

CYCLE 39 GRANT - UP TO \$20,000 AVAILABLE

SCDD LOS ANGELES REGIONAL OFFICE TO AWARD PROGRAM DEVELOPMENT GRANT

Focus on Housing or Health & Safety

The California State Council on Developmental Disabilities (SCDD) has allocated up to \$20,000 per region to fund one project that addresses unmet needs in each Regional Office's catchment area.

SCDD Los Angeles Regional Office has selected the following goals to be implemented by the Program Development Grant:

Goal 3: Housing

People with I/DD and their families reflecting the diversity of the state will have increased access to affordable, accessible, safe, and fully integrated housing that provides choice and flexibility regarding where and with whom they live.

1. The Council will work with housing entities to increase the development and/or provision of community housing for people with I/DD.
2. The Council will identify and decrease barriers to housing for people with I/DD.
3. The Council, in consultation with its federal partners, will increase identification, advocacy and/or sponsorship of legislative, regulatory, policy, procedure and/or practice changes to increase housing for people with I/DD.

Goal 4: Health and Safety

Californians w/ I/DD and their families reflecting the diversity of the state will have increased information to access health, public safety, and related services that meet their needs and health care choices.

1. The Council and its federal partners will increase knowledge and awareness for people with I/DD and their families about the availability of and access to health and public safety-related services and supports.
2. The Council, its federal partners, and self-advocates will increase information and training to law enforcement, court personnel, health care providers, and/or other care professionals about disability-related health and safety issues.
3. The Council, in consultation with its federal partners, will increase identification, advocacy and/or sponsorship of legislative, regulatory, policy, procedure and/or practice changes to increase accessibility to health care and public safety services for people with I/DD and their families.
