

## AIDD COMPLIANCE TASK DELIVERABLE SUBMISSION

<b>Item No.: J2</b>	<b>Due Date: 1/1/2016</b>	<b>Submission Date: 4/1/2015</b>
<b>Deliverable Description:</b> For the remainder of the 2011-2016 state plan, evidence of amended and implemented goals on a statewide basis.		

### *Narrative:*

The 2013 MTARS findings stated, “The Council’s 5-year plan implementation does not promote advocacy, capacity building, and systemic change at the state level,” and asked for evidence of an amended state plan that focuses on implementation on a statewide basis.

To accomplish this, with technical assistance from ITACC, SCDD focused on the objectives as the keys to implementation. The Council streamlined 32 goals to 15 goals (attached summary), with a focus on:

1. Maintaining the spirit of the goals
2. Maintaining focus on federal areas of emphasis
3. Keeping with agreements with AIDD
4. Reducing non-federal, state-only work
5. Streamlining by reducing overlap

This resulted in the Amended State Plan Update, which SCDD submitted to AIDD on March 2, 2015 (attached).

The Council conducted a thorough public process in amending these objectives. The State Plan Committee reviewed the amended State Plan on December 1, 2014, made its changes, and submitted the amendment to the Executive Committee. The Executive Committee reviewed these amendments on December 16, 2014, made no changes, and submitted the amended objectives to the full Council. On January 22, 2015, the Council reviewed and adopted the amended State Plan. Minutes from each of these meetings with highlighted motions are attached.
