevance to modern practice, and increase accessibility for candidates to take the exam.

Existing regulations specify the transition plan for previous sections of the licensing examination to the current sections of the LARE. The proposed amendment of section 2614 permits current candidates to continue to take the current version of the LARE through June 2012. The proposed language outlines the transition plan effective with the first administration of the LARE, September 2012. In addition, the proposed language outlines the transition plan effective September 2012 for candidates who are not successful in passing all divisions under the current LARE and who will be required to transition to the new LARE.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative which it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposal described in this Notice, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

The LATC did not consider other alternatives to the proposed regulation because this is the best way to carry out the transition plan needed to give examination credit to candidates who passed sections of the previously administered LARE to the current LARE format.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

INITIAL STATEMENT OF REASONS  
AND INFORMATION

The Board has prepared an initial statement of reasons for the proposed action and has made available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained at the hearing or prior to the hearing upon request from the Landscape Architects Technical Committee at 2420 Del Paso Road, Suite 105, Sacramento, California 95834, or by telephoning the contact person listed below.

AVAILABILITY AND LOCATION OF THE FINAL  
STATEMENT OF REASONS AND  
RULEMAKING FILE

All the information upon which the proposed regulations are based is contained in the rulemaking file,

which is available for public inspection by contacting the person named below.

You may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact person named below (or by accessing the website listed below).

**CONTACT PERSON**

Inquiries or comments concerning the proposed rule-making action may be addressed to:

**GENERAL PUBLIC INTEREST**

**CALIFORNIA ARCHITECTS BOARD  
 LANDSCAPE ARCHITECTS TECHNICAL  
 COMMITTEE**

**NOTICE OF CHANGE OF DATE OF  
 REGULATORY HEARING AND EXTENSION  
 OF WRITTEN COMMENT PERIOD**

NOTICE IS HEREBY GIVEN that the Landscape Architects Technical Committee (LATC) has rescheduled the regulatory hearing originally scheduled for **July 2, 2012, at 11:00 a.m.**, at the California Architects Board, 2420 Del Paso Road, Sequoia Room, Sacramento, California 95834, regarding proposed amendments to California Code of Regulations, Title 16, Division 26, Sections 2615 — Form of Examinations, and 2620 — Education and Training Credits pursuant to the Notice of Proposed Changes filed with the Office of Ad-

ministrative Law and published on May 18, 2012 (Register Z-2012-0508-05).

The new date and location of the regulatory hearing is as follows:

Date of Hearing: **August 6, 2012**  
 Address: **California Architects Board  
 2420 Del Paso Road,  
 Sequoia Room  
 Sacramento, California 95834**  
 Time: **11:30 a.m.**

Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board at its office no later than 5:00 p.m. on August 6, 2012, or must be received by the Board at the hearing. Attached are the Notice of Proposed Changes in the Regulations and the Proposed Language for your reference.

**CONTACT PERSON**

If you have any questions or comments, you may direct them to:

 Telephone: (916) 575-7231  
 FAX: (916) 575-7285  
 E-Mail Address: Trish.Rodriguez@dca.ca.gov

**DEPARTMENT OF FISH AND GAME**

**PROPOSED RESEARCH ON FULLY  
 PROTECTED SPECIES**

American Peregrine Falcon, White-Tailed Kite, and California Least Terns

The Department of Fish and Game (“Department”) received a proposal on May 15, 2012, from David Garcelon, with the Institute for Wildlife Studies, requesting authorization to take (capture, band, and relocate) peregrine falcons (*Falco peregrinus*) and white-tailed kites (*Elanus leucurus*), both of which are Fully Protected species, for the purpose of assisting with recovery of the California least tern (*Sternula antillarum browni*) (least tern), a Fully Protected subspecies. This work would be conducted on Naval Base Coronado and Camp Pendleton Marine Corps Base in San Diego County.

The applicant is in the process of obtaining the required Scientific Collecting Permit (SCP). Permit conditions require that the holder of an SCP obtain special authorization from the Department for research on Fully Protected species. The proposed activities include

capturing with standardized methods authorized by the Department. Capture, handling, and banding of peregrine falcons and white-tailed kites is not likely to have any adverse effects on the species, and the research will contribute to recovery of the least tern. Banding peregrine falcons and white-tailed kites will allow biologists and the Department to make informed decisions regarding predation on least terns. The proposed research is consistent with protection and recovery of the least tern because it helps to identify and assess threats from predators. The research is also consistent with conservation of the peregrine falcon and white-tailed kite through a better understanding of their behavior, food habits, and movements. The Department may issue, under specified conditions, a Memorandum of Understanding (MOU) that would authorize the applicant to carry out the proposed activities.

Pursuant to California Fish and Game Code (FGC) Section 3511(a)(1), the Department may authorize take of Fully Protected birds after 30 days' notice has been provided to affected and interested parties through publication of this notice. If the Department determines that the proposed research is consistent with the requirements of FGC Section 3511 for take of Fully Protected birds, it would issue the authorization on or after July 22, 2012, for an initial term of two years. The term may be extended with Department authorization. Contact: Wildlife Branch, 1812 9th Street, Sacramento, CA 95811, Attn.: Dale Steele.

**PROPOSITION 65**

**OFFICE OF ENVIRONMENTAL  
HEALTH HAZARD ASSESSMENT**

**SAFE DRINKING WATER AND TOXIC  
ENFORCEMENT ACT OF 1986 (Proposition 65)**

**NOTICE TO INTERESTED PARTIES  
June 22, 2012**

**CHEMICALS LISTED EFFECTIVE JUNE 22, 2012  
AS KNOWN TO THE STATE OF CALIFORNIA  
TO CAUSE CANCER**

The Office of Environmental Health Hazard Assessment (OEHHA) within the California Environmental Protection Agency is adding *benzophenone* (CAS No. 119-61-9), *coconut oil diethanolamine condensate (cocamide diethanolamine)* (CAS No. 68603-42-9), *diethanolamine* (CAS No. 111-42-2), and *2-methylimidazole* (CAS No. 693-98-1) to the list of chemicals known to the State of California to cause cancer for purposes of the Safe Drinking Water and Toxic Enforce-

ment Act of 1986 (Proposition 65<sup>1</sup>). The listing of these four chemicals is effective **June 22, 2012**.

Health and Safety Code section 25249.8(a) incorporates California Labor Code sections 6382(b)(1) and 6382(d) into Proposition 65. The law requires that certain substances identified by the International Agency for Research on Cancer (IARC) be listed as known to cause cancer under Proposition 65. Labor Code section 6382(b)(1) refers to substances identified as human or animal carcinogens by IARC. Labor Code section 6382(d) refers to substances identified as carcinogens or potential carcinogens by IARC or NTP. Information regarding carcinogenicity classifications by IARC may be found at the following URL: <http://monographs.iarc.fr/ENG/Preamble/CurrentPreamble.pdf> (IARC Preamble).

The basis for the listing of *benzophenone*, *coconut oil diethanolamine condensate (cocamide diethanolamine)*, *diethanolamine*, and *2-methylimidazole* was described in a public notice published in the January 20, 2012, issue of the *California Regulatory Notice Register* (Register 2012, No. 3-Z). The title of the notice was "Notice of Intent to List Chemicals by the Labor Code Mechanism". The publication of the notice initiated a public comment period that closed on April 6, 2012.

A complete, updated Proposition 65 list is published elsewhere in this issue of the *California Regulatory Notice Register* and is available on the OEHHA website at <http://www.oehha.ca.gov/prop65.html>.

Chemical	CAS No.	Toxicological Endpoint	Listing Mechanism <sup>2</sup>
Benzophenone	119-61-9	cancer	LC
Coconut oil diethanolamine condensate (cocamide diethanolamine)	68603-42-9	cancer	LC
Diethanolamine	111-42-2	cancer	LC
2-Methylimidazole	693-98-1	cancer	LC

**OFFICE OF ENVIRONMENTAL  
HEALTH HAZARD ASSESSMENT**

**CHEMICALS KNOWN TO THE STATE  
TO CAUSE CANCER OR  
REPRODUCTIVE TOXICITY  
JUNE 22, 2012**

The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish

<sup>1</sup> Health and Safety Code, section 25249.5, et seq.

<sup>2</sup> Listing mechanism: LC — "Labor Code" mechanism (Labor Code sections 6382(b)(1) and (d)).

at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial

appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals which are shown with a strikethrough were placed on the list with the date noted, and have subsequently been removed.

CHEMICALS KNOWN TO THE STATE TO CAUSE REPRODUCTIVE TOXICITY

<u>Chemical</u>	<u>Type of Reproductive Toxicity</u>	<u>CAS No.</u>	<u>Date Listed</u>
Acetazolamide	developmental	59-66-5	August 20, 1999
Acetohydroxamic acid	developmental	546-88-3	April 1, 1990
Acrylamide	developmental, male	79-06-1	February 25, 2011
Actinomycin D	developmental	50-76-0	October 1, 1992
All-trans retinoic acid	developmental	302-79-4	January 1, 1989
Alprazolam	developmental	28981-97-7	July 1, 1990
Altretamine	developmental, male	645-05-6	August 20, 1999
Amantadine hydrochloride	developmental	665-66-7	February 27, 2001
Amikacin sulfate	developmental	39831-55-5	July 1, 1990
Aminoglutethimide	developmental	125-84-8	July 1, 1990
tert-Amyl methyl ether	developmental	994-05-8	December 18, 2009
Aminoglycosides	developmental	—	October 1, 1992
Aminopterin	developmental, female	54-62-6	July 1, 1987
Amiodarone hydrochloride	developmental, female, male	19774-82-4	August 26, 1997
Amitraz	developmental	33089-61-1	March 30, 1999
Amoxapine	developmental	14028-44-5	May 15, 1998
Anabolic steroids	female, male	—	April 1, 1990
Angiotensin converting enzyme (ACE) inhibitors	developmental	—	October 1, 1992
Anisindione	developmental	117-37-3	October 1, 1992
Arsenic (inorganic oxides)	developmental	—	May 1, 1997
Aspirin (NOTE: It is especially important not to use aspirin during the last three months of pregnancy, unless specifically directed to do so by a physician because it may cause problems in the unborn child or complications during delivery.)	developmental, female	50-78-2	July 1, 1990
Atenolol	developmental	29122-68-7	August 26, 1997
Auranofin	developmental	34031-32-8	January 29, 1999
Avermectin B1 (Abamectin)	developmental	71751-41-2	December 3, 2010
Azathioprine	developmental	446-86-6	September 1, 1996
Barbiturates	developmental	—	October 1, 1992
Beclomethasone dipropionate	developmental	5534-09-8	May 15, 1998
Benomyl	developmental, male	17804-35-2	July 1, 1991
Benzene	developmental, male	71-43-2	December 26, 1997
Benzodiazepines	developmental	—	October 1, 1992
Benzphetamine hydrochloride	developmental	5411-22-3	April 1, 1990
Bischloroethyl nitrosourea (BCNU) (Carmustine)	developmental	154-93-8	July 1, 1990
Bromacil lithium salt	developmental male	53404-19-6	May 18, 1999 January 17, 2003
1-Bromopropane	developmental, female, male	106-94-5	December 7, 2004
2-Bromopropane	female, male	75-26-3	May 31, 2005
Bromoxynil	developmental	1689-84-5	October 1, 1990
Bromoxynil octanoate	developmental	1689-99-2	May 18, 1999

<u>Chemical</u>	<u>Type of Reproductive Toxicity</u>	<u>CAS No.</u>	<u>Date Listed</u>
Butabarbital sodium	developmental	143-81-7	October 1, 1992
1,3-Butadiene	developmental, female, male	106-99-0	April 16, 2004
1,4-Butanediol dimethane-sulfonate (Busulfan)	developmental	55-98-1	January 1, 1989
Butyl benzyl phthalate (BBP)	developmental	85-68-7	December 2, 2005
n-Butyl glycidyl ether	male	2426-08-6	August 7, 2009
Cadmium	developmental, male	—	May 1, 1997
Carbamazepine	developmental	298-46-4	January 29, 1999
Carbaryl	developmental, male	63-25-2	August 7, 2009
Carbon disulfide	developmental, female, male	75-15-0	July 1, 1989
Carbon monoxide	developmental	630-08-0	July 1, 1989
Carboplatin	developmental	41575-94-4	July 1, 1990

**DECISION NOT TO PROCEED**

**CALIFORNIA ARCHITECTS BOARD  
LANDSCAPE ARCHITECTS TECHNICAL  
COMMITTEE**

**Concerning Examination Transition Plan**

Pursuant to Government Code Section 11347, the California Architects Board/Landscape Architects Technical Committee hereby gives notice that it has decided not to proceed with the rulemaking action published in the California Regulatory Notice Register, March 30, 2012 (Register 2012, No. 13-Z). The proposed rulemaking concerned the Examination Transition Plan.

However, the Board is publishing a new notice on this same rulemaking subject in this edition of the Notice Register, June 22, 2012. Please see "Proposed Action on Regulations."

Any interested person with questions concerning this rulemaking should contact John Keidel at either (916) 575-7233 or by e-mail at: [john.keidel@dca.ca.gov](mailto:john.keidel@dca.ca.gov).

The Board will also publish this Notice of a Decision Not to Proceed on its website.

**CALIFORNIA ARCHITECTS BOARD  
LANDSCAPE ARCHITECTS TECHNICAL  
COMMITTEE**

**Concerning Requirements for an Approved  
Extension Certificate Program**

Pursuant to Government Code Section 11347, the California Architects Board/Landscape Architects Technical Committee hereby gives notice that it has decided not to proceed with the rulemaking action published in the California Regulatory Notice Register, April 13, 2012, (Register 2012, No. 15-Z). The proposed rulemaking concerned Requirements for an Approved Extension Certificate Program.

However, the Board is publishing a new notice on this same rulemaking subject in this edition of the Notice Register, June 22, 2012. Please see "Proposed Action on Regulations."

Any interested person with questions concerning this rulemaking should contact John Keidel at either (916) 575-7233 or by e-mail at: [john.keidel@dca.ca.gov](mailto:john.keidel@dca.ca.gov).

The Board will also publish this Notice of a Decision Not to Proceed on its website.

**SUMMARY OF REGULATORY  
ACTIONS**

**REGULATIONS FILED WITH  
SECRETARY OF STATE**

This Summary of Regulatory Actions lists regulations filed with the Secretary of State on the dates indicated. Copies of the regulations may be obtained by contacting the agency or from the Secretary of State, Archives, 1020 O Street, Sacramento, CA 95814, (916) 653-7715. Please have the agency name and the date filed (see below) when making a request.

CALIFORNIA HORSE RACING BOARD  
Penalties for Medication Violations

The California Horse Racing Board amended title 4, California Code of Regulations, section 1843.3, which pertains to penalties for medication violations. The amendment changes the time periods associated with second and third offenses of Category "B" violations. The time period for second offense Category "B" violations changed from 365 days to two years and the time period for third offense Category "B" violations changed from 365 days to five years.

DEPARTMENT OF CORRECTIONS AND  
REHABILITATION  
Wireless Communication Devices in CDCR Facilities

On October 5, 2011, Governor Edmund G. Brown, Jr. signed into law urgency legislation (Senate Bill 26) which took effect immediately enacting section 4576 of the Penal Code concerning wireless communication devices in prisons. The Department of Corrections and Rehabilitation certified as an Operational Necessity under Penal Code section 5058.3 that amendments to sections 3000, 3006, 3170.1, 3172.1, 3173.2, 3315, and 3323 of title 15 of the California Code of Regulations be adopted as an emergency to implement the changes made by the adoption of section 4576 of the Penal Code. This regulatory submission is a certificate of compliance for this emergency regulatory action.

Title 15  
California Code of Regulations  
AMEND: 3000, 3006, 3170.1, 3172.1, 3173.2,  
3315, 3323  
Filed 06/06/2012  
Effective 07/06/2012  
Agency Contact: Randy Blackwell (916) 445-2220

File# 2012-0430-01  
DEPARTMENT OF HOUSING AND COMMUNITY  
DEVELOPMENT  
Manufactured Housing Fire-Life Safety

This regulatory action amends regulations for dwellings installed in Wildland Urban Interface (WUI) high fire hazard areas to require that only new manufactured and mobile homes and commercial modulars manufactured after September 1, 2008 must have an ignition-resistant construction system installed. It also provides that all new and some existing single and multifamily manufactured homes, with either a fuel-burning appliance or designed for site-installation of an attached garage, are required to have a carbon monoxide alarm installed.

Title 25  
California Code of Regulations  
ADOPT: 4326, 4328 AMEND: 4004, 4200, 4204,  
4208  
Filed 06/07/2012  
Effective 06/07/2012  
Agency Contact: Keisha Harris (916) 322-1473

File# 2012-0515-01  
DEPARTMENT OF RESOURCES RECYCLING  
AND RECOVERY  
Product Stewardship for Paint

The Department of Resources, Recycling, and Recovery adopted sections 18950, 18951, 18952, 18953, 18954, 18955, 18955.1, 18955.2, 18955.3, 18956, 18957, and 18958 of title 14 of the California Code of Regulations to implement, interpret, and make specific Assembly Bill 1343, Chapter 420, Statutes of 2010, establishing the Architectural Paint Recovery Program. The regulations include definitions, submittal instructions, criteria for stewardship plans, criteria for annual reports, and provide for enforcement, record keeping, confidentiality, and service payments.

Title 14  
California Code of Regulations  
ADOPT: 18950, 18951, 18952, 18953, 18954,  
18955, 18955.1, 18955.2, 18955.3, 18956, 18957,  
18958

AMEND: 66261.32  
Filed 06/12/2012  
Agency Contact: Krysia Von Burg (916) 324-2810

File# 2012-0502-02  
SUPERINTENDENT OF PUBLIC INSTRUCTION  
Award of Funding

This regulatory submission amends the general provisions for awarding of funding for Childcare and Development Programs. It specifically addresses the eligibility for funding; application review, appeals process and the awarding of contracts. This matter is effective on filing with the Secretary of State pursuant to Government Code section 11343.4(c).

Title 5  
California Code of Regulations  
ADOPT: 18004 AMEND: 18000, 18001, 18002,  
18003  
Filed 06/12/2012  
Effective 06/12/2012  
Agency Contact: Cynthia Olsen (916) 319-0584

**CCR CHANGES FILED  
WITH THE SECRETARY OF STATE  
WITHIN January 18, 2012 TO  
June 13, 2012**

All regulatory actions filed by OAL during this period are listed below by California Code of Regulations titles, then by date filed with the Secretary of State, with the Manual of Policies and Procedures changes adopted by the Department of Social Services listed last. For further information on a particular file, contact the person listed in the Summary of Regulatory Actions section of the Notice Register published on the first Friday more than nine days after the date filed.
