**PROPOSED ACTION ON  
REGULATIONS**

*Information contained in this document is published as received from agencies and is not edited by Thomson Reuters.*

**TITLE 2. CALIFORNIA CHILDREN  
AND FAMILIES COMMISSION**

NOTICE IS HEREBY GIVEN that the California Children and Families Commission, pursuant to the authority vested in it by section 87306 of the Government Code, proposes amendment to its Conflict-of-Interest Code. The purpose of these amendments is to implement the requirements of sections 87300 through 87302, and section 87306 of the Government Code.

The California Children and Families Commission proposes to amend its Conflict-of-Interest Code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code.

This amendment is to provide more tailored disclosure categories so that only those assets that can be affected by decisions made on behalf of the agency are required to be disclosed, and makes other technical changes to reflect the current organizational structure of the Department. Copies of the amended code are available and may be requested from the Contact Person set forth below.

Any interested person may submit written statements, arguments, or comments relating to the proposed amendments by submitting them in writing no later than November 25, 2013, or at the conclusion of the public hearing, if requested, whichever comes later, to the Contact Person set forth below.

At this time, no public hearing has been scheduled concerning the proposed amendments. If any interested person or the person's representative requests a public hearing, he or she must do so no later than November 10, 2013, by contacting the Contact Person set forth below.

The California Children and Families Commission has prepared a written explanation of the reasons for the proposed amendments and has available the information on which the amendments are based. Copies of the proposed amendments, the written explanation of the reasons, and the information on which the amendments

are based may be obtained by contacting the Contact Person set forth below.

The California Children and Families Commission has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.
2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary costs or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

In making these proposed amendments, the California Children and Families Commission must determine that no alternative considered by the agency would be more effective in carrying out the purpose for which the amendments are proposed or would be as effective and less burdensome to affected persons than the proposed amendments.

All inquiries concerning this proposed amendment and any communication required by this notice should be directed to:

**TITLE 2. FAIR POLITICAL  
PRACTICES COMMISSION**

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission (the "Commission"), under the authority vested in it under the Political Reform Act (the "Act")<sup>1</sup> by Section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in Title 2, Division 6 of the California Code of Regulations. The

<sup>1</sup> The Political Reform Act is contained in Government Code Sections 81000 through 91014. All statutory references are to the Government Code, unless otherwise indicated. The regulations of the Fair Political Practices Commission are contained in Sections 18110 through 18997 of Title 2 of the California Code of Regulations. All regulatory references are to Title 2, Division 6 of the California Code of Regulations, unless otherwise indicated.

Commission will consider the proposed regulation at a public hearing on or after **November 14, 2013**, at the offices of the Fair Political Practices Commission, 428 J Street, Suite 800, Sacramento, California, commencing at approximately **10:00 a.m.** Written comments must be received at the Commission offices no later than **5:00 p.m.** on **November 12, 2013**.

#### BACKGROUND/OVERVIEW

Section 84250 requires a committee primarily formed to support or oppose a LAFCO<sup>2</sup> proposal to file campaign statements on a monthly basis. A committee must file statements “from the time circulation of a petition begins” until a measure is placed on the ballot. (Section 84252.) The proposed regulation states with greater specificity the events that trigger reporting obligations. For LAFCO proposals initiated by individuals, reporting obligations begin when a petition application is submitted to a LAFCO. For proposals initiated by a government agency, reporting obligations begin when a resolution of application is submitted to a LAFCO. The proposed regulation also conforms the Act’s definition of “LAFCO proposal” to the corresponding provision in the Cortese–Knox–Hertzberg Local Government Reorganization Act and codifies advice letters advising that certain payments made to a LAFCO are neither “contributions” nor “independent expenditures.”

### TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission (Commission), pursuant to the authority vested in it by sections 82011, 87303, and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

#### CONFLICT OF INTEREST CODE AMENDMENT

State Agency: Department of Justice

A written comment period has been established commencing on **October 11, 2013**, and closing on **November 25, 2013**. Written comments should be directed to the Fair Political Practices Commission, Attention Cyndi Glaser, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45–day comment period, the proposed conflict of interest code(s) will be submitted to the Commission’s Executive Director for her review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director of the Commission will review the above–referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section

87302, employees who must disclose certain investments, interests in real property and income.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code(s). Any written comments must be received no later than **November 25, 2013**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

#### COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

#### EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

#### AUTHORITY

Government Code sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code-reviewing body for the above conflict of interest code shall approve the code as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

### TITLE 9. DEPARTMENT OF REHABILITATION

#### SUBJECT: CLIENT ASSISTANCE PROGRAM (CAP)

**Published October 11, 2013**

**NOTICE IS HEREBY GIVEN** that the Department of Rehabilitation ("DOR") proposes to amend Section 7005 (formerly repealed), add Section 7005.5, and repeal Sections 7144, 7145, 7146, and 7147, described below after considering all comments, objections, or recommendations regarding the proposed action.

#### PUBLIC HEARING

The DOR will hold a public hearing at 9:00 a.m. on November 26, 2013, at 721 Capitol Mall, Room 242, Sacramento, California. At the hearing, any person may present statements or arguments, orally or in writing, relevant to the proposed action described in the Informative Digest. The DOR requests, but does not require, that persons who make oral comments at the hearing also submit a written summary of their statements. The hearing will be adjourned immediately following receipt of testimony. No oral statements will be accepted subsequent to this public hearing.

#### WRITTEN COMMENT PERIOD

Any interested person, or his or her authorized representative, may submit written comments relevant to the proposed regulatory action to:

Shelly Risbry, Regulations Coordinator  
Department of Rehabilitation  
721 Capitol Mall  
Sacramento, California 95814-4702

INFORMATIVE DIGEST/POLICY STATEMENT  
OVERVIEW

Comments may also be submitted by facsimile (FAX) at 916-558-5826 or by email to [Legal@dor.ca.gov](mailto:Legal@dor.ca.gov). Comments must be received by the Regulations Coordinator by 5:00 p.m. on November 26, 2013. All written comments received by the DOR during the public comment period are subject to disclosure under the Public Records Act.

Federal law requires that a state or territory, under the Rehabilitation Act of 1973 (Act), must establish a client assistance program (CAP) to assist individuals who apply for or receive vocational rehabilitation or independent living services under the Act, 29 U.S.C. Section 732. The Governor of each State must designate a public or private agency to conduct the State's CAP under 34 C.F.R. part 370.2.

ACCESSIBILITY

The public hearing room is wheelchair accessible. Any person with a disability who needs any reasonable accommodations, should contact Shelly Risbry, Regulations Coordinator, at (916) 445-4466 or [risbry@dor.ca.gov](mailto:risbry@dor.ca.gov), at least two weeks in advance of the date of the hearing.

On September 11, 2013, Governor Brown changed the designated agency for the CAP from the California Department of Rehabilitation (DOR) to Disability Rights California (DRC). The designation is effective October 1, 2013.

AVAILABILITY OF CHANGED OR  
MODIFIED TEXT

Following the public hearing and considering all timely and relevant comments received, the DOR may adopt the proposed regulations substantially as described in this Notice or may modify the proposed regulations if the modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified regulation will be available for 15 days prior to its adoption from the Regulations Coordinator and will be mailed to those persons who submit written comments related to this regulation, or who provide oral testimony at the public hearing, or who have requested notification of any changes to the proposal.

As the DOR is no longer the designated agency for the CAP, this regulatory action repeals Chapter 2.5 governing the CAP. Any necessary definitions that were contained in Chapter 2.5 have been added to the definitions section within Chapter 1.

After conducting a search of any other regulations in this area, the DOR concluded that these are the only regulations dealing with the CAP that assists individuals who apply for or receive vocational rehabilitation or independent living services under the Act. Therefore, the Department finds that these proposed regulations are not inconsistent or incompatible with existing state regulations.

AUTHORITY AND REFERENCE

**Authority:**

Sections 19006 and 19016, Welfare and Institutions Code.

**Reference:**

34 CFR Sections 370.1, 370.2, 370.4 and 370.6; and Sections 19010 and 19011, Welfare and Institutions Code.

The DOR's proposed changes to the regulations are beneficial because they eliminate requirements placed on the CAP and references to the Rehabilitation Appeals Board that has been eliminated. These changes are for the purposes of clarity and consistency, thereby promoting transparency between the government and private individuals.

More specifically, the Department proposes the following amendments:

**Section 7005 Client and Section 7005.5 Client Assistance Program.**

Section 7005 and Section 7005.5 are within Chapter 1 Definitions and Terms. Chapter 2.5 also contains a section of "Definitions and Terms" and DOR proposes repealing this section for the reasons stated below. However, some definitions from Chapter 2.5 must remain. Therefore, the DOR proposes to amend Section 7005, which was formerly repealed, by moving the applicable definition of "client" from Section 7144 subdivision (a)(7) to Section 7005. As "applicant" is already defined in Section 7001, the portion of Section 7144 subdivision (a)(7) referring to "applicant" is not included in the proposed amendment of Section 7005.

The DOR proposes to add Section 7005.5 in order to provide a definition of "client assistance program," which was defined in Section 7144 through a compila-

tion of subdivisions (a)(2) and (a)(6). Section 7005.5 is appropriately placed within Chapter 1 Definitions and Terms.

Having these definitions in Chapter 1 Definitions and Terms promotes clarity and consistency. These are non-substantive changes. **Section 7144 Definitions and Terms, Section 7145 Provision of CAP Services, Section 7146 CAP Service Areas; Transfer, and Section 7147 Funding of Legal Services Through Post-Appeal Review.**

The DOR proposes to repeal Chapter 2.5 Client Assistance Program, which is composed of the above-referenced Sections 7144–7147. These Sections are ineffective because the CAP is now under the control of DRC and not DOR. Furthermore, Section 7147 is ineffective for the additional reason that the Rehabilitation Appeals Board no longer exists in statute.

**DISCLOSURES REGARDING THE  
PROPOSED REGULATIONS**

**FISCAL IMPACT**

Mandate on local agencies and school districts: None.  
Cost or savings to any state agency: None.

Cost to any local agency or school district which must be reimbursed in accordance with Government Code sections 17500 through 17630: None.

Other nondiscretionary cost or savings imposed on local agencies: None.

Cost or savings in federal funding to the state: None.

**SIGNIFICANT, STATEWIDE ADVERSE  
ECONOMIC IMPACT DIRECTLY  
AFFECTING BUSINESS**

Significant, statewide adverse economic impact directly affecting businesses including the ability of California businesses to compete with businesses in other states: None.

**COST IMPACT ASSESSMENT**

Cost impacts on a representative private person or businesses: The DOR is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**RESULTS OF ECONOMIC IMPACT ANALYSIS**

Adoption of these regulations will not:

- (1) create or eliminate jobs within the State of California,
- (2) create new businesses or eliminate existing businesses within California; or
- (3) affect the expansion of businesses currently doing business within California.

Any economic impact was the result of the Governor’s redesignation of the CAP and the elimination of the Rehabilitation Appeals Board, which was effectuated by the repeal of Section 19700, Welfare and Institutions Code. The proposed regulations will not result in further economic impact as the current regulations governing the CAP are ineffective and must be repealed.

The proposed regulations eliminate requirements placed on the CAP and references to the Rehabilitation Appeals Board, which are inconsistent and cause confusion to the public. For these reasons, the proposed regulations will promote justice, equity and transparency between the government and private individuals.

**BUSINESS REPORTS**

Business Reporting Requirement: None.

**HOUSING COSTS**

Significant effect on housing costs: None.

**DETERMINATION OF EFFECT ON  
SMALL BUSINESS**

The DOR has determined that these proposed regulations will not affect small business as defined in Government Code Section 11342.610. The repealed regulations are no longer in effect since they regulate the CAP and the review of Rehabilitation Appeals Board decisions. The CAP is no longer under the DOR’s authority and the Board has been eliminated.

**CONSIDERATION OF ALTERNATIVES**

In accordance with Government Code section 11346.5(a)(13), the DOR must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the DOR would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the statutory policy or other provision of the law.

The DOR invites interested persons to present statements or arguments with respect to alternatives to the

proposed regulations at the scheduled public hearing or during the written comment period.

TITLE 15. DEPARTMENT OF CORRECTIONS AND REHABILITATION

NOTICE IS HEREBY GIVEN that the Secretary of the California Department of Corrections and Rehabilitation (CDCR), pursuant to the authority granted by Government Code (GC) Section 12838.5 and Penal Code (PC) Section 5055, and the rulemaking authority granted by PC Section 5058 and 5058.3, in order to implement, interpret and make specific PC section 5054, proposes to amend Sections 3044, 3190, 3282 and 3335, of the California Code of Regulations (CCR), Title 15, Division 3, concerning the development of a new housing designation: Non-Disciplinary Segregation. Incorporated by reference into these regulations is the Non-Disciplinary Segregation (NDS) Personal Property Matrix.

PUBLIC HEARING

Date and Time: December 2, 2013 — 10:00 a.m. to 11:00 a.m.  
Place: Department of Corrections and Rehabilitation  
Kern Room  
1515 S Street — North Building  
Sacramento, CA 95811  
Purpose: To receive comments about this action.

INFORMATIVE DIGEST

In this regulatory action, the Secretary proposes to amend regulatory provisions by identifying and defining Non-Disciplinary Segregation Inmates. The proposed regulations are intended to provide guidance and clarity to staff and inmates by identifying housing determinations and specific privileges afforded inmates designated with non-disciplinary segregation status.

This action provides the following:

- Amends Subsection 3044 by including language identifying "Non-Disciplinary Segregation (NDS)" and establishes clear direction for classifying specific privilege group designations and privileges for NDS inmates.

- Amends Section 3190 by adding new language to establish and incorporate by reference the Non-Disciplinary Segregation (NDS) Personal Property Matrix which identifies allowable personal property items and amounts for identified NDS inmates units to possess when housed in Administrative Segregation Units. The provisions for updating the NDS Personal Property Matrix when needed are also included in the new language.
- Amends Section 3282 by changing language to clarify inmate telephone privileges consistent with an inmate's assigned privilege group.
- Amends Section 3335 by adding clear and concise language defining Non-Disciplinary Segregation and administrative reasons an inmate may be housed in segregated housing units.

POLICY STATEMENT OVERVIEW

The anticipated benefits of the proposed regulations will provide a consistent means of determining appropriate housing designations and privileges for inmates placed in Administrative Segregation Units (ASU) for non-disciplinary reasons. Currently, all inmates placed in ASU, regardless of the reason for placement, are afforded limited privileges based on the need to maintain safety and security of the institution. These regulations will afford identified inmates housed in ASU for administrative non-disciplinary reasons, privileges more consistent, but not identical, to their pre-segregation status. By incorporating by reference into these regulations the Non-Disciplinary Segregation (NDS) Personal Property Matrix (Rev. 8/14/13) the Department can achieve further standardization of allowable property inmates can possess regardless of which institution they are housed in. The Department believes that these regulations may promote continued rehabilitation and positive programming.

EVALUATION OF INCONSISTENCY/INCOMPATIBILITY WITH EXISTING STATE REGULATIONS

Pursuant to Government Code 11346.5(a)(3)(D), the Department must evaluate whether the proposed regulations are inconsistent or incompatible with existing State regulations. Pursuant to this evaluation, the Department has reviewed existing regulations pertaining to privileges, classification and property within CCR, Title 15, Division 3 and determined that these proposed regulations are not inconsistent or incompatible.

LOCAL MANDATES

The Department has determined that these regulations do not impose a mandate on local agencies or school districts, or a mandate which requires reimbursement of costs or savings pursuant to Government Code Sections 17500-17630.

FISCAL IMPACT STATEMENT

- Cost to any local agency or school district that is required to be reimbursed: none.
- Cost or savings to any state agency: none.
- Other nondiscretionary cost or savings imposed on local agencies: none.
- Cost or savings in federal funding to the State: none.

SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT AFFECTING BUSINESSES

The Department has initially determined that the proposed regulations will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES

The Department is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

RESULTS OF ECONOMIC IMPACT ASSESSMENT

These regulations are directed at the internal management of State prisons and do not impose any obligations, duties, fees, costs, responsibilities, reporting requirements, etc. on California businesses, large or small. No economic impacts have been brought to the attention of the Department. The Department has therefore concluded that these regulations will have no impact on the creation of new, or the elimination of existing jobs or businesses within California, or affect the expansion of businesses currently doing business in California. Regarding benefits, these regulations will protect the health and safety of California residents, worker safety, and the State's environment by providing a safe environment that will encourage visitation for families, which will have a positive impact on inmates, and increase worker safety.

EFFECT ON SMALL BUSINESSES

The Department has determined that the proposed regulations may not affect small businesses. It is determined that this action has no significant adverse economic impact on small business because they are not affected by the internal management of state prisons.

EFFECT ON HOUSING COSTS

The Department has made an initial determination that the proposed action will have no significant effect on housing costs.

CONSIDERATION OF ALTERNATIVES

The Department must determine that no reasonable alternative considered by the Department, or that has otherwise been identified and brought to the attention of the Department, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost-effective to affected private persons and equally effective in implementing the proposed regulatory action. Interested persons are accordingly invited to present statements or arguments with respect to any alternatives to the changes proposed at the scheduled hearing or during the written comment period.

**TITLE 25. CALIFORNIA HOUSING  
FINANCE AGENCY**

NOTICE OF INTENTION TO AMEND THE  
CONFLICT-OF-INTEREST CODE OF THE  
CALIFORNIA HOUSING FINANCE AGENCY

NOTICE IS HEREBY GIVEN that the California Housing Finance Agency ("Agency") intends to amend its Conflict of Interest Code pursuant to Government Code Sections 87300–87302 and 87306. Pursuant to Government Code Section 87302, the Conflict of Interest Code will designate employees who must disclose certain investments, income, interests in real property and business positions, and who must disqualify themselves from making or participating in the making of governmental decisions affecting those interests.

The Agency is amending its Conflict of Interest Code to: (1) modify provisions of the code; (2) revise divisions to comport with the revised organizational chart; (3) add classifications in a new division; (4) add new positions; (5) reclassify positions within divisions; (6) revise titles of existing positions; (7) revise disclosure categories of existing positions; (8) delete titles of positions that are not being utilized by the Agency; and, (9) make miscellaneous "clean-up" changes.

A written comment period has been established commencing on October 11, 2013 and ending on November 25, 2013. Any interested person may present written comments concerning the proposed amendments to the Conflict of Interest Code no later than November 25, 2013 to Misty Miller, Housing Finance Specialist, Regulations Coordinator, California Housing Finance Agency, 500 Capitol Mall, Suite 1400, MS 1440, Sacramento, California 95814; [mmiller@calhfa.ca.gov](mailto:mmiller@calhfa.ca.gov); (916) 326–8481 (direct dial); (916) 322–3151 (fax). No public hearing on the matter will be held unless any interested person or his or her representative requests a public hearing no later than 15 days prior to the close of the written comment period.

The Agency has prepared a written explanation of the reasons for the proposed amendments and has available all of the information upon which its proposal is based. Copies of the proposed amendment, the written explanation of the reasons, and the information on which

the amendments are based are posted on the Agency's website at [www.calhfa.ca.gov](http://www.calhfa.ca.gov) (About Us, Meetings & Events, Rulemaking) or may be obtained by contacting Misty Miller at the address, email, phone or fax number shown above.

The Agency has determined that the adoption of the proposed amendments will not impose a cost or savings on any state agency, local agency or school district that is required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of the Government Code; will not result in any nondiscretionary cost or savings to local agencies; will not result in any cost or savings in federal funding to the state; will not impose a mandate on local agencies or school districts; and will not have any potential cost impact on private persons or businesses including small businesses.

The Agency has determined that no alternative considered by the Agency would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

**GENERAL PUBLIC INTEREST**

**DEPARTMENT OF FISH AND  
WILDLIFE**

**PROPOSED RESEARCH ON FULLY  
PROTECTED SPECIES**  
Monitoring California Least Tern Nesting Colonies

The Department of Fish and Wildlife ("Department") received a proposal on August 28, 2013, from Cynthia Hartley in Ventura, California, requesting authorization to take California Least Terns (*Sternula antillarum browni*; tern), for research purposes, consistent with the protection and recovery of the subspecies. The tern is a Fully Protected bird, and is also listed as Endangered under the California Endangered Species Act and Endangered under the federal Endangered Species Act.

Ms. Hartley is planning to conduct research on the tern at Ventura County beaches, in accordance with methods approved by the Department and the U.S. Fish and Wildlife Service (Service; under a current Recovery Permit). The purpose of the research is to quantify nesting success and assess the populations that utilize Ventura County beaches in order to provide management guidance to the beach owners and to governmental agencies with a statutory responsibility to protect the species. The proposed research activities include monitoring reproductive output of terns using binoculars and spotting scopes, and passive survey techniques such as

transects, point counts, and area searches, and active survey techniques including entering active tern nesting areas to visually survey, mark, and monitor nests and determine the age class of individuals. Tern carcasses and non-viable tern eggs found during research and nest monitoring activities will be salvaged and donated to a depository designated by the Department and the Service. There would be no attempt to capture individual live terns, unless specifically approved by the Department. No adverse effects on individual terns or tern populations are expected.

The Department intends to issue, under specified conditions, a Memorandum of Understanding (MOU) to authorize qualified professional wildlife researchers, with Ms. Hartley as the Principal Investigator, to carry out the proposed activities. The applicants are also required to have a valid federal recovery permit for the tern, and a scientific collecting permit (SCP) to take other terrestrial species in California.

Pursuant to California Fish and Game Code (FGC) Section 3511(a)(1), the Department may authorize take of Fully Protected Birds after 30 days notice has been provided to affected and interested parties through publication of this notice. If the Department determines that the proposed research is consistent with the requirements of FGC Section 3511 for take of Fully Protected birds, it would issue the authorization on or after November 11, 2013, for an initial and renewable term of three years. On July 2, 2013 the State Water Board issued a Fact Sheet titled: Qualified Storm Water Pollution Prevention Plan Developer (QSD) Training Program for Professionals Licensed by the California Board of Professional Engineers, Land Surveyors and Geologists (see attached). As discussed in the 7/2/2013 Fact Sheet, the State Water Board’s NPDES General Permit For Storm Water Discharges Associated With Construction And Land Disturbance Activities, Order No. 2009–0009–DWQ (“Construction General Permit or “CGP), which went into effective July 1, 2010<sup>1</sup> (see attached) obligates the Legally Responsible Person (LRP) to ensure all Stormwater Pollution Prevention Plans (SWPPP) be developed, amended and certified by a Qualified SWPPP Developer (QSD) designated by the LRP, as a condition of permit compliance.

During the public comment period for the 2009 CGP several workshops were held, and comments were submitted by the public (see attached) that addressed the State Water Board’s QSD training qualifications and certification requirements. During the workshops, Water Board staff described the qualification and certification process included the following criteria:

- A QSD shall have one of the following registrations or certifications, and appropriate experience, as required for:
  - a. A California registered professional civil engineer;
  - b. A California registered professional geologist or engineering geologist;
  - c. A California registered landscape architect;
  - d. A professional hydrologist registered through the American Institute of Hydrology;
  - e. A Certified Professional in Erosion and Sediment Control (CPESC) TM registered through Enviro Cert International, Inc.;

<sup>1</sup> Amended by Order 2010–0014 DWQ effective 02/14/2011 and by Order No. 2012–0006–DWQ effective 07/17/2012.

f. A Certified Professional in Storm Water Quality (CPSWQ) TM registered through Enviro Cert International, Inc.; or

g. A professional in erosion and sediment control registered through the National Institute for Certification in Engineering Technologies (NICET);

*and;*

- Effective two years after the adoption date of this General Permit (by 9/2/2011), a QSD shall have attended a State Water Board-sponsored or approved QSD training course.

The only training course that was presented to the public at the workshops was one that would require attendance of a 2 or 3 day classroom-type training session and a written exam with a minimum passing grade of 70% or better. At no time was any "alternative", less stringent certification process, limited to only persons licensed by the California Board of Professional Engineers, Land Surveyors and Geologists (CBPELSG) ever presented to the public for review and/or comment.

Order 2009-0009 DWQ is a regulation as defined by Government Code Section 11342.600: *A Regulation is every rule, regulation, order, or standard of general application or the amendment, supplement, or revision of any rule, regulation, order or standard adopted by any state agency to implement, interpret, or make specific the law enforced or administered by it, or to govern its procedure.* In accordance with Government Code Section 11346, every "regulation" is subject to the rule-making procedures of the Administrative Procedure Act (APA) unless expressly exempted by statute.

Issuance of the 7/2/2013 Fact Sheet and implementation of an alternative QSD training and certification criteria for CBPELSG licensed professionals significantly modifies the terms and conditions of the Order 2009-0009-DWQ, and required the State Water Board to comply with APA procedural requirements. Failure to provide for public review and comment of the proposed regulatory modification is a violation of APA public notice requirements.
