TITLE 5. BOARD OF EDUCATION

NOTICE OF PROPOSED RULEMAKING

**AMENDMENT TO CALIFORNIA CODE OF
REGULATIONS, TITLE 5 REGARDING
CALIFORNIA ENGLISH LANGUAGE
DEVELOPMENT TEST (CELDT)**

[Notice published July 29, 2011]

NOTICE IS HEREBY GIVEN that the State Board of Education (SBE) proposes to adopt the regulations described below after considering all comments, objections, or recommendations regarding the proposed action.

PUBLIC HEARING

California Department of Education (CDE) staff, on behalf of the SBE, will hold a public hearing at 1:30 p.m. on September 13, 2011, at 1430 N Street, Room 1801, Sacramento, California. The room is wheelchair accessible. At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action described in the Informative Digest. The SBE requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their statements. No oral statements will be accepted subsequent to this public hearing.

WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to:

Debra Thacker, Regulations Coordinator
Administrative Support and Regulations Adoption Unit
California Department of Education
1430 N Street, Room 5319
Sacramento, California 95814

Comments must be received by the Regulations Coordinator by 5:00 p.m. on September 13, 2011. All written comments received by CDE staff during the public comment period are subject to disclosure under the Public Records Act.

**AVAILABILITY OF CHANGED OR
MODIFIED TEXT**

Following the public hearing and considering all timely and relevant comments received, the SBE may adopt the proposed regulations substantially as described in this Notice or may modify the proposed regulations if the modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified regulation will be available for 15 days prior to its adoption from the Regulations Coordinator and will be mailed to those persons who submit written comments related to this regulation, or who provide oral testimony at the public hearing, or who have requested notification of any changes to the proposal.

AUTHORITY AND REFERENCE

Authority: Sections 33031 and 60810, Education Code.

Reference: Sections 306, 313, 37200, 49068, 49076, 48985, 52164.1, 56034, 56365, 60810, 60812 and 62002, Education Code; 20 U.S.C. Sections 1232(g), 6311, 6823, 6841 and 6842; and 34 C.F.R. Section 300.138(b)(1)(2).

**INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW**

California Code of Regulations, Title 5, for the California English Language Development Test (CELDT) serves to guide local educational agencies (LEAs) in the administration of the program and the reporting of pupil demographic data to the State. The CDE proposes amendments to the California Code of Regulations, Title 5, for the CELDT Program in response to needs that have arisen during the administration of the CELDT Program, and to clarify and ensure consistency across all components of the CELDT Program. The key purposes of the proposed amendments are to:

- Add new definitions for “domains”, “initial assessment window”, “lowest obtainable scale score”, and “nonpublic schools”.
- Refine definitions for “accommodation”, “alternate assessment”, “annual assessment window”, “home language survey”, “modifications”, “record of results”, “school districts”, “scribe”, “site coordinator”, “test examiner”, and “test materials”.
- Add a reference to clarify the appropriate use of American Sign Language when making primary language determinations.
- Clarify the duties and responsibilities of CELDT district and site coordinators as required by instructions from the test contractor.
- Clarify language regarding data collection, correction, and reporting rules as required in Education Code section 60810(c), and per state and federal accountability rules.
- Clarify the applicable dates and testing windows that are inclusive to the CELDT Program.
- Clarify language regarding the provision of alternate assessments for students with individualized education programs (IEPs) or Section 504 Plans.
- Make consistent the use of capitalization when referring to Section 504 Plans to other statewide testing programs and State policy.

DISCLOSURES REGARDING THE PROPOSED REGULATION

The SBE has made the following initial determinations:

Mandate on local agencies or school districts: None.

Cost or savings to state agencies: None.

Costs to any local agencies or school districts for which reimbursement would be required pursuant to Part 7 (commencing with section 17500) of division 4 of the Government Code: None.

Other non-discretionary cost or savings imposed on local educational agencies: None.

Cost or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or businesses: The SBE is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Adoption of these regulations will not 1) create or eliminate jobs within California; 2) create new businesses or eliminate existing businesses within California; or 3) affect the expansion of businesses currently doing business within California.

Effect on housing costs: None.

Effect on small businesses: The proposed amendments to the regulations do not affect small businesses because the regulations apply only to schools and school districts and not to business practices.

CONSIDERATION OF ALTERNATIVES

The SBE must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the SBE, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.

The SBE invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

AVAILABILITY OF CHANGED OR MODIFIED TEXT

Following the public hearing and considering all timely and relevant comments received, the SSPI may adopt the proposed regulations substantially as described in this Notice or may modify the proposed regulations if the modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified regulation will be available for 15 days prior to its adoption from the Regulations Coordinator and will be mailed to those persons who submit written comments related to this regulation, or who provide oral testimony at the public hearing, or who have requested notification of any changes to the proposed regulations.

AUTHORITY AND REFERENCE

Authority: Sections 8261, 8263 and 8269, Education Code.

References: Sections 8203, 8208, 8208.1, 8212, 8220, 8261, 8350.5, 8351, 8352, 8353, 8354, 8356 and 8358.5, Education Code; Sections 1596.70–1596.799, 1596.877, Health and Safety Code.

**INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW**

California Health and Safety Code sections 1596.60 through 1596.68 require that child care providers who are exempt from licensure and not the child’s grandparent, aunt, or uncle, to be TrustLine registered in order to be eligible to receive a child care subsidy payment. Existing California Work Opportunities and Responsibility to Kids (CalWORKs) Stages 2 and 3 regulations require this type of provider to apply for TrustLine registry or be TrustLine registered.

These proposed regulations address one issue: TrustLine registration for applicable license–exempt providers of subsidized child care and development services.

The proposed regulations add three new sections (18224.6, 18227, and 18227.1) to the Alternative Payment program regulations (Division 1, Chapter 19, Subchapter 10) to clearly identify who qualifies as an eligible provider and what happens when a license–exempt provider becomes ineligible to provide child care and development services. The majority of section 18227 comes from the existing section 18074.2(a). The content of that section is modified to reflect the requirement for the license–exempt provider, who is not the child’s grandparent, aunt, or uncle, to be TrustLine registered in order to be an eligible provider for rendering subsidized child care and development services. TrustLine registration is a process by which persons, exempt from licensure, submit an application and their fingerprints. The fingerprints are checked by the Department of Justice (DOJ) against state and federal criminal records and child abuse records. Persons with a criminal or child abuse record are further screened by the California Department of Social Services (CDSS) Community Care Licensing Division. A person is entered into the TrustLine registry once they have been cleared by the DOJ and the CDSS. An accommodation is made to allow those providers currently receiving payment to continue to do so, while requiring that those who have not submitted both a completed TrustLine application and fingerprints to wait until they are TrustLine registered.

Similar modifications are made to the sections identifying eligible providers for CalWORKS Child Care (Division 1, Chapter 19.5, Subchapters 2 and 3) Stage 2, section 18411, and Stage 3, section 18428, and to sections 18409 and 18424 identifying the information

needed when transferring a family from one CalWORKS child care agency to another.

**DISCLOSURES REGARDING THE
PROPOSED ACTION**

The SSPI has made the following initial determinations:

Mandate on local agencies and school districts: None.
Cost or savings to any state agency: None.

Costs to any local agencies or school districts for which reimbursement would be required pursuant to Part 7 (commencing with section 17500) of division 4 of the Government Code: None.

Other non–discretionary costs or savings imposed on local educational agencies: None.

Costs or savings in federal funding to the state: None.

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or businesses: The SSPI is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Adoption of these regulations will not 1) create or eliminate jobs within California; 2) create new businesses or eliminate existing businesses within California; or 3) affect the expansion of businesses currently doing business within California.

Effect on housing costs: None.

Effect on small businesses: The proposed amendments to the regulations do not affect small businesses because the regulations apply only to schools and school districts and not to business practices.

CONSIDERATION OF ALTERNATIVES

The SSPI must determine that no reasonable alternative he considered or that has otherwise been identified and brought to his attention, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.

The SSPI invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

AVAILABILITY AND LOCATION OF THE FINAL STATEMENT OF REASONS AND RULEMAKING FILE

All the information upon which the proposed regulations are based is contained in the rulemaking file which is available for public inspection by contacting the Regulations Coordinator.

You may obtain a copy of the Final Statement of Reasons once it has been prepared, by making a written request to the Regulations Coordinator.

REASONABLE ACCOMMODATION FOR ANY INDIVIDUAL WITH A DISABILITY

Pursuant to the *Rehabilitation Act of 1973*, the *Americans with Disabilities Act of 1990*, and the *Unruh Civil Rights Act*, any individual with a disability who requires reasonable accommodation to attend or participate in a public hearing on proposed regulations, may request assistance by contacting Jack Stroppini, Child Development Division, 1430 N Street, 3rd Floor, Sacramento, CA, 95814; telephone, 916-322-4883; fax, 916-323-6853. It is recommended that assistance be requested at least two weeks prior to the hearing.

Pursuant to Government Code Section 11346.4 and the provisions of Labor Code Sections 142.1, 142.2, 142.3, 142.4, and 144.6, the Occupational Safety and Health Standards Board of the State of California has set the time and place for a Public Meeting, Public Hearing, and Business Meeting:

PUBLIC MEETING: On **September 15, 2011**, at 10:00 a.m. in the Auditorium of the State Resources Building, 1416 9th Street, Sacramento, California.

At the Public Meeting, the Board will make time available to receive comments or proposals from interested persons on any item concerning occupational safety and health.

PUBLIC HEARING: On **September 15, 2011**, following the Public Meeting, in the Auditorium of the State Resources Building, 1416 9th Street, Sacramento, California.

At the Public Hearing, the Board will consider the public testimony on the proposed changes to occupational safety and health standards in Title 8 of the California Code of Regulations.

BUSINESS MEETING: On **September 15, 2011**, following the Public Hearing, in the Auditorium of the State Resources Building, 1416 9th Street, Sacramento, California.

At the Business Meeting, the Board will conduct its monthly business.

DISABILITY ACCOMMODATION NOTICE

Disability accommodation is available upon request. Any person with a disability requiring an accommodation, auxiliary aid or service, or a modification of policies or procedures to ensure effective communication

and access to the public hearings/meetings of the Occupational Safety and Health Standards Board should contact the Disability Accommodation Coordinator at (916) 274-5721 or the state-wide Disability Accommodation Coordinator at 1-866-326-1616 (toll free). The state-wide Coordinator can also be reached through the California Relay Service, by dialing 711 or 1-800-735-2929 (TTY) or 1-800-855-3000 (TTY-Spanish).

Accommodations can include modifications of policies or procedures or provision of auxiliary aids or services. Accommodations include, but are not limited to, an Assistive Listening System (ALS), a Computer-Aided Transcription System or Communication Access Realtime Translation (CART), a sign-language interpreter, documents in Braille, large print or on computer disk, and audio cassette recording. Accommodation requests should be made as soon as possible. Requests for an ALS or CART should be made no later than five (5) days before the hearing.

NOTICE OF PROPOSED CHANGES TO TITLE 8 OF THE CALIFORNIA CODE OF REGULATIONS BY THE OCCUPATIONAL SAFETY AND HEALTH STANDARDS BOARD

Notice is hereby given pursuant to Government Code Section 11346.4 and Labor Code Sections 142.1, 142.4 and 144.5, that the Occupational Safety and Health Standards Board pursuant to the authority granted by Labor Code Section 142.3, and to implement Labor Code Section 142.3, will consider the following proposed revisions to Title 8, Ship Building, Ship Repairing, and Ship Breaking Safety Orders of the California Code of Regulations, as indicated below, at its Public Hearing on **September 15, 2011**.

1. **TITLE 8: SHIP BUILDING, SHIP REPAIRING, AND SHIP BREAKING SAFETY ORDERS**
 Division 1, Chapter 4, Subchapter 18
 Articles 1, 3, 4, 6, and 8
General Conditions in Shipyard Employment, Federal Final Rule (Horcher)

Descriptions of the proposed changes are as follows:

1. **TITLE 8: SHIP BUILDING, SHIP REPAIRING, AND SHIP BREAKING SAFETY ORDERS**
 Division 1, Chapter 4, Subchapter 18
 Articles 1, 3, 4, 6, and 8
General Conditions in Shipyard Employment, Federal Final Rule (Horcher)

INFORMATIVE DIGEST OF PROPOSED ACTION/POLICY STATEMENT OVERVIEW

The Occupational Safety and Health Standards Board (Board) intends to adopt the proposed rulemaking action pursuant to Labor Code Section 142.3, which mandates that the Board adopt standards at least as effective as federal standards addressing occupational safety and health issues.

On May 2, 2011, the U.S. Department of Labor, Occupational Safety and Health Administration (Federal OSHA) promulgated a final rule revising its standards on General Working Conditions in Shipyard Employment found primarily in federal 29 CFR Part 1915. The federal revisions update existing requirements to reflect advances in industry practices and technology, consolidate some general safety and health requirements into a single subpart, and provide protection from hazards not addressed by existing standards, including the control of hazardous energy.

The Board is relying on the explanation of the federal standards found in Federal Register, Volume 76, No. 84, pages 24576-24711, May 2, 2011, as the justification for the Board's proposed rulemaking action. The Board proposes to adopt standards which are the same as the federal standards except for editorial and format differences, or where existing state standards provide a higher level of safety. The Board notes that federal OSHA's promulgation also will require minor and incidental modification of California Title 8 General Industry Safety Orders as indicated in the attached documentation.

Subjects addressed by the proposal include, but are not limited to, the following:

- Scope, application, definitions and effective dates.
- Housekeeping.
- Lighting.
- Utilities.
- Working alone.
- Vessel radar and communication systems.
- Lifeboats.
- Medical services and first aid.
- Sanitation.
- Control of hazardous energy (lockout/tagout).
- Safety color code for marking physical hazards.
- Accident prevention signs and tags.
- Retention of DOT markings, placards, and labels.
- Motor vehicle safety equipment, operation, and maintenance.
- Servicing of multi-piece and single-piece rim wheels.
- Ship's propulsion machinery.
- Electric circuits and distribution boards.

Because the proposed standards are substantially the same as the Federal OSHA final rule, Labor Code Section 142.3(a)(3) exempts the Board from the provisions of Article 5 (commencing with Section 11346) and Article 6 (commencing with Section 11349) of Chapter 3.5, Part 1, Division 3 of Title 2 of the Government Code. However, the Board is still providing a comment period and will convene a public hearing. The primary purpose of the written comments and the oral comments at the public hearing is to:

- (1) Identify any issues unique to California related to this proposal which should be addressed in this rulemaking and/or a subsequent rulemaking.
- (2) Solicit comments on the proposed effective date.

The responses to comments will be available in the rulemaking file on this matter and will be limited to the above areas.

The effective date is proposed to be upon filing with the Secretary of State. The standards may be adopted without further notice even though modifications may be made to the original proposal in response to public comments or at the Board's discretion.

DOCUMENTS INCORPORATED BY REFERENCE

- ANSI/IESNA RP-7-01, Recommended Practice for Lighting Industrial Facilities, ANSI approved July 26, 2001.

This document is too cumbersome or impractical to publish in Title 8. Therefore, it is proposed to incorporate the document by reference. A copy of this document is available for review Monday through Friday from 8:00 a.m. to 4:30 p.m. at the Standards Board Office located at 2520 Venture Oaks Way, Suite 350, Sacramento, California.

COST ESTIMATES OF PROPOSED ACTION

Federal OSHA's estimate of compliance costs found at Federal Register, Vol. 76, No. 84, May 2, 2011, starting at page 24673.

Based on information found at page 24692, Table 26, the economic impact of the standard as a percentage of profits for the two major industry sectors, further broken down by size class, are summarized as follows:

Sector	Size Class ¹	Compliance cost as % of profits
Shipyards ²	1-19	0.63%
	1-200	0.41%
	1-1000	0.58%
	All	0.33%
Commercial vessels ³	1-19	0.97%
	1-200	0.53%
	1-1000	0.48%
	All	0.39%

Source: OSHA Office of Regulatory Analysis

Federal OSHA estimates that if compliance costs of the final rule are completely passed on to consumers, prices will increase by 0.01 to 0.03 percent, a consequence they believe is unlikely to have an effect on the viability of the affected industries. Alternatively, with no price increase, OSHA estimates that profits will decrease 0.33 percent for shipyards and 0.39 percent for commercial-vessel industries, a decrease that, in their opinion, would have no effect on the economic viability of these industries. Therefore, OSHA has concluded that this rule is economically feasible.⁴ Furthermore, federal OSHA believes that the net monetized benefits of the final rule will exceed the cost of compliance. Federal OSHA also stated that they were unable to find a regional variation in the impacts of the final rule. If this is correct, then federal OSHA estimates should carry approximately the same economic impact on California industries.

Federal OSHA has also certified that the rule will not have a significant impact on a substantial number of small entities.

DETERMINATION OF MANDATE

The Occupational Safety and Health Standards Board has determined that the proposed standards do not impose a local mandate. Therefore, reimbursement by the state is not required pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code because these standards do not constitute a "new program or higher level of service of an existing program within the meaning of Section 6 of Article XIII B of the California Constitution."

The California Supreme Court has established that a "program" within the meaning of Section 6 of Article

¹ Size class is number of employees

² The "shipyards" sector consists of ship-building, ship repair and ship-breaking.

³ The "commercial vessels" sector consists of commercial fishing, fish processing on-board vessels, tug and towing boats, and passenger vessels.

⁴ Federal Register, Vol. 76, No. 84, page 24693.

XIII B of the California Constitution is one which carries out the governmental function of providing services to the public, or which, to implement a state policy, imposes unique requirements on local governments and does not apply generally to all residents and entities in the state. (County of Los Angeles v. State of California (1987) 43 Cal.3d 46.)

These proposed standards do not require local agencies to carry out the governmental function of providing services to the public. Rather, the standards require local agencies to take certain steps to ensure the safety and health of their own employees only. Moreover, these proposed standards do not in any way require local agencies to administer the California Occupational Safety and Health program. (See City of Anaheim v. State of California (1987) 189 Cal.App.3d 1478.)

These proposed standards do not impose unique requirements on local governments. All state, local and private employers will be required to comply with the prescribed standards.

EFFECT ON SMALL BUSINESSES

The Board has determined that the proposed amendments may affect small businesses. However, based on federal OSHA's determination, no significant economic impact on small entities is anticipated.

ASSESSMENT

Based on federal analysis, the adoption of the proposed amendments to these standards will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses or create or expand businesses in the State of California.

REASONABLE ALTERNATIVES CONSIDERED

Our Board must determine that no reasonable alternative considered by the Board or that has otherwise been identified and brought to the attention of the Board would be more effective in carrying out the purpose for which the action is proposed or would be as effective as and less burdensome to affected private persons than the proposed action.

A copy of the proposed changes in STRIKEOUT/UNDERLINE format is available upon request made to the Occupational Safety and Health Standard Board's Office, 2520 Venture Oaks Way, Suite 350, Sacramento, CA 95833, (916) 274-5721. Copies will also be available at the Public Hearing.

An INITIAL STATEMENT OF REASONS containing a statement of the purpose and factual basis for the proposed actions, identification of the technical docu-

ments relied upon, and a description of any identified alternatives has been prepared and is available upon request from the Standards Board's Office.

Notice is also given that any interested person may present statements or arguments orally or in writing at the hearing on the proposed changes under consideration. It is requested, but not required, that written comments be submitted so that they are received no later than September 9, 2011. The official record of the rule-making proceedings will be closed at the conclusion of the public hearing and written comments received after 5:00 p.m. on September 15, 2011, will not be considered by the Board unless the Board announces an extension of time in which to submit written comments. Written comments should be mailed to the address provided below or submitted by fax at (916) 274-5743 or e-mailed at oshsb@dir.ca.gov. The Occupational Safety and Health Standards Board may thereafter adopt the above proposals substantially as set forth without further notice.

The Occupational Safety and Health Standards Board's rulemaking file on the proposed actions including all the information upon which the proposals are based are open to public inspection Monday through Friday, from 8:30 a.m. to 4:30 p.m. at the Standards Board's Office, 2520 Venture Oaks Way, Suite 350, Sacramento, CA 95833.

The full text of proposed changes, including any changes or modifications that may be made as a result of the public hearing, shall be available from the Executive Officer 15 days prior to the date on which the Standards Board adopts the proposed changes.

Inquiries concerning either the proposed administrative action or the substance of the proposed changes may be directed to Marley Hart, Executive Officer, or Mike Manieri, Principal Safety Engineer, at (916) 274-5721.

You can access the Board's notice and other materials associated with this proposal on the Standards Board's homepage/website address which is <http://www.dir.ca.gov/oshsb>. Once the Final Statement of Reasons is prepared, it may be obtained by accessing the Board's website or by calling the telephone number listed above.

TITLE 10. DEPARTMENT OF INSURANCE

NOTICE OF INTENTION TO AMEND THE CONFLICT-OF-INTEREST CODE OF THE DEPARTMENT OF INSURANCE

NOTICE IS HEREBY GIVEN that the Department of Insurance, pursuant to the authority vested in it by

section 87306 of the Government Code, proposes amendment to its Conflict-of-Interest Code. The purpose of these amendments is to implement the requirements of sections 87300 through 87302, and section 87306 of the Government Code.

The Department of Insurance proposes to amend its Conflict-of-Interest Code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code.

This amendment revises the disclosure category for Staff Counsels (regardless of rank) from Category 1 to Category 2 and makes other technical changes to reflect the current organizational structure of the Department. Copies of the amended code are available and may be requested from the Contact Person set forth below.

Any interested person may submit written statements, arguments, or comments relating to the proposed amendments by submitting them in writing no later than September 12, 2011, or at the conclusion of the public hearing, if requested, whichever comes later, to the Contact Person set forth below.

At this time, no public hearing has been scheduled concerning the proposed amendments. If any interested person or the person's representative requests a public hearing, he or she must do so no later than August 28, 2011, by contacting the Contact Person set forth below.

The Department of Insurance has prepared a written explanation of the reasons for the proposed amendments and has available the information on which the amendments are based. Copies of the proposed amendments, the written explanation of the reasons, and the information on which the amendments are based may be obtained by contacting the Contact Person set forth below.

The Department of Insurance has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

In making these proposed amendments, the Department of Insurance must determine that no alternative considered by the agency would be more effective in

carrying out the purpose for which the amendments are proposed or would be as effective and less burdensome to affected persons than the proposed amendments.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:

TITLE 11. COMMISSION ON PEACE OFFICER STANDARDS AND TRAINING

NOTICE OF PROPOSED REGULATORY ACTION

Amend and Update the Training and Testing Specifications for Peace Officer Basic Courses Regulations 1005, 1007, and 1008

Notice is hereby given that the Commission on Peace Officer Standards and Training (POST) proposes to amend regulations in Chapter 2 of Title 11 of the California Code of Regulations as described below in the Informative Digest. A public hearing is not scheduled. Pursuant to Government Code §11346.8, any interested person, or his/her duly authorized representative, may request a public hearing. POST must receive the written request no later than 15 days prior to the close of the public comment period.

Public Comments Due by September 12, 2011, at 5:00 p.m.

Notice is also given that any interested person, or authorized representative, may submit written comments relevant to the proposed regulatory action by fax at (916) 227-6932 or by letter to the:

Commission on POST
 1601 Alhambra Boulevard
 Sacramento, CA 95816-7083

Following the close of the public comment period, the Commission may adopt the proposal substantially as described below or may modify the original proposal with sufficiently related changes. With the exception of technical or grammatical changes, the full text of a modified proposal will be available for 15 days prior to its adoption from the person designated in this notice as the contact person. The Commission will also mail the full text to persons who submit written comments related to the proposal or who have requested notification of any changes.

Authority and Reference

This proposal is made pursuant to the authority vested by Penal Code § 13503 — POST powers and § 13506 — POST authority to adopt regulations. This proposal is intended to interpret, implement, and make specific Penal Code § 13503(e) — POST authority to develop and implement programs to increase the effectiveness of law enforcement, including programs involving training and education courses.

INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW

At its October 28, 2010 meeting, the Commission approved proposed amendments to Learning Domains throughout the *Training and Testing Specifications for Peace Officer Basic Courses* publication. The proposed changes included:

- Update Training & Testing Specification curriculum as part of an ongoing review.

Penal Code § 13510 requires that POST develop guidelines and a course of instruction and training for law enforcement officers who are employed as peace officers, or who are not yet employed as a peace officer but are enrolled in a training academy for law enforcement officers. This proposed action will update the training specifications to include revisions to grammar, punctuation, definitions, and minimum training standards.

All changes to curriculum begin with recommendations from law enforcement practitioners or in some cases via legislative mandates. POST then facilitates meetings attended by curriculum advisors and subject matter resources who provide recommended changes to existing curriculum. The completed work of all committees is presented to the POST Commission for final review and adoption. Upon adoption of the proposed amendments, academies and course presenters will be required to teach and test to the updated curriculum. The proposed effective date is January 1, 2012.

Local Mandate

This proposal does not impose a mandate on local agencies or school districts.

Fiscal Impact Estimates

This proposal does not impose costs on any local agency or school district for which reimbursement would be required pursuant to Part 7 (commencing with § 17500) of the Government Code, Division 4. This proposal does not impose other nondiscretionary cost or savings on local agencies. This proposal does not result in any cost or savings in federal funding to the state.

Costs or Savings to State Agencies

POST anticipates no additional costs or savings to state agencies.

Business Impact/Small Businesses

The Commission has made an initial determination that this regulatory proposal would have no significant statewide adverse economic impact directly affecting California businesses, including the ability of California businesses to compete with businesses in other states. The proposal does not affect small businesses, as defined by Government Code §11342.610, because the Commission sets selection and training standards for law enforcement and does not have an impact on California businesses, including small businesses.

Assessment Regarding Effect on Jobs/Businesses

The Commission has determined that this regulatory proposal will not have any impact on the creation or elimination of jobs and will not result in the creation of new businesses, the elimination of existing businesses, or the expansion of businesses in the State of California.

Cost Impact on Representative Private Persons or Businesses

The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs

None.

Alternatives

The Commission must determine that no reasonable alternative considered by the agency, or otherwise identified and brought to the agency’s attention, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective as, and less burdensome to, affected private persons than the proposed action.

Contact Person

Please direct inquiries or written comments about the proposed regulatory action to the following:

To request a copy of the Final Statement of Reasons once it has been prepared, submit a written request to the contact person named above.

TITLE 14. FISH AND GAME COMMISSION

Notice of Proposed Changes in Regulations

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by sections 200, 202, 203, 355, 713, 1050, 1054, 1526, 1528, 1530, 1570, 1571, 1572, 1765 and 10504, of the Fish and Game Code and to implement, interpret or make specific sections 355, 711, 713, 1050, 1054, 1055.3, 1526, 1528, 1530, 1570, 1571, 1572, 1764, 1765, 2006 and 10504 of said Code, proposes to Amend Subsections 551(g), (j) and (q) and Sections 700.4, 701 and 705; and Repeal Section 704, Title 14, California Code of Regulations, relating to the Automated License Data System (ALDS) Acceptable Forms of Identification; Wildlife Area Passes and Annual Fee Adjustments for Sport Fishing and Commercial Fishing.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

This proposal adds two new and clarifies one previous acceptable form of identification when a customer applies for a license in ALDS. The changes ensures customers are uniquely identified in the ALDS database and removes unintended barriers for customers to purchase licenses. This section is also amended to transfer provision of Section 704 in and for consistency to Fish and Game Code 1050(e), by defining the surcharge as an “application fee.”

One-day entry permits are not currently issued at Department license sales offices or License Agents because they are area specific and non-transferable. Beginning in 2011/2012, sales transactions of any type will no longer be feasible at Department check stations;

therefore, this proposal is needed to allow for the issuance of pre-paid one-day entry passes at license agents, Department offices, and online. This proposal increases the number of locations that a one-day pass may be purchased from only at the check station to any Department license sales office or approximately 1,400 license agents and online.

This proposal also changes the name of the day use pass for non-hunting public uses to “day use permit” and specifies that day use permits may be obtained by any person in possession of a pre-purchased annual or daily Department lands pass. Annual and daily lands passes are available from Department license sales offices and License Agents.

This proposal also updates the waterfowl hunting reservation application process to allow hunters to apply for waterfowl hunting reservations using the ALDS. This proposal makes applying for reservations more convenient for hunters because it will allow them to apply at any License Agent, Department license sales office or online. This proposal further allows waterfowl hunters more flexibility in applying as a multiple choice application replaces one and five-choice applications.

Editorial relocation of Section 704 to existing Section 700.4 is proposed to move language affecting ALDS to one section and remove forms previously incorporated by reference prior to ALDS, and to improve readability for the public.

Other administrative changes affecting sport and commercial fishing fees are proposed to comply with the Fish and Game Code.

NOTICE IS GIVEN that any person interested may present statements, orally or in writing, on all actions relevant to this action at a hearing to be held at the Red Lion Hotel, 1830 Hilltop Drive, Redding, California, on Thursday, September 15, 2011, at 8:30 a.m., or as soon thereafter as the matter may be heard. Written comments mailed, faxed or e-mailed to the Commission office, must be received before 5:00 p.m. on September 12, 2011. All comments must be received no later than September 15, 2011, at the hearing in Redding, CA. If you would like copies of any modifications to this proposal, please include your name and mailing address.

The regulations as proposed in ~~strikeout~~underline format, as well as an initial statement of reasons, including all information upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Jon K. Fischer, Deputy Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone (916) 653-4899. Please direct requests for the above mentioned documents and inquiries concerning the regulatory process to Jon Snellstrom at the preceding address or phone number.

Ms. Maria Melchiorre, Department of Fish and Game License and Revenue Branch, (916) 928-8322 has been designated to respond to questions on the substance of the proposed regulations. Copies of the Initial Statement of Reasons, including the regulatory language, may be obtained from the address above. Notice of the proposed action shall be posted on the Fish and Game Commission website at <http://www.fgc.ca.gov>.

Availability of Modified Text

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.

Impact of Regulatory Action

The potential for significant statewide adverse economic impacts that might result from the proposed regulatory action has been assessed, and the following initial determinations relative to the required statutory categories have been made:

- (a) Significant Statewide Adverse Economic Impact Directly Affecting Businesses, Including the Ability of California Businessmen to Compete with Businesses in Other States:

The proposed actions will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. Fee adjustments pursuant to Section 713 of the Fish and Game Code are based on changes in the Implicit Price Deflator for State and Local Government Purchases of Goods and Services, as published by the United States Department of Commerce to determine an annual rate of increase or decrease in the fees for licenses, stamps, permits, tags or other entitlements issued by the Department of Fish and Game.

- (b) Impact on the Creation or Elimination of Jobs Within the State, the Creation of New Businesses or the Elimination of Existing Businesses, or the Expansion of Businesses in California:

None.

- (c) Cost Impacts on Private Persons:

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

- (d) Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State:
None.
- (e) Other Nondiscretionary Costs/Savings to Local Agencies:
None.
- (f) Programs Mandated on Local Agencies or School Districts:
None.
- (g) Costs Imposed on Any Local Agency or School District that is Required to be Reimbursed under Part 7 (commencing with Section 17500) of Division 4:
None.
- (h) Effect on Housing Costs:
None.

Effect on Small Business

It has been determined that the adoption of these regulations may affect small business. The Commission has drafted the regulations in Plain English pursuant to Government Code sections 11342.580 and 11346.2(a)(1).

Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

TITLE 15. DEPARTMENT OF CORRECTIONS AND REHABILITATION

SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT ON BUSINESS

The Department has initially determined that the proposed regulations will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

EFFECT ON SMALL BUSINESSES

The Department has determined that the proposed regulations may not affect small businesses. It is determined that this action has no significant adverse economic impact on small business because they are not affected by the internal management of state prisons.

ASSESSMENTS OF EFFECTS ON JOB AND/OR BUSINESS CREATION, ELIMINATION OR EXPANSION

The Department has determined that the proposed regulation will have no affect on the creation of new, or

the elimination of existing jobs or businesses within California, or affect the expansion of businesses currently doing business in California.

CONSIDERATION OF ALTERNATIVES

The Department must determine that no reasonable alternative considered by the Department, or that has otherwise been identified and brought to the attention of the Department, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons, than the proposed regulatory action. Interested persons are accordingly invited to present statements or arguments with respect to any alternatives to the changes proposed at the scheduled hearing or during the written comment period.

AVAILABILITY OF PROPOSED TEXT AND INITIAL STATEMENT OF REASONS

The Department has prepared, and will make available, the text and the Initial Statement of Reasons (ISOR) of the proposed regulations. The rulemaking file for this regulatory action, which contains those items and all information on which the proposal is based (i.e., rulemaking file) is available to the public upon request directed to the Department's contact person. The proposed text, ISOR, and Notice of Proposed Action will also be made available on the Department's website <http://www.cdcr.ca.gov>.

AVAILABILITY OF THE FINAL STATEMENT OF REASONS

Following its preparation, a copy of the Final Statement of Reasons may be obtained from the Department's contact person.

AVAILABILITY OF CHANGES TO PROPOSED TEXT

After considering all timely and relevant comments received, the Department may adopt the proposed regulations substantially as described in this Notice. If the Department makes modifications which are sufficiently related to the originally proposed text, it will make the modified text (with the changes clearly indicated) available to the public for at least 15 days before the Department adopts the regulations as revised. Requests for copies of any modified regulation text should be directed to the contact person indicated in this Notice. The Department will accept written comments on the modi-

fied regulations for 15 days after the date on which they are made available.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

PC Section 5000 provides that commencing July 1, 2005, any reference to the Department of Corrections in this or any code, refers to the CDCR, Division of Adult Operations.

PC Section 5050 provides that commencing July 1, 2005, any reference to the Director of Corrections, in this or any other code, refers to the Secretary of the CDCR. As of that date, the office of the Director of Corrections is abolished.

PC Section 5054 provides that commencing July 1, 2005, the supervision, management, and control of the state prisons, and the responsibility for the care, custody, treatment, training, discipline, and employment of persons confined therein are vested in the Secretary of the CDCR.

PC Section 5058 authorizes the Director to prescribe and amend regulations for the administration of prisons.

This action provides the following:

- Eliminates Labor Day as a Holiday Visiting Day in CDCR institutions and facilities.

TITLE 18. FRANCHISE TAX BOARD

As required by section 11346.4 of the Government Code, this is notice that a public hearing has been scheduled to be held at 1:00 p.m., September 13, 2011, at 9646 Butterfield Way, Town Center, Golden State Room A/B, Rancho Cordova, California, to consider the amendment of Section 25137-8 under Title 18 of the California Code of Regulations, and the adoption of Section 25137-8.2 under Title 18 of the California Code of Regulations, both of which relate to Motion Picture and Television Film Producers, Distributors, and Television Networks.

An employee of the Franchise Tax Board will conduct the hearing. Interested persons are invited to present comments, written or oral, concerning the proposed regulatory action. It is requested, but not required, that persons who make oral comments at the hearing also submit a written copy of their comments at the hearing.

Government Code section 15702, subdivision (b), provides for consideration by the three-member Franchise Tax Board of any proposed regulatory action if any person makes such request in writing.

WRITTEN COMMENT PERIOD

Written comments will be accepted until 5:00 p.m., September 13, 2011. All relevant matters presented will

be considered before the proposed regulatory action is taken. Comments should be submitted to the agency officer named below.

AUTHORITY & REFERENCE

Section 19503 of the Revenue and Taxation Code authorizes the Franchise Tax Board to prescribe regulations necessary for the enforcement of and to implement, interpret, and make specific Part 10 (commencing with section 17001), Part 10.2 (commencing with section 18401), Part 10.7 (commencing with section 21001) and Part 11 (commencing with section 23001) of the Revenue and Taxation Code. Section 25137 of the Revenue and Taxation Code permits a departure from the allocation and apportionment provisions of the Uniform Division of Income for Tax Purposes Act (UDITPA) when the standard provisions of UDITPA do not fairly reflect a taxpayer’s activities in this state. The proposed regulatory action establishes appropriate rules for determining the apportionment factors for Motion Picture and Television Film Producers, Distributors, and Television Networks to fairly reflect their activities in this state.

INFORMATIVE DIGEST/PLAIN ENGLISH OVERVIEW

In 1982, the Franchise Tax Board adopted Regulation section 25137–8, relating to the apportionment of income for Motion Picture and Television Film Producers and Television Networks.

Subsequent to 1982, the industry has undergone significant changes. In the television industry, technology has changed and there are new types of programming transmitted via digital signal to satellites, accessed online or by affiliates and released to subscribers across the country. Similarly, in the motion picture industry, at the time the regulation was adopted in 1982, the focus was on major studios. While the regulation was subsequently amended to include independent television broadcasters, there was no inclusion of independent film distributors and they are not covered by the existing regulation. At one time, major studios controlled all stages of production and distribution. Now, many of these functions are commonly conducted by a separate entity, whether affiliated or independent. As a result of these changes, the existing regulation does not reflect the composition of the industry as it exists today.

The Multistate Tax Commission (MTC) provides model regulations, statutes and guidelines to promote uniformity in the states’ taxation of interstate and foreign commerce. The MTC’s model regulation for television and radio broadcasters, Regulation IV.18(h), was last amended in 1996. The proposed adoption of Regu-

lation section 25137–8.2 includes amendments to align the California regulation with provisions contained in the MTC’s model regulation. Other amendments are made to reflect the rules contained in Regulation section 25137–12, adopted in 1995, which addresses the print media industry. Finally, other changes from the current regulation have been made to incorporate changes suggested by interested parties.

To provide greater clarity to the existing rules, advertising revenue is now specifically identified as part of “film gross receipts” assigned by Regulation section 25137–8.2. This treatment is consistent with the practice of the Franchise Tax Board under current Regulation section 25137–8. In addition, Regulation section 25137–8.2 identifies “distributors” as part of the industry covered by this regulation, adds definitions, redefines “film” to include news or sports films produced for telecast, and identifies new technology used by the industry since the existing regulation was adopted.

The existing regulation is renumbered as Regulation section 25137–8.1 and its application is limited to taxable years beginning before January 1, 2010. For taxable years beginning on or after January 1, 2010, new Regulation section 25137–8.2 will apply.

DISCLOSURES REGARDING THE PROPOSED REGULATORY ACTION

Mandate on local agencies and school districts: None.
 Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed under Part 7, commencing with Government Code section 17500, of Division 4: None.

Other non-discretionary cost or savings imposed upon local agencies: None.

Cost or savings in federal funding to the state: None.

Significant statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Potential cost impact on private persons or businesses affected: The Franchise Tax Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Significant effect on the creation or elimination of jobs in the state: None.

Significant effect on the creation of new businesses or elimination of existing businesses within the state: None.

Significant effect on the expansion of businesses currently doing business within the state: None. Motion picture and television film producers, and television networks, have been apportioning income pursuant to Regulation section 25137–8 since 1982. The proposed

amendment of the existing regulation will have no effect on businesses currently doing business in California. Adoption of the proposed new regulation should not affect businesses currently doing business in California.

Effect on small business: None. The regulation is primarily utilized by large multi-state corporations and not small businesses.

Significant effect on housing costs: None.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code section 11346.5, subdivision (a)(13), the Board must determine that no alternative considered by it would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed regulatory action.

The Franchise Tax Board has determined that there were no alternatives considered which would be more effective in carrying out the purpose of proposed Regulation section 25137-8.2 or would be as effective and less burdensome to corporate taxpayers.

The proposed regulatory action pertains to corporate taxpayers and therefore does not affect private persons.

AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

An initial statement of reasons has been prepared setting forth the facts upon which the proposed regulatory action is based. The statement includes the specific purpose of the proposed regulatory action and the factual basis for determining that the proposed regulatory action is necessary.

The express terms of the proposed text of the regulation, the initial statement of reasons and the rulemaking file are prepared and available upon request from the agency contact person named in this notice. When the final statement of reasons is available, it can be obtained by contacting the agency officer named below, or by accessing the Franchise Tax Board's website identified below.

CHANGE OR MODIFICATION OF ACTIONS

The proposed regulatory action may be adopted after consideration of any comments received during the comment period.

The regulation may also be adopted with modifications if the changes are nonsubstantive or the resulting regulation is sufficiently related to the text made avail-

able to the public so that the public was adequately placed on notice that the regulation as modified could result from that originally proposed. The text of the regulation as modified will be made available to the public at least 15 days prior to the date on which the regulation is adopted. Requests for copies of any modified regulation should be sent to the attention of the agency officer named below.

ADDITIONAL COMMENTS

If you plan on attending or making an oral presentation at the regulation hearing, please contact the agency officer named below.

The hearing room is accessible to persons with physical disabilities. Any person planning to attend the hearing who is in need of a language interpreter or sign language assistance should contact the officer named below at least two weeks prior to the hearing so that the services of an interpreter may be arranged.

CONTACT

All inquiries concerning this notice or the hearing should be directed to Colleen Berwick at the Franchise Tax Board, Legal Branch, P.O. Box 1720, Rancho Cordova, CA 95741-1720; Telephone (916) 845-5306; FAX (916) 845-3648; E-Mail: Colleen.Berwick@ftb.ca.gov. In addition, all questions on the substance of the proposed regulation can be directed to Benjamin F. Miller: Telephone (916) 845-3320; FAX (916) 845-3648; E-Mail: Ben.Miller@ftb.ca.gov. TITLE 22. DEPARTMENT OF HEALTH CARE SERVICES

ACTION: Notice of Proposed Rulemaking
Title 22, California Code of
Regulations

SUBJECT: Dental Services, DHCS-11-003

PUBLIC PROCEEDINGS

Notice is hereby given that the Department of Health Care Services (Department) will conduct written public proceedings, during which time any interested person or such person's duly authorized representative may present statements, arguments or contentions (all of which are hereinafter referred to as comments) relevant to the action described in this notice.

INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW

Title XIX of the Social Security Act is a federal/state entitlement program that pays for medical assistance for certain individuals and families with low incomes and resources. This program, known as Medicaid, became law in 1965 as a cooperative venture jointly funded by the federal and state governments to assist states in furnishing medical assistance to eligible needy persons. California's Medicaid program is called the Medi-Cal Program and is administered by the Department.

Welfare and Institutions (W&I) Code Sections 10725 and 14124.5 authorize the Director of the Department to adopt, amend or repeal regulations as necessary and proper to carry out the purposes and intent of the statutes governing the Medi-Cal Program. W&I Code Section 14132 sets forth the Medi-Cal schedule of benefits that includes dental services. The Department's Medi-Cal Dental Services Program (Program) is responsible for the delivery of dental services to eligible Medi-Cal beneficiaries.

California State Senate Bill 456 (Chapter 635, Statutes of 2001) added Division 110 (commencing with Section 130300) to the Health and Safety (H&S) Code and is known as the Health Insurance Portability and Accountability Act (HIPAA) of 2001. H&S Code Section 130301(f) provides that federal HIPAA rules directly apply to state and county departments that provide health coverage, health care, mental health services, and alcohol and drug treatment programs. Additionally, H&S Code Section 130301(h) provides that the implementation of HIPAA shall be accomplished as required by federal law and regulations. H&S Code Section 130301(c) further provides that "administrative simplification is a key feature of HIPAA" requiring the development of uniform standards for the coding and transmission of claims. These provisions of the H&S Code subject the Department to federal HIPAA rules and regulations for the implementation of uniform standard code sets.

The federal Health Insurance Portability and Accountability Act of 1996, specifically 45 Code of Federal Regulations (CFR), Subpart J, Section 162.1002 adopted as the standard medical data code set, the Code on Dental Procedures and Nomenclature, as maintained and distributed by the American Dental Association (ADA), for dental services. This provision required the Program to convert from the use of three-digit local procedure codes, which are unique to California, to the national standard Current Dental Terminology (CDT) procedure codes as approved by the ADA. The current version of these codes is called CDT 2011-2012 which this regulation package will update from the CDT 4 ver-

sion. These procedure codes shall be used by the Program, Delta Dental of California (the fiscal intermediary for the Program) and dental providers for the identification and billing of dental services provided to Medi-Cal beneficiaries.

The revisions to the dental criteria include new CDT 2011-2012 procedure codes, changes in the existing title of procedures, updated frequency and/or time limitations for dental procedures and documentation requirements that providers shall meet in order to obtain prior authorization and/or payment for dental procedures. The goal of these and other changes to the dental criteria is to conform to the current version of CDT 2011-2012.

W&I Code, Section 14133.9 requires the Department to publicize and continue to develop its list of objective medical criteria that guide the professional judgment of Department consultants in their decisions as to whether a service is medically necessary and should be authorized. The Manual of Criteria for Medi-Cal Authorization (MOC), last revised January 1, 2006, which is incorporated by reference into Title 22, California Code of Regulations (CCR), Section 51003, is the method by which the Department has met this requirement. Chapter 8.1 of the MOC is dedicated to the dental criteria.

This proposed regulatory action will: implement the new updated 2011-2012 national standard CDT codes as mandated by HIPAA, update the dental criteria associated with the national standard CDT procedure codes and assure the Program meets current standards of dental practice.

This regulatory action specifically accomplishes the following:

- Amends CCR Section 51003(e) with a revision date for the MOC,
- Amends Chapter 8.1 of the MOC, which is incorporated by reference in CCR Section 51003(e) and includes revised criteria for the 12 major dental procedure categories,
- Amends the Handicapping Labio-Lingual Deviation (HLD) Index California Modification Score Sheet Form, DC016 (10/05).

COMMENTS

Any written comments pertaining to these regulations, regardless of the method of transmittal, must be received by the Office of Regulations by 5 p.m. on September 16, 2011, which is hereby designated as the close of the written comment period. Comments received after this date will not be considered timely. Persons wishing to use the California Relay Service may do so at no cost. The telephone numbers for accessing this service are: 1-800-735-2929, if you have a TDD; or 1-800-735-2922, if you do not have a TDD. Written comments may be submitted as follows:

1. By mail to the Office of Regulations, Department of Health Care Services, MS 0015, 1501 Capitol Avenue, P.O. Box 997413, Sacramento, CA 95899-7413; or
2. By hand-delivery to the Office of Regulations, Department of Health Care Services, 1501 Capitol Avenue, Suite 5084, Sacramento, CA 95814; or
3. By fax transmission: (916) 440-5748; or
4. By email to regulations@dhcs.ca.gov (it is requested that email transmissions of comments, particularly those with attachments, contain the regulation package identifier "DHCS-11-003" in the subject line to facilitate timely identification and review of the comment).

All comments, including email or fax transmissions, should include the author's name and U.S. Postal Service mailing address in order for the Department to provide copies of any notices for proposed changes to the regulation text on which additional comments may be solicited.

INQUIRIES

Inquiries regarding the substance of the proposed regulations described in this notice may be directed to Dr. Brian Kennedy of Medi-Cal Dental Services at (916) 464-1206.

All other inquiries concerning the action described in this notice may be directed to Ben Carranco of the Office of Regulations at (916) 440-7766, or to the designated backup contact person, Lynette Cordell, at (916) 440-7695.

CONTACTS

In any inquiries or written comments, please identify the action by using the Department regulation package identifier, DHCS-11-003.

AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF REGULATIONS

The Department has prepared and has available for public review an initial statement of reasons for the proposed regulations, all the information upon which the proposed regulations are based, and the text of the proposed regulations. The Office of Regulations, at the address noted above, will be the location of public records, including (rulemaking file). In addition, a copy of the final statement of reasons (when prepared) will be available upon request from the Office of Regulations.

Materials regarding the action described in this notice (including this public notice, the regulation text, and the initial statement of reasons) that are available via the Internet may be accessed at www.dhcs.ca.gov by clicking on the Decisions Pending and Opportunity for Public Participation link (from the left menu), then selecting the Proposed Regulations link.

In order to request a copy of this public notice, the regulation text, and the initial statement of reasons be mailed to you, please call (916) 440-7695 (or California Relay at 711/1-800-735-2929), or email regulations@dhcs.ca.gov, or write to the Office of Regulations at the address noted above. Upon specific request, these documents will be made available in Braille, large print, and audiocassette or computer disk.

AVAILABILITY OF CHANGED OR MODIFIED TEXT

The full text of any regulation which is changed or modified from the express terms of the proposed action will be made available by the Department's Office of Regulations at least 15 days prior to the date on which the Department adopts, amends, or repeals the resulting regulation.

FISCAL IMPACT ESTIMATE

- A. Fiscal Effect on Local Government: None.
- B. Fiscal Effect on State Government: None.
- C. Fiscal Effect on Federal Funding of State Programs: None.
- D. All cost impacts, known to the Department at the time the notice of proposed action was submitted to the Office of Administrative Law, that a representative private person or business would

necessarily incur in reasonable compliance with the proposed action: The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

- E. Other nondiscretionary costs or savings including revenue changes imposed on State or Local Government: None.

DETERMINATIONS

The Department has determined that the regulations would not impose a mandate on local agencies or school districts, nor are there any costs for which reimbursement is required by Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

The Department has made an initial determination that the proposed regulations would not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The Department has determined that the proposed regulations would not significantly affect the following:

- (1) The creation or elimination of jobs within the State of California.
- (2) The creation of new businesses or the elimination of existing businesses within the State of California.
- (3) The expansion of businesses currently doing business within the State of California.

The Department has determined that the regulations would affect small businesses since many Medi-Cal dental providers meet the criteria for small business. Medi-Cal is a voluntary program for both service providers and beneficiaries. Therefore, only those businesses that choose to be Medi-Cal providers for Dental Services would be affected by these regulations.

The Department has determined that the proposed regulations will have no impact on housing costs.

ADDITIONAL STATEMENTS AND COMMENTS

In accordance with Government Code Section 11346.5(a)(13) the Department must determine that no reasonable alternative considered by the Department or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

No public hearing has been scheduled; however any interested person or his or her duly authorized represen-

tative may request in writing, no later than 15 days prior to the close of the written comment period, a public hearing pursuant to Government Code Section 11346.8. The Department shall consider all comments received regarding the proposal equally, whether submitted in writing or through oral testimony at a public hearing.

For individuals with disabilities, the Department will provide assistive services such as sign-language interpretation, real-time captioning, note takers, reading or writing assistance, and conversion of public hearing materials into Braille, large print, audiocassette, or computer disk. To request such services or copies in an alternate format, please write or call: Susan Pierson, Office of Regulations, MS 0015, P.O. Box 997413, Sacramento, CA 95899-7413, voice (916) 440-7695 and/or California Relay 711/1-800-735-2929. Note: The range of assistive services available may be limited if requests are received less than ten business days prior to a public hearing.

TITLE 24. BUILDING STANDARDS COMMISSION

NOTICE OF PROPOSED ACTION TO BUILDING STANDARDS OF THE CALIFORNIA BUILDING STANDARDS COMMISSION (CBSC)

REGARDING AMENDMENTS TO THE 2010 CALIFORNIA BUILDING STANDARDS CODE, TITLE 24, CALIFORNIA CODE OF REGULATIONS (CCR), PARTS 2, 3, 4, 5 and 6 in TITLE 24, CCR, PART 11, CALIFORNIA GREEN BUILDING STANDARDS CODE

Notice is hereby given that CBSC proposes to adopt, approve, codify, and publish voluntary green building standards in CCR, Title 24, Part 11, 2010 edition.

PUBLIC COMMENT PERIOD

A public hearing has not been scheduled; however, written comments will be accepted from July 29, 2011, until 5:00 p.m. on September 12, 2011. Please address your comments to:

California Building Standards Commission
 2525 Natomas Park Drive, Suite 130
 Sacramento, CA 95833
 Attention: Dave Walls, Executive Director

Written Comments may also be faxed to (916) 263-0959 or emailed to CBSC@dgs.ca.gov.

Pursuant to Government Code Section 11346.5(a)(17), any interested person or his or her duly authorized representative may request, no later than 15 days prior to the close of the written comment period, that a public hearing be held.

POST-HEARING MODIFICATIONS TO THE TEXT OF THE REGULATIONS

Following the public comment period, CBSC may adopt the proposed building standards substantially as proposed in this notice or with modifications that are sufficiently related to the original proposed text and notice of proposed changes. If modifications are made, the full text of the proposed modifications, clearly indicated, will be made available to the public for at least 15 days prior to the date on which CBSC adopts, amends, or repeals the regulation(s). CBSC will accept written comments on the modified building standards during the 15-day period.

NOTE: To be notified of any modifications, you must submit written/oral comments or request that you be notified of any modifications.

AUTHORITY AND REFERENCE

The California Building Standards Commission proposes to adopt these building standards under the authority granted by Health and Safety Code (H&SC) Sections 18928, 18930.5, 18934.5, and 18938(b). The purpose of these building standards is to implement, interpret, and make specific the provisions of H&SC, Division 13, Part 2.5, commencing with Section 18901; and H&SC Section 38500 et seq.

INFORMATIVE DIGEST

Summary of Existing Laws

H&SC Section 18928 authorizes the commission to adopt the most recent edition of model codes, national standards, or specifications.

H&SC 18930.5 grants CBSC the authority, if no state agency has the authority or expertise to propose green building standards applicable to a particular occupancy, to adopt, approve, codify, update, and publish green building standards for those occupancies.

H&SC Section 18934.5 sets forth that, where no state agency has the authority to adopt building standards applicable to state buildings, the commission shall adopt, approve, codify, and publish building standards providing the minimum standards for the design and construction of state buildings.

H&SC Section 18938(b) provides that model code standards as referenced in the California Building Standards Code (CCR, Title 24) shall apply to all occupancies throughout the state, and shall become effective 180 days after publication in the California Building Standards Code by CBSC, or on a later date after publication established by CBSC.

H&SC Section 18941.5 (Stats. 2009, c. 89) specifies that building standards adopted by a city, county, or city and county include, but are not limited to, green building standards for the purposes of local amendment filings and findings.

H&SC Section 18941.8 (Stats. 2010 c. 622) removes the Department of Water Resources as the authoritative agency for nonresidential graywater use and requires CBSC to develop standards for the next triennial code adoption cycle after January 1, 2011, or the current 2012 triennial cycle.

H&SC Section 38500 et seq. (AB 32, Stats 2006, c. 488) requires a cap on greenhouse gas (GHG) emissions by 2020, mandatory emissions reporting, and a market-based compliance program.

Summary of Existing Regulations

California Code of Regulations (CCR), Title 24, also referred to as the 2010 California Building Standards Code incorporates the following:

- Part 1, the California Administrative Code, with administrative regulations for CBSC and the California Energy Commission (CEC)
- Part 5, the California Plumbing Code, with Appendix G graywater irrigation standards authored by Department of Water Resources
- Part 6, the California Energy Code, which contains minimum energy efficiency standards for nonresidential buildings in California promulgated by the CEC
- Part 11, the California Green Building Standards Code (CGBSC), also known as the CALGreen Code, which contains mandatory and voluntary green building standards for residential, nonresidential, and medical facilities

Other relevant CCR titles:

- Title 17 includes regulations for air quality promulgated by the California Air Resources Board
- Title 20, Article 4, Appliance Efficiency regulations, contains CEC standards for water consumption of widely used plumbing fixtures.
- Title 23 includes the Model Water Efficient Landscape Ordinance recently updated by Department of Water Resources.

Summary of Effect

This proposed action will make effective voluntary green building referenced standards available in Title

24, Part 11 for buildings under authority of CBSC, on a date commensurate with the 2010 annual code adoption cycle, either 180 days after publication in Title 24 or at a later date determined by CBSC.

Comparable Federal Statute or Regulations

The Environmental Protection Agency (EPA) defines “Brownfield Development”, an option proposed for site planning and design. EPA also regulates ozone-depleting and climate warming chemicals, as well as other air pollutants like wood smoke in updates to the 1970 Clean Air Act. The Federal Water Pollution Control Act (33 U.S.C. 1251 et seq., also known as the Clean Water Act) is adopted in California by the State Water Resources Control Board for management of storm water during construction.

Policy Statement Overview

In 2010, CBSC staff, with a task force of experts on various subjects, developed guidelines to the mandatory and voluntary standards in the 2010 code. They were well-received by designers, builders and enforcement officials, who, in implementing the mandatory but technical requirements of building commissioning, found the commissioning guidelines and templates particularly useful. As a consequence, CBSC proposes to introduce a voluntary Referenced Standards appendix to the 2010 green building code to house guidelines taken through the rulemaking process to ensure standardization and legitimacy through public review and comment.

OTHER MATTERS PRESCRIBED BY
STATUTE APPLICABLE TO THE AGENCY
OR TO ANY SPECIFIC REGULATION OR
CLASS OF REGULATIONS

CBSC has determined that there are no other matters prescribed by statute applicable to the agency or to any specific regulation or class of regulations.

MANDATE ON LOCAL AGENCIES
OR SCHOOL DISTRICTS

CBSC has determined that projects following the Green Building Code would impose a mandate on local agencies in the form of verification. However, the mandate does not require reimbursement pursuant to Part 7 (commencing with section 17500) of Division 4, Government Code. No mandate is imposed on school districts.

ESTIMATE OF COST OR SAVINGS

A. Cost or savings to any state agency: **None**

- B. Cost to any local agency required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4: **None**
- C. Cost to any school district required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4: **None**
- D. Other nondiscretionary cost or savings imposed on local agencies: **None**
- E. Cost or savings in federal funding to the state: **None**

Estimate: CBSC has prepared an Economic and Fiscal Impact Statement, Form 399, to assess the impact of the proposed action. It is available on request of CBSC from contacts noted below.

INITIAL DETERMINATION OF NO
SIGNIFICANT STATEWIDE ADVERSE
ECONOMIC IMPACT ON BUSINESSES

CBSC has made an initial determination that the adoption of these regulations will not have a significant statewide adverse economic impact on businesses, including the ability of California businesses to compete with business in other states. These are proposed for location in a useful voluntary referenced standard appendix and are not mandated.

DECLARATION OF EVIDENCE

CBSC’s initial determination of no significant, statewide adverse economic impact directly affecting business in California and their ability to compete with businesses in other states does not require any additional evidence, documents or other evidence to support this action over and above the Initial Statement of Reasons and the Economic and Fiscal Impact Statement which are part of this rulemaking.

FINDING OF NECESSITY FOR THE PUBLIC’S
HEALTH, SAFETY, OR WELFARE

CBSC has made an assessment of the proposed code changes and has determined that these changes do not require a report.

COST IMPACT ON REPRESENTATIVE PRIVATE
PERSON OR BUSINESS

CBSC is not aware of cost impacts that a representative private person or business could incur in reasonable compliance with the proposed action, since these are useful voluntary referenced standards and are not mandated.

ASSESSMENT OF EFFECT OF REGULATIONS
UPON JOBS AND BUSINESS EXPANSION,
ELIMINATION OR CREATION

CBSC has assessed whether or not and to what extent this proposal will affect the following:

- **The creation or elimination of jobs within the State of California.** These regulations, employing emerging green building technologies, products, and services, should create jobs within the State of California.
- **The creation of new businesses or the elimination of existing businesses within the State of California.** These regulations, employing emerging green building technologies, products, and services should create new business and should expand opportunities for existing business within the State of California.
- **The expansion of businesses currently doing business with the State of California.** These regulations will position California in the lead for statewide green building guidelines, and should provide opportunities for businesses currently doing business within the State of California.

INITIAL DETERMINATION OF SIGNIFICANT
EFFECT ON HOUSING COSTS

The CBSC has made an initial determination that this proposal would not have a significant effect on housing costs.

CONSIDERATION OF
REASONABLE ALTERNATIVES

The CBSC must determine that no reasonable alternative considered by the state agency or that has otherwise been identified and brought to the attention of the agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

AVAILABILITY OF
RULEMAKING DOCUMENTS

All of the information upon which the proposed regulations are based is contained in the rulemaking file, which is available for public review, by contacting the persons named below.

Interested parties may obtain a copy of the final statement of reasons once it has been prepared, by making a written request to the contact persons named below.

PROPOSED AMENDMENT OF
SECTION 25703(a)(6)
QUANTITATIVE RISK ASSESSMENT

NOTICE IS HEREBY GIVEN that the Office of Environmental Health Hazard Assessment (OEHHA) proposes to amend Title 27, Cal. Code of Regulations, section 25703(a)(6)¹, to modify the calculation used to convert estimates of animal cancer potency to estimates of human cancer potency. Cancer potency estimates are used to calculate No Significant Risk Levels for carcinogens listed under Proposition 65². This modification will bring the Proposition 65 program interspecies con-

PUBLIC PROCEEDINGS

OEHHA is requesting public comment concerning these proposed amendments to the regulation. A public hearing to present oral comments will be scheduled only upon request. Such a request must be submitted in writing no later than 15 days before the close of the comment period on September 12, 2011. The written request must be received by OEHHA at the address listed below no later than August 29, 2011. A notice for the public hearing, if one is requested, will be posted on the OEHHA web site at least ten days in advance of the hearing date. The notice will provide the date, time, location and subject matter to be heard. Notices will also be sent to those individuals requesting such notification.

Any written statements or arguments, regardless of the form or method of transmission, must be received by OEHHA by 5:00 p.m. on September 12, 2011, which is hereby designated as the close of the written comment period. Written comments regarding this proposed action may be sent by fax, mail or by e-mail addressed to:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Proposition 65 was enacted as a voters' initiative on November 4, 1986, and codified at Health and Safety Code section 25249.5 et seq. OEHHA, within the California Environmental Protection Agency, is the state entity responsible for the implementation of the Act. OEHHA has the authority to promulgate and amend regulations to further the purposes of the Act³. The Act requires businesses to provide a warning when they cause an exposure to a chemical listed as known to cause cancer⁴. The Act also prohibits the discharge of listed chemicals to sources of drinking water⁵.

For chemicals known to cause cancer, an exemption from the warning requirement is provided by the Act when a person in the course of doing business is able to demonstrate that an exposure for which the person is responsible produces no significant risk or that a discharge which otherwise complies with all applicable requirements would not cause any significant amount of the discharged or released chemical to enter any source of drinking water⁶. A determination that a level of exposure poses no significant risk may be made utilizing regulations that have previously been adopted by OEHHA (sections 25701-25721).

Section 25703 provides the guidance for conducting quantitative risk assessments to establish "No Significant Risk Levels," or "NSRLs." Subsection (a) provides certain default assumptions or principles which OEHHA considers to be "generally accepted" that can be used to calculate NSRLs. NSRLs are calculated from estimates of human cancer potency, a measure of the carcinogenic activity of the chemical. When data from experiments in animals are used as the basis of the calculation, an animal cancer potency estimate is derived. This animal cancer potency estimate is then converted to a human cancer potency estimate, using an interspecies scaling factor. Subsection (a)(6) provides a formula for interspecies scaling for making this conversion. However, Section 25703(a) also provides that other assumptions, principles or data sets should be used where scientifically more appropriate. The proposed regulation aims to update the approach to interspecies scaling to be consistent with practices of other OEHHA programs and of the U.S. Environmental Protection Agency.

³ Health and Safety Code section 25249.12.

⁴ Health and Safety Code section 25249.6.

⁵ Health and Safety Code section 25249.5.

REFERENCE

Health and Safety Code sections 25249.5, 25249.6, 25249.10(c), 25249.11, and 25249.12.

IMPACT ON LOCAL AGENCIES OR SCHOOL DISTRICTS

OEHHA has determined the proposed regulatory action would not impose a mandate on local agencies or school districts; nor does it require reimbursement by the State pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

OEHHA has also determined that no nondiscretionary costs or savings to local agencies or school districts will result from the proposed regulatory action. Proposition 65 expressly does not apply to federal, state or local governmental agencies (Health and Safety Code section 25249.11(b)).

COSTS OR SAVINGS TO STATE AGENCIES

OEHHA has initially determined that no significant savings or increased costs to any State agency will result from the proposed regulatory action. Proposition 65 expressly does not apply to federal, state or local governmental agencies (Health and Safety Code section 25249.11(b)).

EFFECT ON FEDERAL FUNDING TO THE STATE

OEHHA has initially determined that no costs or savings in federal funding to the State will result from the proposed regulatory action.

EFFECT ON HOUSING COSTS

OEHHA has initially determined that the proposed regulatory action will have no effect on housing costs.

SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESS, INCLUDING ABILITY TO COMPETE

OEHHA has made an initial determination that the adoption of the amendments to the regulation will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. The proposed regulation does not impose any new requirements upon private persons or business.

IMPACT ON THE CREATION, ELIMINATION, OR EXPANSION OF JOBS/BUSINESSES

OEHHA has initially determined that the proposed regulatory action will not have any impact on the creation or elimination of jobs, the creation of new businesses or the elimination of existing businesses, or the expansion of businesses currently doing business within the State of California.

COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES

OEHHA is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON SMALL BUSINESSES

OEHHA has determined that the proposed regulatory action will not impose any new or additional requirements on small businesses. Proposition 65 exempts businesses with less than 10 employees.

CONSIDERATION OF ALTERNATIVES

Pursuant to Government Code section 11346.5(a)(13), OEHHA must determine that no reasonable alternative considered by OEHHA, or that has otherwise been identified and brought to the attention of OEHHA, would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.

AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

OEHHA has prepared and has available for public review an Initial Statement of Reasons for the proposed regulatory amendments, all the critical information upon which the regulation is based, and the text of the proposed amendments to the regulation. A copy of the Initial Statement of Reasons and a copy of the text of the proposed regulation are available upon request from Monet Vela at the telephone number indicated above. These documents are also posted on OEHHA's Web site at www.oehha.ca.gov.

AVAILABILITY OF CHANGED OR MODIFIED TEXT

The full text of any proposed regulation which is changed or modified from the express terms of the pro-

posed action will be made available at least 15 days prior to the date on which OEHHA adopts the resulting regulation. Notice of the comment period on the changed proposed regulations and the full text will be mailed to individuals who testified or submitted oral or written comments at the public hearing, whose comments were received by OEHHA during the public comment period, and who request notification from OEHHA of availability of such change. Copies of the notice and the changed regulation will also be available at OEHHA's web site at www.oehha.ca.gov.

FINAL STATEMENT OF REASONS

A copy of the Final Statement of Reasons may be obtained, when it becomes available, from OEHHA's Monnet Vela at the telephone number indicated above. The Final Statement of Reasons will also be available at OEHHA's web site at www.oehha.ca.gov.

Public Interest Notice**

For Publication July 29, 2011
CESA CONSISTENCY DETERMINATION
REQUEST FOR
Dixon Main Drain and V-Drain Project
(2080-2011-017-03)
Solano County

The Department of Fish and Game (Department) received a notice on July 18, 2011 that Dixon Regional Watershed Joint Powers Authority proposes to rely on a consultation between federal agencies to carry out a project that may adversely affect a species protected by the California Endangered Species Act (CESA). The proposed action includes the enlargement of the Dixon Main Drain and V-Drain channels to provide an increase in flow capacity.

The U.S. Fish and Wildlife Service (Service) issued a "no jeopardy" federal biological opinion (File No. 81410-2010-F-0008-2)(BO) and incidental take statement (ITS) to the U.S. Army Corps of Engineers on December 7, 2010 which considered the effects of the project on the Federally threatened and State endangered Delta smelt (*Hypomesus transpacificus*), and the Federally and State threatened giant garter snake (*Thamnophis couchi gigas*). The Service issued an amendment to the BO (File No. 81410-2010-F0008-R001)(Amendment) on June 28, 2011.

Pursuant to California Fish and Game Code Section 2080.1, Dixon Regional Watershed Joint Powers Authority is requesting a determination that the BO and ITS are consistent with CESA for purposes of the proposed Project. If the Department determines the BO and ITS are consistent with CESA for the proposed Project, Dixon Regional Watershed Joint Powers Authority will not be required to obtain an incidental take permit under Fish and Game Code section 2081 for the Project.

JULY 29, 2011

The Office of Environmental Health Hazard Assessment (OEHHA) is providing notice of changes made to the proposed regulation: Title 22, California Code of Regulations, sections 69401 through 69406. A Notice of Proposed Rulemaking was originally issued for this proposed regulation on December 17, 2010 and published in the California Regulatory Notice Register (Register 2010, No 51-Z). The proposed regulation is related to the specification of hazard traits by OEHHA as required by Senate Bill (SB) 509 (Simitian, Chapter 560, Statutes of 2008). A public hearing on this regulatory proposal was held on January 31, 2011. Written comments from the public were received during a 45-day comment period which closed on February 15, 2011. Pursuant to Health and Safety Code (HSC) section 57004, the University of California coordinated an external scientific peer review of the proposed regulation. Comments from the three peer reviewers were received in June 2011.

OEHHA has reviewed the comments it received and is now proposing modifications to the proposed regulation. The comments received are posted on the OEHHA website at <http://www.oehha.ca.gov/multimedia/green/gc121710.html#comments> or may be requested from Monet Vela at the OEHHA Legal Office at (916) 323-2517.

A copy of the text of the amended proposed regulation is attached. The proposed additions and deletions are shown in strike-out and underline. The page numbers for the table of contents and document page numbers have been changed to reflect the document shifts caused by the text modifications. Due to formatting difficulties, these number changes have not been shown in strike-out and underline. The changes to the proposed text, which were made in response to public comments and comments by the peer reviewers, are as follows:

- Amended definitions of “environmental endpoints” and “hazard traits” for clarity.
- Added the words “contributing to” to the definitions of the hazard traits eutrophication (subsection 69404.2(a)) and loss of genetic diversity (subsection 69404.4(a)) because chemicals contribute to, but are not solely responsible for, the adverse effects covered in the definitions of these hazard traits.
- Added Neurodevelopmental Toxicity as a separate hazard trait from neurotoxicity. There are separate and distinct toxicity tests specifically for neurodevelopmental toxicity, and this hazard trait specifically impacts infants and children who are sensitive subpopulations that the Department of Toxic Substances Control must consider under Health and Safety Code section 25252 in using hazard-trait information to identify chemicals of concern in consumer products.
- Added Article 7, Additional Relevant Data, to capture information that may be included in the Clearinghouse that is useful for chemical evaluations that are conducted under Health and Safety Code section 25252. Physicochemical properties are typically used in evaluating the movement of chemicals through the environment and into wildlife and humans. Exposure-response information could include cancer potency factors, Reference Doses, Reference Exposure Levels, or No-Observed-Adverse-Effect Levels, for example. This type of information is used to evaluate the risks posed by chemical hazards.
- Amended the sections on other relevant data for each of the toxicological hazard traits to be consistent with one another in terms of structural and mechanistic information.
- Amended subsection 69403.17(a)(2), Evidence for Toxicological Hazard Traits and subsection 69404.10(a)(2), Evidence for Environmental Hazard Traits, to provide for more general consideration of the totality of a database on a specific chemical undergoing evaluation in the Green Chemistry program.

- Amended subsection 69405.2 for Bioaccumulation hazard trait to add additional types of evidence.
- Added language to subsection 69406.3(b) on the Flammability hazard trait to add additional U.S. based criteria.
- Made various minor wording changes to ensure clarity and consistency.

OEHHA will accept written comments on these amendments to the proposed regulation between July 29, 2011, and September 12, 2011. All written comments must be submitted to OEHHA by mail, fax, courier, e-mail, or hand-delivery by no later than 5:00 p.m. on **September 12, 2011**. Comments should be addressed to

**SAFE DRINKING WATER AND TOXIC
ENFORCEMENT ACT OF 1986 (Proposition 65)**

**NOTICE TO INTERESTED PARTIES

**A CHEMICAL LISTED EFFECTIVE
JULY 29, 2011
AS KNOWN TO THE STATE OF CALIFORNIA
TO CAUSE REPRODUCTIVE TOXICITY**

The Office of Environmental Health Hazard Assessment (OEHHA) within the California Environmental

Protection Agency is adding *a-methyl styrene* (CAS No. 98-83-9) to the list of chemicals known to the state to cause reproductive toxicity for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65¹). The listing of *a-methyl styrene* for the endpoint of female reproductive toxicity is effective **July 29, 2011**.

Health and Safety Code section 25249.8(a) requires that substances identified in Labor Code section 6382(d) as causing reproductive toxicity be included on the Proposition 65 list. Labor Code section 6382(d) captures any chemicals within the scope of the federal Hazard Communication Standard that are identified as reproductive toxicants. Chemicals fall within the scope of the Hazard Communication Standard if they are listed as hazardous in the latest edition of the American Conference of Governmental Industrial Hygienists' (ACGIH) "Threshold Limit Values (TLVs)." The TLV for *a-methyl styrene* (female endpoint) was established on the basis of ACGIH's findings of female reproductive damage.

The basis for the listing of *a-methyl styrene* was described in a public notice published in the May 27, 2011, issue of the *California Regulatory Notice Register* (Register 2011, No. 21-Z). The title of the notice was "Notice of Intent to List Alpha-Methyl Styrene by the Labor Code Mechanism". The publication of the notice initiated a 30-day public comment period that closed on June 27, 2011.

A complete, updated Proposition 65 list is published elsewhere in this issue of the *California Regulatory Notice Register* and is available on the OEHHA website at <http://www.oehha.ca.gov/prop65.html>.

REPRODUCTIVE TOXICITY**

Effective **July 29, 2011**, the Office of Environmental Health Hazard Assessment (OEHHA) is adding *sulfur dioxide* (CAS No. 7446-09-5) to the list of chemicals known to the State to cause reproductive toxicity for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65¹).

Sulfur dioxide was considered by the Developmental and Reproductive Toxicant Identification Committee (DARTIC) in its official capacity as the "state's qualified experts" at a public meeting held on July 12 and 13, 2011. The DARTIC determined that sulfur dioxide was clearly shown, through scientifically valid testing according to generally accepted principles, to cause developmental toxicity, an endpoint of reproductive toxicity. Regulations governing the criteria for listing of chemicals by the DARTIC are set out in Title 27, California Code of Regulations, section 25305(b)(1).

A complete, updated chemical list is published in this issue of the *California Regulatory Notice Register* and is available on the OEHHA website at www.oehha.ca.gov.

In summary, the following chemical is being listed under Proposition 65 as known to the State to cause reproductive toxicity

CHEMICALS KNOWN TO THE STATE
TO CAUSE CANCER OR
REPRODUCTIVE TOXICITY

May 20, 2011

The Safe Drinking Water and Toxic Enforcement Act of 1986 requires that the Governor revise and republish

at least once per year the list of chemicals known to the State to cause cancer or reproductive toxicity. The identification number indicated in the following list is the Chemical Abstracts Service (CAS) Registry Number. No CAS number is given when several substances are presented as a single listing. The date refers to the initial appearance of the chemical on the list. For easy reference, chemicals which are shown underlined are newly added. Chemicals which are shown with a strikethrough were placed on the list with the date noted, and have subsequently been removed.

**ANNOUNCEMENT OF PUBLICATION OF THE
FINAL PUBLIC HEALTH GOAL FOR
HEXAVALENT CHROMIUM IN
DRINKING WATER**

The Office of Environmental Health Hazard Assessment (OEHHA) of the California Environmental Protection Agency announces the publication of the final technical support document for the Public Health Goal (PHG) for hexavalent chromium in drinking water. The PHG for hexavalent chromium is established at 0.02 parts per billion (ppb). The health-protective level is based on avoidance of potential carcinogenic effects.

The draft document has gone through a public workshop and scientific and public comment periods. The first public review draft PHG document was released on August 20, 2009. A public workshop on the first PHG draft document was held on October 19, 2009, along with a public comment period that closed on November 2, 2009. An external scientific peer review pursuant to Health and Safety Code section 116365(c)(3)(D) was requested and conducted. A revised PHG draft document was released for public review on December 31, 2010.

OEHHA has evaluated all the comments received and revised the document as appropriate. The final document is posted on the OEHHA web site along with responses to the major comments received. In developing this PHG, OEHHA follows the requirements set forth in Health and Safety Code Sections 57003(a) and 116365 for receiving public input.

The PHG technical support documents provide information on the health effects of contaminants in drinking water. The PHG is a level of drinking water contaminant at which adverse health effects are not expected to occur from a lifetime of exposure. The California Safe Drinking Water Act of 1996 (codified as Health and Safety Code, section 116270 et seq.) requires OEHHA to develop PHGs based exclusively on public health considerations (Health and Safety Code section 116365(c)). PHGs published by OEHHA are considered by the California Department of Public Health in setting drinking water standards (Maximum Contaminant Levels, or MCLs) as required by Health and Safety Code section 116365(a-b).

If you would like to receive further information on this announcement or have questions, please contact our office at (510) 622-3170 or the address below.

DECISION NOT TO PROCEED

BUILDING STANDARDS COMMISSION

NOTICE OF DECISION NOT TO PROCEED
(Pursuant to Government Code section 11347)

**CALIFORNIA BUILDING STANDARDS
COMMISSION (CBSC)**
Concerning Title 24, Part II, Green Code

Pursuant to Government Code Section 11347, CBSC hereby gives notice that it has decided not to proceed with the rulemaking action published in the California Regulatory Notice Register (CRNR), July 15, 2011 (CRNR 2011, No. 28-Z, p. 1100, OAL File Number Z-2011-0705-04.)

CBSC found it necessary not to proceed with the action at this time in order to extend the period of involvement of state agencies, stakeholders, and interested parties in accordance with Government Code Section 11346.45(a) prior to publication of the notice.

Any interested person with questions concerning this rulemaking should contact Jane Taylor at either (916) 263-0916 or by e-mail at: jane.taylor@dgs.ca.gov.

BOARD OF OCCUPATIONAL THERAPY
Administrative Citations; Record Retention

The amendments to section 4141 of the California Code of Regulations establish the statutorily allowed ceiling for imposition of fines by the board pursuant to Business & Professions Code section 125.9. The adoption of section 4145 is to provide a timeline for the purging and retention of records regarding citations. (Most will be purged after five years. Those relating to fraud or unlicensed practice will not ever be purged.)

 Light Brown Apple Moth Interior Quarantine

This regulatory action removed approximately 10 square miles of the South Park area of San Diego County; added approximately five miles to the area in Long Beach, Los Angeles County; added approximately one square mile to the Sacramento area of Sacramento County; added approximately seven square miles to the Manteca area of San Joaquin County; and added one square mile to the Los Osos area of San Luis Obispo County to the currently designated quarantine areas for the light brown apple moth "LBAM" ("Epiphyas postvittana"). The effect of the amendments is to remove or add authority for the state to perform quarantine activities against the LBAM in these areas. The amendments result in a total of approximately 5,362 square miles under regulation within the state.

 Ground Water Rule

This rulemaking action adopts new Title 22 California Code of Regulations section 64430 which incorporates by reference, for the most part, provisions of Title 40 of the Code of Federal Regulations which regulate drinking water from ground water sources. The incorporated federal regulatory provisions address such issues as coliform sampling and monitoring, certification of testing laboratories, treatment techniques, corrective actions, timelines, processes for invalidation of suspected positive coliform water samples, and reporting, recordkeeping, and documentation requirements.

 Certificates of Financial Responsibility

This rulemaking amends several sections in Title 14 of the California Code of Regulations and repeals one section. Definitions are added to clarify what a Certificate of Financial Responsibility (COFR) is and to clarify the requirements for the COFR. The amendments also clarify the timeframes and procedures required when evidence of financial responsibility is terminated or about to expire. The amendments provide additional explanations regarding timeframes for the submission of renewal documents for insurance coverage as well as self-insurance documents that are used to establish financial responsibility. Finally, references to paper copies of the certificate required to be kept on board the vessel are being removed to further the movement towards electronic access to this information.
