

Community Compass

Community Compass specializes in services to people with behavioral support needs.

Tuolumne

Their community-based program is in Sonora, located at 83 South Stewart. In this program, people spend almost all of their time in the community.

Amador

Their site-based program is in Jackson, located at 823 South Highway 49. In this program, people spend time at the program facility and in the community, based on their individual preferences and plans.

Contact Program Director Richard Skidmore 209-223-3845 for more information. You can also get information at their website, <http://www.thecommunitycompass.com/>. If you click on their agency name on the Area 6 Board website, you will go to the Community Compass website.
